The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself. In cases when ten or more resources are listed on a single web page, the author has assigned the web page a three-digit code. The code is used to identify this web page as a major resource within the main text, while any needed instructions for use of the site are

cross-referenced separately in the final chapter. In adopting this concise method, the author was able to add hundreds of additional or updated web resources, a surprising number of which can be downloaded onto a hard drive for immediate and continued use.

bible quiz questions for adults: Brooklyn 593 (Revised) James I. Plummer, 2013 Brooklyn 593 reflects on the tumultuous life and times of an African-American youth who was born on a small farm in Georgia into a loving family that suffered immensely from the ravages of social and economic injustice and exploitation that permeated American Society during that era. After the untimely death of my mother and my father's subsequent remarriage, my sisters and I were uprooted from rural Georgia and transplanted into the hustle-bustle of big-city life in Brooklyn, New York where we grew up in a dysfunctional, abusive household at 593 Halsey Street. Additional reflections include my experiences during 26 years of military service which included tours of duty in Germany, Libya and Vietnam, with samplings of the many good times experienced and hardships encountered along the way.
