big boobs milf teacher: **Sex Teacher Milf** Heidi Deepkiss, 2015-02-08 Lying completely nude on her bed, Angela Sutherland felt as though her soft skin were on fire. From her fingertips to her hot, swollen nipples down to her damp, smoldering cunt, every voluptuously curved inch of her body tingled, the flesh seared by a maddening, insistent internal heat. She groped with trembling fingers for a cigarette from the pack on the nightstand, and noticed the illuminated dial of her alarm clock. It was three o'clock in the morning, the middle of another sleepless, sexually frustrated night. Angela thought about the thick ten-inch plastic vibrating dildo in her dresser drawer and she sucked greedily on the cigarette — she thought about the device and the temporary relief it could give her. It had already deflowered her, technically speaking, although she had never had sex with a man. Then, inevitably, she thought about the man, or rather boy, nearest to her in the lonely night, the one whose cock might do the job. There was a healthy nineteen-year-old stud in the very next bedroom. "All these years," she whispered to herself in the dark bedroom. "All these Goddamned lost, wasted years... my whole fucking life... without sex, without a man... a man! God — how I hunger for one now!" And all she had to do to appease that raging hunger in her loins was to get up, go down the hall, quietly enter the adjoining bedroom, and get in bed beside the slumbering boy. Well, it wouldn't be quite that simple, she feared. For one thing, her frustration throughout her adult life had left Angela feverishly aroused — all the time, but especially at night, when she was alone and in bed and an easy prey to horny, pornographically abandoned thoughts. She was a prim, respectable spinster — a college teacher in this small town on the California coast, about a hundred miles north of Los Angeles. The swinging L.A. lifestyle hadn't penetrated as far as this backwater community yet, and it might never get that far. In a conservative town the size of hers, word that she was fucking a nineteen-year-old college student could spread like wildfire, and her reputation, to say nothing of her job, would be shot to hell.
