bible trivia quiz printable: *Did you not know? Have you not heard?* Otinell C, Iancu, 2018-01-31 The book contains more than 6,100 questions. Its value is not in the answers, but rather in the way the questions are formulated and in the information they contain. Because the questions are arranged chronologically, the book can be used as a study guide. Although there are questions that require to memorize certain details, most of them contain enough clues within themselves which give the reader the opportunity to find the correct answer by using comparisons and logic.
