The game combines third-person exploration with quick-time events (QTEs), requiring players to switch between controlling Jodie Holmes, the main character, and Aiden, her supernatural entity companion. The controls vary slightly depending on the platform but typically involve analog stick movement, interaction prompts, and context-sensitive actions.

Key gameplay elements include:

- Exploration: Navigating environments, interacting with objects, and uncovering story elements.
- Quick-Time Events: Timed button presses during action sequences, crucial for progressing and influencing outcomes.
- Dual Character Control: Switching between Jodie and Aiden to solve puzzles or confront challenges.
