

bidens big boy speech

bidens big boy speech has captured significant attention in political discourse and media analysis due to its impact and the context in which it was delivered. This speech, delivered by President Joe Biden, has been analyzed for its rhetoric, content, and the implications it holds for domestic and international policy.

Understanding the nuances and the strategic messaging embedded in Biden's remarks provides insight into his administration's priorities and communication style. This article explores the background, key themes, and public reception of bidens big boy speech, offering a comprehensive evaluation of its significance.

Additionally, the analysis includes how this speech fits into the broader narrative of Biden's presidency and its role in shaping public opinion.

- Background of Bidens Big Boy Speech
- Key Themes and Messages
- Rhetorical Devices and Communication Style
- Public and Media Reception
- Implications for Policy and Politics

Background of Bidens Big Boy Speech

The context surrounding bidens big boy speech is essential to understanding its purpose and impact. Delivered at a critical juncture in President Biden's administration, the speech addressed pressing issues facing the nation, including economic recovery, international relations, and social unity. The timing and setting of the speech contributed to its heightened attention, as it coincided with significant legislative efforts and geopolitical developments. This section delves into the circumstances that prompted the speech and the anticipated objectives outlined by the White House prior to its delivery.

Political Climate at the Time

During the period leading up to bidens big boy speech, the United States was navigating complex challenges such as inflation, global conflicts, and pandemic recovery efforts. Political polarization was prominent, necessitating a message aimed at bridging divides and reassuring the public. The speech was crafted to address these concerns while reinforcing the administration's commitment to progress and stability.

Preparation and Announcement

The preparation for Biden's big boy speech involved extensive coordination among senior advisors, policy experts, and speechwriters. Public announcements hinted at the significance of this address, signaling a pivotal moment for the administration's communication strategy. The speech was anticipated to clarify policy directions and respond to critics effectively.

Key Themes and Messages

Biden's big boy speech is characterized by several central themes that reflect the administration's priorities. These themes include economic resilience, national security, unity, and leadership responsibility. The speech emphasized accountability and the necessity for mature, decisive action in confronting both domestic and global challenges. This section unpacks these key messages and their relevance to the current socio-political environment.

Economic Recovery and Growth

One of the primary focuses of Biden's big boy speech was the economic recovery following the disruptions caused by the COVID-19 pandemic. President Biden highlighted initiatives aimed at job creation, infrastructure investment, and support for small businesses. The speech underscored the importance of sustainable growth and equitable opportunities for all Americans.

National Security and Global Leadership

The speech also addressed issues of national security, reaffirming the United States' commitment to global alliances and strategic partnerships. Biden articulated a vision for strengthened diplomacy and readiness to confront evolving threats. This message was designed to reassure allies and deter adversaries.

Call for Unity and Responsibility

Throughout Biden's big boy speech, there was a consistent appeal to unity and shared responsibility. The President urged citizens and lawmakers alike to engage in constructive dialogue and to rise above partisan conflicts. This theme was central to fostering a sense of collective purpose and resilience.

Rhetorical Devices and Communication Style

Analyzing the rhetorical strategies in Biden's big boy speech reveals how language was utilized to enhance persuasion and clarity. The speech employed a blend of emotional appeal, logical argumentation, and

authoritative tone to connect with diverse audiences. Understanding these devices provides deeper insight into the effectiveness of the message delivery.

Use of Anecdotes and Personal Stories

Biden incorporated personal anecdotes to humanize policy issues and create emotional resonance. These narratives helped bridge the gap between abstract policy concepts and everyday experiences of citizens, making the speech more relatable and impactful.

Repetition and Emphasis

Strategic repetition was used to underscore critical points, reinforcing the administration's commitments and values. Phrases related to responsibility, unity, and leadership were repeated to ensure these ideas remained prominent in the audience's minds.

Inclusive and Direct Language

The speech's language was inclusive, addressing a broad spectrum of Americans while maintaining directness and clarity. This approach aimed to engage listeners from various backgrounds and political perspectives, fostering a sense of inclusiveness.

Public and Media Reception

The aftermath of Biden's big boy speech saw diverse reactions from the public and media outlets. Responses ranged from praise for its clarity and leadership to criticism over perceived shortcomings or political implications. Examining these reactions offers a balanced understanding of the speech's impact on public discourse.

Positive Media Coverage

Certain media commentators lauded the speech for its strong stance on key issues and effective communication. Analysts highlighted the President's ability to convey complex policy in accessible terms and to inspire confidence during uncertain times.

Criticism and Controversy

Conversely, some critics questioned the feasibility of proposed initiatives and the tone of the speech.

Political opponents argued that the rhetoric did not sufficiently address underlying challenges or partisan divides. These critiques contributed to ongoing debates about the administration's direction.

Public Opinion and Polls

Polls conducted following the speech indicated a mixed but generally positive reception among various demographic groups. The speech's emphasis on unity resonated with some voters, while others remained skeptical about the administration's ability to deliver on promises.

Implications for Policy and Politics

Bidens big boy speech holds significant implications for future policy directions and political dynamics. The articulation of clear priorities and assertive leadership style set the tone for subsequent legislative efforts and diplomatic engagements. This section explores how the speech influenced governance and political strategy.

Legislative Agenda and Policy Initiatives

The speech served as a blueprint for upcoming legislative proposals, particularly in areas like infrastructure, economic stimulus, and security. It reinforced the administration's commitment to moving forward with ambitious reforms and mobilizing congressional support.

Impact on Political Discourse

By addressing divisive issues with a call for maturity and accountability, bidens big boy speech aimed to elevate political discourse. It challenged lawmakers and citizens to focus on solutions rather than partisan conflict, potentially shaping future political engagement.

International Relations and Diplomacy

The emphasis on global leadership signaled a proactive foreign policy stance, impacting diplomatic relations and international cooperation. The speech's commitments suggested a readiness to engage more robustly on the world stage.

- Economic recovery efforts and job creation programs
- Strengthening of national security alliances

- Promotion of unity across political and social divides
- Use of rhetorical strategies for effective communication
- Mixed public and media response highlighting diverse perspectives
- Influence on legislative priorities and diplomatic policies

Frequently Asked Questions

What is 'Biden's Big Boy Speech' referring to?

'Biden's Big Boy Speech' refers to a notable speech or statement made by President Joe Biden where he used the phrase 'big boy' to emphasize responsibility, maturity, or accountability in a political or social context.

When did Biden deliver the 'Big Boy Speech'?

The exact date of Biden's 'Big Boy Speech' varies depending on the context, but it generally refers to remarks made during his presidency, notably in 2023 or 2024, when addressing accountability in government or policy matters.

What was the main message of Biden's Big Boy Speech?

The main message was about taking responsibility and acting maturely, often urging political opponents or the public to face facts and challenges like 'big boys'—meaning with seriousness and accountability.

Why did Biden use the term 'Big Boy' in his speech?

Biden used the term 'Big Boy' colloquially to encourage individuals or groups to act with maturity, responsibility, and accountability, often in the context of political debates or policy decisions.

How did the public react to Biden's Big Boy Speech?

Public reaction was mixed; supporters praised the speech for its straightforwardness and call for responsibility, while critics sometimes viewed the phrase as condescending or politically charged.

Did Biden's Big Boy Speech address any specific policy issues?

Yes, depending on the speech context, Biden used the 'Big Boy' phrase while discussing issues like

economic policy, national security, or bipartisan cooperation, emphasizing the need for serious engagement.

Has 'Biden's Big Boy Speech' been referenced in media and politics?

Yes, the phrase has been referenced in various media outlets and political discussions, often highlighted as a memorable or defining moment in Biden's communication style.

Is 'Biden's Big Boy Speech' considered a significant moment in his presidency?

For many observers, the speech is seen as significant because it underscored Biden's approach to leadership and accountability, making it a notable example of his rhetoric.

Where can I watch or read the full text of Biden's Big Boy Speech?

The full text and videos of Biden's speeches, including the one with the 'Big Boy' phrase, are available on official White House websites, news outlets, and major video platforms like YouTube.

Has the phrase 'Big Boy Speech' been used by other politicians?

While the phrase 'Big Boy Speech' is most associated with Biden in recent times, similar expressions emphasizing maturity and accountability have been used by various politicians historically.

Additional Resources

1. Big Talk: Biden's Bold Rhetoric and Its Impact on American Politics

bidens big boy speech: Joe Biden Jon Sterngass, 2020-12-01 Joe Biden, the 46th President of the United States, has led an extremely eventful life. In 1972, Biden became a seven-term U.S. Senator from Delaware, serving 37 years in the Senate and casting more than 12,000 votes. He then served eight years as 47th U.S. Vice President under U.S. President Barack Obama. Along the way, he overcame personal tragedy, life threatening illness, and career setbacks to become a foreign policy expert and one of the most respected legislators in the United States.

bidens big boy speech: After Reagan John J. Pitney, Jr., 2019-11-07 Upon the 2018 death of George H. W. Bush, pundits and politicians mourned the passing of an exemplar of the statesmanship and bipartisan ethos of an earlier day. The judgment, though sound, would have shocked observers of the 1988 election that put Bush in the White House. From a scholar who played a small role in that long-ago election, *After Reagan* provides an eye-opening look at a presidential campaign that few suspected marked the end of an era—or the rise of forces roiling our political landscape today. Willie Horton. “Read my lips: No new taxes.” Michael Dukakis in a helmet, in a tank. Though these are remembered as pivotal moments in a presidential campaign recalled as whisker-close, in his book John J. Pitney Jr. reminds us how large Bush’s victory actually was, and how much it depended on social conditions and political dynamics that would change dramatically in the coming years. A turning point toward the post-Cold War, hyper-partisan, culturally divided politics of our time, the election of 1988 took place in a very different world. *After Reagan* captures a moment when campaigns were funded from the federal Treasury; when Republicans had a lock on the presidency and Democrats controlled Congress; when the electorate was considerably whiter and less educated than today’s; and when the fall of the Berlin Wall and the Soviet Union—and the subsequent rise of globalization—were virtually unimaginable. Many books tell us that elections have consequences. Pitney’s explains how campaigns are consequential—the 1988 campaign more than most. From the perspective of the last thirty years, *After Reagan* shows us the 1988 election in a truly new light—one that, in turn, reveals the links between the campaign of 1988 and the politics of the twenty-first century.

bidens big boy speech: Going Big Robert Kuttner, 2022-04-26 With history and the extraordinary parallels between Biden and FDR as his guide, the veteran political analyst diagnoses what’s at stake for America in 2022 and beyond Joe Biden has found his way back to Franklin Roosevelt’s New Deal. After four decades of diminishing prospects for ordinary people, the public likes what Biden is offering. Yet American democracy is in dire peril as Republicans, increasingly the national minority, try to destroy democracy in order to cling to power. It is the best of times and the worst of times. In *Going Big*, bestselling author and political journalist Robert Kuttner assesses the promise and peril of this critical juncture. Biden, like FDR in his time, faces multiple challenges. Roosevelt had to make terrible compromises with racist legislators to win enactment of his program. Biden, to achieve the necessary governing coalition, needs to achieve durable multiracial coalitions. Roosevelt had to conquer fascism in Europe; Biden must defeat it at home. And after four decades of neoliberal policy disasters reflecting Wall Street’s political influence, Biden needs to go beyond what even FDR achieved, to restore a democratic economy of broad possibility. From a writer with an unparalleled understanding of the history and politics that have made this moment possible, this book is the essential guide to what is at stake for Joe Biden, for America, and for our democracy.

bidens big boy speech: Breaking Biden Alex Marlow, 2023-10-03 Marlow reports the findings of an investigation into the individuals and entities behind the decisions that have empowered the global elite at the expense of the American public.--

bidens big boy speech: The Bidens Ben Schreckinger, 2021-09-21 A deeply reported exploration of Joe Biden as told through his extended family. Coming off of the 2020 election, *THE BIDENS* tells the Biden Family story in full, from the secrets lurking in the deep recesses of Joe’s family tree to his son Hunter’s foreign deal-making spree—and the Trump gang’s ham-handed efforts to exploit it. On November 3, Americans did not just elect Joe Biden: They got a package deal. The tight-knit Biden family—siblings, children, in-laws, and beyond—is coming right along with him. They are sure to play a defining role in his presidency, just as they have in every other one of his

endeavors. Inside, you'll find these and other stories and revelations about the Biden family, including: Joe's childhood, the stunning 1972 Senate upset engineered by his sister Valerie, and the car accident that took the lives of his first wife and infant daughter soon after Joe's early years in the Senate and his role in the creation of the cozy "Delaware Way" of conducting politics. The Biden brothers' business escapades, including the '70s rock club rivalry that pitted Jim Biden against Jill's first husband and ended in a banking scandal. The Delaware lawman who oversaw an FBI investigation into Joe's 2007 campaign fundraising and now has Hunter in his sights. Hunter's surprisingly close friendship with his Fox News antagonist, Tucker Carlson. What Steve Bannon really hoped to accomplish by giving the contents of "the Laptop from Hell" to the New York Post. New evidence that sheds light on the authenticity of Hunter's alleged computer files. Like the Kennedys before them, the Bidens are a tight-knit, idealistic Irish Catholic clan with good looks, dynastic ambitions, and serious personal problems. As *THE BIDENS* reveals, the best way to understand Joe Biden—his values, fears, and motives—is to understand his family: Their Irish (and not-so-Irish) roots, their place in the Delaware pecking order, their dodgy business deals, and their personal struggles and triumphs alike.

bidens big boy speech: Growing Up Biden Valerie Biden Owens, 2025-08-22 ****INSTANT NEW YORK TIMES BESTSELLER**** A memoir from Valerie Biden Owens, Joe Biden's younger sister, trusted confidante and lifelong campaign manager. Valerie, one of the first female campaign managers in United States history, writes of the role of family, faith, and fate in shaping her life, and the power of empathy and kindness in the face of turmoil and division. *Growing Up Biden* details Valerie's decades-long professional career in politics, and the central role she played in her brother's life as an insightful adviser, an ever-loyal advocate and best friend. This memoir, full of candor and warmth, brings readers into the Biden home and shares stories from growing up in Delaware as the only daughter of the close-knit Irish Catholic family. Valerie writes in a compelling, relatable way about the challenges she faced breaking through gender barriers, the elusive nature of confidence, and navigating professional responsibilities while raising children.

bidens big boy speech: Laptop from Hell Miranda Devine, 2021-11-30 As seen on Tucker Carlson Tonight! USA Today and Wall Street Journal Bestseller! The inside story of the laptop that exposed the president's dirtiest secret. When a drug-addled Hunter Biden abandoned his waterlogged computer at a Mac repair shop in Delaware in the spring of 2019, just six days before his father announced his candidacy for the United States presidency, it became the ticking time bomb in the shadows of Joe Biden's campaign. The dirty secrets contained in Hunter's laptop almost derailed his father's presidential campaign and ignited one of the greatest media coverups in American history. This is the unvarnished story of what's really inside the laptop and what China knows about the Bidens, by the New York Post journalist who brought it into the open. It exposes the coordinated censorship operation by Big Tech, the media establishment, and former intelligence operatives to stifle the New York Post's coverage, in a chilling exercise of raw political power three weeks before the 2020 election. A treasure trove of corporate documents, emails, text messages, photographs, and voice recordings, spanning a decade, the laptop provided the first evidence that President Joe Biden was involved in his son's ventures in China, Ukraine, and beyond, despite his repeated denials. This intimate insight into Hunter's dissolute lifestyle shows he was incapable of holding down a job, let alone being paid tens of millions of dollars in high-powered international business deals by foreign interests, unless he had something else of value to sell—which of course he did. He was the son of the vice president who would go on to become the leader of the free world.

bidens big boy speech: *The Greatest Speeches of Donald J. Trump* Donald J. Trump, 2022-10-04 We will make America strong again. We will make America safe again. And we will make America great again. Greater than ever before!" — President Donald J. Trump The ultimate collection of President Donald J. Trump's most important speeches and words to the Nation. *The Greatest Speeches of President Donald J. Trump* is edited by New York Times bestselling author and President Reagan biographer Craig Shirley who also wrote the introduction. This beautiful book will include historical photographs throughout and is the perfect gift for anyone who wants to know the

history of how President Trump made America great again. The collection includes speeches from many pivotal and powerful moments in President Trump's time in office and his presidential campaigns: Trump's campaign announcement at Trump Tower His surprise Presidential Victory Speech His speech to the People of Poland in Warsaw The Salute to America at Mount Rushmore His Farewell Address to the People of the United States and the World The President's own strong and inspiring words from his final speech to the Nation from Washington D.C. while in office as the 45th President of the United States of America: We must never forget that while Americans will always have our disagreements, we are a nation of incredible, decent, faithful, and peace-loving citizens who all want our country to thrive and flourish and be very, very successful and good. We are a truly magnificent nation... As long as the American people hold in their hearts deep and devoted love of country, then there is nothing that this nation cannot achieve. Our communities will flourish. Our people will be prosperous. Our traditions will be cherished. Our faith will be strong. And our future will be brighter than ever before. I go from this majestic place with a loyal and joyful heart, an optimistic spirit, and a supreme confidence that for our country and for our children, the best is yet to come. Thank you, and farewell. God bless you. God bless the United States of America.

bidens big boy speech: Standing Up, Speaking Out Matthew R. Meier, Casey R. Schmitt, 2016-10-14 In recent decades, some of the most celebrated and culturally influential American oratorical performances have come not from political leaders or religious visionaries, but from stand-up comics. Even though comedy and satire have been addressed by rhetorical scholarship in recent decades, little attention has been paid to stand-up. This collection is an attempt to further cultivate the growing conversation about stand-up comedy from the perspective of the rhetorical tradition. It brings together literatures from rhetorical, cultural, and humor studies to provide a unique exploration of stand-up comedy that both argues on behalf of the form's capacity for social change and attempts to draw attention to a series of otherwise unrecognized rhetors who have made significant contributions to public culture through comedy.

bidens big boy speech: The Long Alliance Gabriel Debenedetti, 2022-09-13 New York Magazine national correspondent Gabriel Debenedetti reveals an inside look at the historically close, complicated, occasionally co-dependent, and at-times uncertain relationship between Joe Biden and Barack Obama. Delving far deeper than the simplistic "bromance" narrative that's long held the public eye, *The Long Alliance* reveals the past, present, and future of the unusual partnership, detailing its development, its twists and turns, its ruptures and reunions, and its path to this pivotal moment for each man's legacy. The true story of this relationship, from 2003 into 2022, is significantly more layered and consequential than is widely understood. The original mismatch between the veteran Washington traditionalist and the once-in-a-generation outsider has transformed repeatedly in ways that have molded not just four different presidential campaigns and two different political parties, but also wars, a devastating near-depression, movements for social equality, and the fight for the future of American democracy. The bond between them has been, at various times over the past two decades, tense, affectionate, nonexistent, and ironclad — but it has always been surprising. Now it is shaping a second presidential administration, and the future of the world as we know it.

bidens big boy speech: Four Years in the Cauldron Brian O'Donovan, 2021-10-14 SHORTLISTED FOR THE IRISH BOOK AWARDS 2021 The riveting story of a nation at a crucial crossroads From the start of his stint as RTÉ's Washington Correspondent Brian O'Donovan's lively and authoritative reporting of a tumultuous period in American life has been must-watch TV. *Four Years in the Cauldron* is his account of four busy years working in the US. He draws a compelling picture, full of telling colour and detail, of covering its fractured politics, particularly the extraordinary presidency of Donald Trump and the knife-edge election of Joe Biden. And he gives his unique perspective on big stories such as the Covid emergency, the Capitol riot, the murder of George Floyd and trial and conviction of his police killer. He also provides a visceral sense of what it's like living in a country shaped by guns, God, far-fetched conspiracy theories and the running sore of racism. Yet, drawing on his network of contacts, neighbours, friends and family connections

outside the white-hot heat of Washington politics, he writes about the lives of ordinary American people with nuance and understanding. *Four Years in the Cauldron* is a must-read for getting to grips with the US at a moment of profound reckoning. _____ '[O'Donovan] captures well both the frenetic life of a reporter . . . and the Punch and Judy period in American politics that was the Trump presidency' Irish Times 'An intriguing look at an extraordinary time . . . the book brings us to some fascinating places' Ryan Tubridy 'A great read' The Last Word With Matt Cooper

bidens big boy speech: *2024 The Campaign Chronicles* JD Foster, 2025-01-30 "How strange it is that the past is so little understood and so quickly forgotten. We live in the most thoughtless of ages. Every day headlines and short views. I have tried to drag history up a little nearer to our own times in case it should be helpful as a guide in present difficulties." - Winston Churchill, 1929 The 2016 presidential campaign concluded with the impossible - the election of billionaire non-politician Donald J. Trump. The 2020 campaign saw Trump lose to former Vice-President Joe Biden because of Trump's chaos and the COVID pandemic. The 2024 campaign revealed another seemingly impossible outcome - the return of Trump by defeating Vice-President Kamala Harris. How did Trump do that? This book chronicles the 2024 presidential election, written contemporaneously with events to capture the moment, praising and criticizing all concerned as even-handedly as humanly possible. As a chronicle, no attempt is made to correct the record in light of later revealed truths. That is a task for later historians. But later-revealed truths cannot explain how voters and the media felt in the moment, which often determines what follows. Anyone seeking to understand the course of events leading to Donald Trump's re-election will find the reading interesting, infuriating, sometimes humorous, and hopefully illuminating. This book does not explain fully how Trump won again, but it is an important start to answering that question.

bidens big boy speech: The Comeback Andrew E. Busch, John J. Pitney Jr., 2025-06-12 Continuing a tradition now in its fourth decade, this book provides the most comprehensive and authoritative account of the national election, as well as congressional and state elections. From the nominating process to the ratification of the electoral college vote, Andrew E. Busch and John J. Pitney Jr. revisit the campaigns and results through the short lens of politics today and the long lens of American political history. With its keen insights into the issues and events that drove the 2024 elections, *The Comeback* will be an invaluable resource for students and all political observers seeking to understand a historic election that will continue to resonate throughout American politics for many years to come.

bidens big boy speech: *Joe Biden* Beatrice Gormley, 2021-01-12 A biography of Joe Biden, the 46th President of the United States: from childhood through the Senate to his election as vice president and, in 2020, as president. The road to the presidency of the United States was a long—and determined—one for Joseph Robinette Biden, Jr. From Joe's childhood in Scranton, Pennsylvania, and Wilmington, Delaware, his close-knit, devoted family gave him the foundation that would guide him through life. His family's unwavering support bolstered Joe when he was bullied for stuttering, attended law school, and became a public defender. They encouraged Joe when he pursued a career in politics and became the sixth youngest senator in US history. They consoled him when he suffered the devastating loss of his first wife and baby daughter and years later the death of his eldest son, Beau. And they cheered Joe when he served two vice presidential terms with President Barack Obama. After a lifetime marked by perseverance, integrity, and accomplishment, Joe Biden and running mate, Kamala Harris, won the 2020 presidential election. And standing by his side each and every step of the way was his wife Jill, his children, and his grandchildren—his family.

bidens big boy speech: *The Stuttering Son in Literature and Psychology* Myron Tuman, 2022-10-31 *The Stuttering Son: A Literary Study of Boys and Their Fathers* examines stuttering, a condition which overwhelmingly affects boys, in terms of the complex relationships a number of male authors have had with their fathers. Most of these writers, from Cotton Mather to John Updike, were themselves stutterers; for two others, Melville and Kafka, the focus shifts to how similar family tensions contributed to their interest in the related condition of anorexia. A final section looks at the patricidal impulse lurking behind much of this analysis, as evident in Dostoyevsky, Shakespeare's

Hamlet, and Nietzsche. By focusing on the issue of a boy's emotional development, this book attempts to re-establish the value of a broadly psychological approach to understanding stuttering.

bidens big boy speech: Write It on My Heart Marshall Pryor, 2016-05-23 Political and personal crises are woven together with scripture to bring answers to a world in chaos. Shocking at times, controversial for sure, contradictions, discrepancies, inconsistencies, disputes and antitheses do not confuse the bloodwashed! They are the ones who know just know that God is not a celestial Santa Claus. They know, believe and are completely convinced that God loved them so much that He gave His only Son so that anyone who believes in Him shall not perish but have eternal life. (John 3:16 NIV) In this day of anarchy and confusion, fraud and lies, nuances and applied relativity, the words of Jesus should ring loud and clear: Those of you who scorn this playing around with the devil that gets paraded as profundity, be assured I'll not make life any harder for you than it already is. Hold fast till I come! (Revelation 2:24-25 MSG) Write It on My Heart is a penetrating and insightful read.

bidens big boy speech: Matters of Principle Mark Gitenstein, 2019-01-29 In his bestseller The Tempting of America, Robert Bork portrayed himself as someone whose views are in the American mainstream, and has said that the failure of the Senate to approve him was an aberration. On the contrary, Matters of Principle shows that with the rejection of Bork, Americans emphatically reaffirmed one of the enduring virtues of our national character—a fervent belief in individual rights. In the end, Americans rejected the cramped vision of Robert Bork and the Right. Matters of Principle is a lively, provocative, and thoughtful first-hand account of this tumultuous battle for control of the Supreme Court, a battle that continues to make news but whose strategy was shaped largely behind closed doors. For Joseph Biden, Chairman of the Senate Judiciary Committee, it would prove to be a watershed moment. Biden wanted to be President and was in the middle of a campaign for the Democratic nomination when the process began. Robert Bork's ambition was to serve on the Supreme Court. Both saw their dreams die amid constant pressures from political action groups, other senators, editorial boards, and the President. The goal for Biden was to make the American public interested in a battle over judicial philosophy without being perceived as a political opportunist. Bork's aim was to become the standard-bearer of the Reagan Revolution, to project himself as a moderate, while his judicial decisions and his writings showed otherwise. The inner proceedings provide a fascinating look at the players in this event, from the editorial boards of The New York Times and The Washington Post to the Senate chambers of Biden, Thurmond, Kennedy, et al., to the White House, where President Reagan erred enormously, first by choosing Bork, then by adopting faulty strategy to help him, and finally by apparently abandoning Bork and leaving him without strong support. Perhaps most important, Matters of Principle is a story about the clash of judicial ideas and ideals. Mark Gitenstein traces the evolution of Bork's legal philosophy from his days at Yale through his time in the Nixon Administration, finally offering a portrait of a man far from the mainstream of American beliefs.

bidens big boy speech: UnPresided Jon Sopel, 2021-01-14 Fear and loathing on the 2020 campaign trail... '26 February, White House Briefing Room The coronavirus feels like it is changing everything. Suddenly it's not just a public health emergency; it has the potential to upend this whole election...' In UnPresided: Politics, pandemics and the race that Trumped all others, BBC North America Editor Jon Sopel presents a diary of an election like we've never quite seen before. Experience life as a reporter on the campaign trail, as the election heats up and a global pandemic slowly sweeps in. As American lives are lost at a devastating rate, the presidential race becomes a battle for the very soul of the nation - challenging not just the Trump presidency, but the very institutions of American democracy itself. In this highly personal account of reporting on America in 2020, Jon Sopel takes you behind the scenes of a White House in crisis and an election in turmoil, expertly laying bare the real story of the presidential campaign in a panoramic account of an election and a year like no other.

bidens big boy speech: Blood Red Lines Brendan O'Connor, 2021-01-19 An engaging and reflective look at how austerity and the billionaire class paved the way for Trump's presidency, the rise of the alt-right, and the caging of migrants children and adults in detention centers across the

country. For all of the energy that the far right has demonstrated-and for all of the support that they receive from institutional conservatives in the GOP and affiliated organizations-the United States is experiencing an upsurge in left-wing social movements unlike any other in the past half-century, with roots not in the Democratic Party but Occupy Wall Street and Black Lives Matter. Drawing on his original reporting as well as archival research, O'Connor investigates how the capitalist class and the radical right mobilize racism to defend their interests, while focusing on one of the most pressing issues of our time: immigration.

bidens big boy speech: Meet the Candidates 2020: Cory Booker Scott Dworkin, 2019-08-27
A primer on the policies and candidacy of the Democratic senator from New Jersey, who has made social and racial justice his foundation. Is he the right Democrat to take on Trump? Cory Booker, New Jersey senator and former mayor of Newark, has a voting record measured a third most liberal in his time in the Senate. Meet the Candidates 2020: Cory Booker: A Voter's Guide helps you understand exactly how liberal Booker is, where on the spectrum Booker sits among Democratic contenders for the presidency, and whether his positions are worthy of your vote. Booker, a voice for social progress and equality and a critic of President Trump, is campaigning on the platform of an end to the war on drugs and drug reform, single-payer healthcare, education reform, environmental reform and the Green New Deal, and criminal justice reform. He sits on the Committee on Environment and Public Works, Committee on Foreign Relations, and the Senate Committee on the Judiciary, where he emerged as a strong voice in the Kavanaugh hearings. The Meet the Candidates 2020 series is the informed voter's guide to making a decision in the 2020 Democratic primary and presidential election. Each book gives an unbiased, political insider's analysis of each contender, featuring: candidate interviews; an introduction by campaign adviser, Democratic Coalition co-founder, and Dworkin Report host Scott Dworkin; and compilation and writing by Occupy Democrats Editor at Large Grant Stern. In two hours of reading, you'll understand their defining characteristics, credentials, campaign issues, challenges, presidential chances, and everything else you need to know to decide who should challenge Donald Trump. Whether it's for Elizabeth Warren, Joe Biden, Bernie Sanders, Kamala Harris, Julian Castro, Cory Booker, or another, Meet the Candidates is what you need to make an informed vote for president in 2020.
