

# cubs spring training season tickets

**cubs spring training season tickets** offer baseball fans a unique opportunity to experience the excitement of Major League Baseball before the regular season begins. These tickets provide access to multiple games during the Cubs' spring training sessions, allowing supporters to witness emerging talent, seasoned veterans, and the team's preparations for the upcoming season. Securing season tickets for spring training is a wise choice for dedicated fans who want guaranteed seats at historic venues and benefit from cost savings compared to single-game purchases. This article explores the advantages of Cubs spring training season tickets, how to purchase them, pricing details, and tips to maximize the overall experience. Whether a local resident or traveling fan, understanding the options available can enhance enjoyment of this beloved baseball tradition.

- Benefits of Cubs Spring Training Season Tickets
- How to Purchase Cubs Spring Training Season Tickets
- Pricing and Seating Options
- Spring Training Venue and Game Experience
- Tips for Cubs Spring Training Season Ticket Holders

## Benefits of Cubs Spring Training Season Tickets

Purchasing Cubs spring training season tickets comes with numerous advantages that appeal to both casual and devoted fans. One of the primary benefits is guaranteed access to multiple games throughout the spring training schedule, which typically runs from mid-February to late March. This eliminates the uncertainty of ticket availability for individual games, especially during high-demand matchups. Additionally, season ticket holders often receive preferred seating locations, ensuring a consistent and enjoyable viewing experience.

Other benefits include potential discounts compared to buying single-game tickets for each event, early access to ticket sales, and exclusive offers or promotions. Season tickets also provide an excellent way to follow the team's progress during spring training, observe player development, and enjoy a more relaxed atmosphere compared to regular-season games.

## Consistent Access to Games

Season tickets guarantee fans a spot at every home game during the Cubs' spring training. This consistency enables attendees to plan ahead and attend games without last-minute concerns about ticket availability or pricing fluctuations.

## **Cost Savings and Exclusive Perks**

By purchasing season tickets, fans often benefit from reduced prices on a per-game basis, making it more economical than buying tickets individually. Exclusive perks such as merchandise discounts, early entry, or invitations to team events may also be included, enhancing overall value.

## **How to Purchase Cubs Spring Training Season Tickets**

Obtaining Cubs spring training season tickets involves several straightforward steps, whether through official team channels or authorized sellers. Understanding the purchasing process helps fans secure their seats efficiently and avoid counterfeit or unauthorized tickets.

### **Official Ticket Channels**

The most reliable method to purchase Cubs spring training season tickets is through official outlets such as the Chicago Cubs' website or the spring training ballpark's box office. These sources guarantee authenticity and provide up-to-date information about game schedules, seat availability, and pricing.

### **Authorized Resellers and Secondary Markets**

In cases where official tickets sell out, authorized resellers or reputable secondary marketplaces may offer season tickets. While prices can vary, these platforms sometimes provide last-minute access for fans who missed the initial sales.

### **Season Ticket Packages and Group Sales**

The Cubs organization often offers season ticket packages tailored to individuals, families, or groups. Group sales options allow fans to purchase multiple tickets together, which can be advantageous for corporate outings or gatherings of friends and family.

## **Pricing and Seating Options**

Understanding the pricing structure and seating arrangements is essential when considering Cubs spring training season tickets. Prices vary based on seat location, package inclusions, and the number of games included.

### **Seat Categories and Views**

Spring training stadiums typically offer a range of seating options, including field-level seats, reserved grandstand seats, and general admission areas. Premium seats closer to the field provide a more immersive experience but at a higher price point. Conversely, general admission seats offer affordability with flexible viewing.

## **Season Ticket Pricing Tiers**

Season ticket prices reflect the quality and location of seats, with premium packages costing more. Discounts may be available for early purchases, youth tickets, or multi-season commitments. Fans should review the pricing tiers carefully to select options that match their budget and preferences.

## **Additional Costs and Fees**

When purchasing season tickets, fans should account for possible additional fees such as service charges, parking, and concessions. Some packages may bundle these extras, while others charge separately.

## **Spring Training Venue and Game Experience**

The Chicago Cubs conduct their spring training at historic and well-maintained facilities that enhance the fan experience. The venue's atmosphere, amenities, and proximity to players contribute to the appeal of attending games during this period.

## **Location and Facilities**

The Cubs' spring training home is typically located in the Cactus League in Arizona, featuring state-of-the-art practice fields, seating areas, and fan amenities. The intimate size of the stadium allows fans to get closer to the action compared to larger regular-season ballparks.

## **Atmosphere and Fan Engagement**

Spring training games offer a more relaxed environment, with opportunities for autographs, fan interactions, and family-friendly activities. The slower pace and smaller crowds create a unique setting for baseball enthusiasts to enjoy the sport.

## **Player Development and Team Insights**

Attending multiple games with season tickets allows fans to observe player performances, including prospects and new acquisitions, providing insights into the team's potential for the upcoming MLB season.

## **Tips for Cubs Spring Training Season Ticket Holders**

Maximizing the value and enjoyment of Cubs spring training season tickets involves strategic planning and awareness of game-day protocols. The following tips assist fans in making the most of their spring training experience.

1. **Purchase Early:** Secure tickets as soon as they become available to obtain the best seating options and pricing.
2. **Arrive Early:** Enjoy pre-game activities, batting practice, and player warm-ups by arriving well before game time.
3. **Utilize Parking and Transportation:** Research parking options or public transit to avoid delays and enhance convenience.
4. **Explore Stadium Amenities:** Take advantage of concessions, merchandise shops, and fan zones to enrich the experience.
5. **Stay Informed:** Monitor team announcements and weather conditions to prepare appropriately for each game.
6. **Bring Essentials:** Pack sunscreen, hats, and comfortable seating accessories for outdoor comfort during games.

## Frequently Asked Questions

### When do Cubs spring training season tickets go on sale?

Cubs spring training season tickets typically go on sale in late fall or early winter. It's best to check the official Cubs website or the Arizona Complex League announcements for exact dates.

### How can I purchase Cubs spring training season tickets?

You can purchase Cubs spring training season tickets through the official Chicago Cubs website, the Arizona Complex League box office, or authorized ticket vendors.

### Where is the Cubs spring training located?

The Chicago Cubs hold their spring training at Sloan Park in Mesa, Arizona.

### What is included in Cubs spring training season tickets?

Spring training season tickets usually include admission to all home spring training games at Sloan Park during the preseason schedule.

### Are Cubs spring training season tickets refundable?

Refund policies vary depending on the seller, but generally, Cubs spring training season tickets are non-refundable. Check the terms and conditions before purchasing.

## **Can I transfer or sell my Cubs spring training season tickets?**

Many ticket providers allow transfer or resale of Cubs spring training tickets through official platforms, but it's important to review the specific terms of your ticket purchase.

## **What are the benefits of buying Cubs spring training season tickets?**

Benefits include guaranteed entry to all home spring training games, potential discounts compared to single-game tickets, and priority access to special events.

## **Are Cubs spring training season tickets available for groups?**

Yes, group sales are often available for Cubs spring training games. Contact the Cubs ticket office or Sloan Park for group ticket packages and pricing.

## **How much do Cubs spring training season tickets typically cost?**

Prices vary based on seating location and package options, but generally range from \$200 to \$600 for a full spring training season ticket package.

## **Can I choose my seats when buying Cubs spring training season tickets?**

Yes, when purchasing season tickets, you can usually select your preferred seats at Sloan Park, subject to availability.

**cubs spring training season tickets: Wrigleyville** Peter Golenbock, 2007-04-01 For celebrated sportswriter Peter Golenbock, Wrigleyville is a symbol of America's fidelity to its greatest sport. As he did with classics of sports literature, *Bums* (a history of the Brooklyn Dodgers) and *Dynasty* (a history of the New York Yankees), Golenbock turns to a team that has won and broken the hearts of generations of fans; the Chicago Cubs. Utilizing dozens of personal interviews with players, coaches, fans, sportswriters, and clubhouse personnel, as well as out-of-print memoirs by nineteenth-century players, Peter Golenbock has created a perfect gift for every baseball fan: a book that entertains, warms the heart, and touches the soul. This updated edition includes material on Harry Caray's death, the magical seasons of Sammy Sosa and Kerry Wood, and the Cubs' 1998 playoff dive.

**cubs spring training season tickets: Cubs 100: A Century at Wrigley** Dan Campana & Rob Carroll, 2016 A collection of baseball tales, including highlights from the exciting 2015 season.

**cubs spring training season tickets: *Living the Dream*** Jim McArdle, 2009-03-01 Legendary broadcaster Jack Brickhouse once said any team can have a bad century. He was joking, of course, but the Chicago Cubs franchise, whose games he worked for decades, entered 2008 on the brink of making his words come painfully true. A number of expansion teams in the four major sports never have won a World Series, Super Bowl, Stanley Cup, or NBA title in their brief histories. But no team ever has gone 100 years without winning a championship. Following the Cubs' quest to avert that infamous distinction is the backdrop for *Living the Dream*, which, for author Jim McArdle, it truly was. McArdle, a former Cubs employee as editor of the official team magazine *Vine Line*, quit his job to devote himself completely to the 2008 Cubs' season. Thanks to clubhouse access generously offered by the team and an apartment located just beyond Wrigley's left-field fence, McArdle was uniquely positioned to compile this fascinating story.

**cubs spring training season tickets: *Wrigley Field Year by Year*** Sam Pathy, 2014-02-11 More than just a lavishly illustrated and highly readable book, *Wrigley Field Year-by-Year* is the result of a quarter century of meticulous research. Written by a baseball historian and recognized authority on "the Friendly Confines," this is the first book to detail each year of the storied park's existence. The book covers not only the Chicago Cubs and the Chicago Federal League baseball team in detail, it touches on the Chicago Bears football team, basketball, hockey, high school sports, track and field, and political rallies. It references activities and changes throughout the park and in its neighborhood on Chicago's North Side. In addition to pertinent Cubs statistics, the author's year-by-year coverage includes:

- A "game of the year"
- A description of unusual and interesting happenings in the ballpark
- A quote from the year that best captures its essence

Supplementing the year-by-year approach are nine chapters that divide Wrigley Field's storied history into nine "innings," along with informative appendixes that will delight every Cubs fan, from the casual to the obsessed. The book's easy-to-use format and wealth of information make it a resource that readers will turn to again and again. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad

range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

**cubs spring training season tickets: Under the March Sun** Charles Fountain, 2009-03-04 There is nothing in all of American sport quite like baseball's spring training. This annual six-week ritual, whose origins date back nearly a century and a half, fires the hearts and imaginations of fans who flock by the hundreds of thousands to places like Dodgertown to glimpse superstars and living legends in a relaxed moment and watch the drama of journeyman veterans and starry-eyed kids in search of that last spot on the bench. In *Under the March Sun*, Charles Fountain recounts for the first time the full and fascinating history of spring training and its growth from a shoestring-budget roadtrip to burn off winter calories into a billion-dollar-a-year business. In the early days southern hotels only reluctantly admitted ballplayers--and only if they agreed not to mingle with other guests. Today cities fight for teams by spending millions in public money to build ever-more-elaborate spring-training stadiums. In the early years of the 20th century, the mayor of St. Petersburg, Florida, Al Lang, first realized that coverage in northern newspapers every spring was publicity his growing city could never afford to buy. As the book demonstrates, cities have been following Lang's lead ever since, building identities and economies through the media exposure and visitors that spring training brings. An entertaining cultural history that taps into the romance of baseball even as it reveals its more hard-nosed commercial machinations, *Under the March Sun* shows why spring training draws so many fans southward every March. While the prices may be growing and the intimacy and accessibility shrinking, they come because the sunshine and sense of hope are timeless.

**cubs spring training season tickets: A Season for the Ages** Al Yellon, 2016-12-06 No doubt, you've heard about the Cubs' decades-long run of futility. They hadn't won a pennant in seventy-one years or a World Series in a record 108 years. To the frustration of Cubs fans everywhere, the team often missed chances with soul-crushing defeats. But after a complete teardown that resulted in a 100-loss season in 2012, Theo Epstein and his baseball staff reversed that with the Cubs of 2016, a team that was not only supremely talented, but cared nothing for all the media narratives of losing. They did things during the regular season that no Cubs club had done in more than a century, including earning the most wins for the franchise since 1910. The club went on to defeat the San Francisco Giants and Los Angeles Dodgers in the National League playoffs before beating the Cleveland Indians to win the World Series. Anthony Rizzo, MVP candidate Kris Bryant, Jake Arrieta, Jon Lester, manager Joe Maddon, and fan favorites like Javier Baez and David Ross are the heroes of the 2016 Cubs' story. Told by Al Yellon, managing editor of SB Nation's *Bleed Cubbie Blue*, *A Season to Remember* chronicles not only the 2016 Cubs' rise to the top of the baseball heap, but the team's—and the fans'—long journey to get there.

**cubs spring training season tickets: Plan** David Kaplan, Anthony Rizzo, Bud Selig, 2017-05-01 On October 12, 2011, Theo Epstein became the new Chicago Cubs president of baseball operations, flipping a switch on the lovable-loser franchise and initiating a plan to accomplish in Chicago what he'd succeeded in as general manager of the Boston Red Sox: ending a World Series drought. It would require a complete team tear-down and turnover, a new farm system foundation of young talent which Epstein and Cubs GM Jed Hoyer gradually added to with gutsy trades and timely signings. After years of rebuilding, Epstein's crystalline vision has been unquestionably realized in the form of one of the most exciting and talented teams in baseball, led by heavyweights like Anthony Rizzo and Kris Bryant as well as visionaries like manager Joe Maddon. In *The Plan*, David

Kaplan of CSN Chicago and ESPN Radio goes behind the scenes with the Cubs and their front office, walking the steps of their captivating rise to becoming 2016 World Series champions. Featuring exclusive interviews with Epstein, owner Tom Ricketts, and other team insiders, this is the definitive account of a new era on the North Side.

**cubs spring training season tickets: Seasons in the Sun** Roger D. Launius, 2002 The heart of professional baseball, if not its roots, may be found in the American Midwest, especially in Missouri. In *Seasons in the Sun*, Roger D. Launius offers an excellent overview of the teams, pennant races, trials, and triumphs of the different major-league teams that have resided in the state over the years. Since 1876, when St. Louis became a charter member of the newly formed National League, there have also been other major-league franchises from less well known leagues in St. Louis. The St. Louis major-league baseball experience is not limited to the extraordinary success and fame of the Cardinals, who have won more World Series championships than any other National League team. St. Louis also claims the excellent but short-lived Brown Stockings, the city's first entry into the National League; the American League's Browns, who spent most of their existence in the first half of the twentieth century at the bottom of the standings; the virtually forgotten Terriers of the Federal League in 1914-1915; and the Maroons of the pre-twentieth-century National League.

**cubs spring training season tickets: Mike Royko: The Chicago Tribune Collection 1984-1997** Mike Royko, 2014-11-04 Mike Royko: *The Chicago Tribune Collection 1984-1997* is an expansive new volume of the longtime Chicago news legend's work. Encompassing thousands of his columns, all of which originally appeared in the Chicago Tribune, this is the first collection of Royko work to solely cover his time at the Tribune. Covering politics, culture, sports, and more, Royko brings his trademark sarcasm and cantankerous wit to a complete compendium of his last 14 years as a newspaper man. Organized chronologically, these columns display Royko's talent for crafting fictional conversations that reveal the truth of the small-minded in our society. From cagey political points to hysterical take-downs of meatball sports fans, Royko's writing was beloved and anticipated anxiously by his fans. In plain language, he tells it like it is on subjects relevant to modern society. In addition to his columns, the book features Royko's obituary and articles written about him after his death, telling the tale of his life and success. This ultimate collection is a must-read for Royko fans, longtime Chicago Tribune readers, and Chicagoans who love the city's rich history of dedicated and insightful journalism.

**cubs spring training season tickets: Tampa Spring Training Tales** Rick Vaughn, 2024-03-11 Author Rick Vaughn uncovers the stories that keep Tampa's passion for the National Pastime burning. Since 1913, Tampa has provided the background for some of the Major League Baseball's most iconic spring moments led, of course, by the longest home run of Babe Ruth's career. Tampa was the scene of the Grapefruit League's first no-hitter and the only spring time All-star Game. It was the first gathering place of the Big Red Machine and the Core Four. Well over 125 Hall of Famers honed their craft among the city's three major league ballparks: Plant Field, Al Lopez Field and Steinbrenner Field. All of it resulted from a diverse city's love of the game that began with baseball-crazed cigar factory workers before the turn of the 20th century.

**cubs spring training season tickets: Waiting for the Cubs** Floyd Sullivan, 2014-01-10 This is a memoir of a diehard--a diehard fan who drove himself and his family half crazy to get to Cubs games that were 700 miles away from their home. Along the way Sullivan recounts the history of Cubs baseball, including events from the 1908 season, as well as reminiscences from other fans and stories of his own experience following a team that has gone more than a century without attaining that final win that would make them world champions.

**cubs spring training season tickets: Chicago Cubs Firsts** Al Yellon, 2024-06-04 In the more than 140-year-history of the Chicago Cubs, fans have been treated to countless firsts — well-known things such as the first Cubs Black player (Ernie Banks), the first night game at Wrigley (August 9, 1988 vs. the Mets), the first to win a Gold Glove and Silver Slugger in the same year (Ryne Sandberg), and the first Cubs pitcher to win the Cy Young Award (Ferguson Jenkins). The list goes on. In *Chicago Cubs Firsts*, Al Yellon presents the stories behind those and other firsts in Cubs

history in question-and-answer format. More than a mere trivia book, Yellon's collection includes substantive answers to the question of "Who (or when) was the first..." on a variety of topics, many of which will surprise even seasoned fans of the North Siders.

**cubs spring training season tickets: Fanatic** Jim Gorant, 2008-04 Gorant takes readers along as he searches out the top ten iconic sporting events, evoking the best (and sometimes worst) sports has to offer. Part adventure, part pilgrimage, he captures these events in all their color and commotion and reveals why sports matter so much to so many.

**cubs spring training season tickets: Spring Training Handbook** Josh Pahigian, 2013-06-12 Spring training is a time of renewal for baseball, when teams and fans descend on Florida and Arizona to begin the ever hopeful new season. The pace is a little slower, the fans are closer to the action, and the players are more accessible: the sport returns to its idyllic roots. When the first edition of this book was released, 18 of the MLB teams trained in Florida and 12 in Arizona. As 2013 arrives each league consists of 15 teams; together they utilize 14 parks in Florida and 10 in Arizona. This heavily illustrated work dedicates a chapter to each park, including modern Cactus League marvels like Camelback Ranch and Salt River Fields, and Grapefruit League bastions like Joker Marchant Stadium and McKechnie Field. Florida's Fenway Park replica, which opened in 2012, is included. In addition to profiling the five parks that have opened since the first edition, the author has updated the other chapters. Each provides a description of the park, and a recounting of its history, followed by a summary of the home team or teams' spring history. Next is a review of the park's seating, concessions and fan traditions. Each chapter concludes with information about nearby baseball landmarks and attractions.

**cubs spring training season tickets: Crossing the Line** Larry Moffi, 2006-12-01 From 1947, when Jackie Robinson joined the Brooklyn Dodgers, through 1959, when the Boston Red Sox became the last Major League team to integrate, more than a hundred African American baseball players crossed the color line and made it to the Major Leagues. Each of these players is profiled in this comprehensive book, which includes their statistics and capsule biographies, their triumphs and trials. Some of these players became superstars of the game and eventual Hall of Famers—Jackie Robinson, Ernie Banks, Hank Aaron, Roberto Clemente, Roy Campanella, and Bob Gibson; most were average players. All were pioneers, facing down the enormous difficulties of integrating organized baseball. The authors provide a new preface and appendix for this Bison Books edition.

**cubs spring training season tickets: *Comiskey Park's Last World Series*** Charles N. Billington, 2019-07-03 Charter members of the American League and the country's last neighborhood pro baseball franchise, the White Sox are one of the few teams of the power hitting-focused modern era to win a pennant with speed, pitching and defense. Covering the 1959 White Sox from a range of perspectives, the author examines the club's historical importance to Chicago and the significance of the '59 South Side Series—the first in 40 years. Many behind-the-scenes details are discussed, from the refined media markets of Golden Age baseball to the team's ancillary sources of revenue to the bitter legal feud between Charles Comiskey and Bill Veeck.

**cubs spring training season tickets: Opening Day in Milwaukee** Matthew J. Prigge, 2023-03-27 Opening day in Milwaukee is an event like no other in baseball—all the pomp and reverence for the return of the season, with a tailgate party like only Brewers fans know how to throw. Each opener creates treasured memories, like Hank Aaron's return to Milwaukee, Sixto Lezcano's walk-off grand slam, the momentous opening of Miller Park, Lorenzo Cain's game-saving grab or the debuts of a couple of kids named Yount and Molitor. Chronicling a half-century of baseball lore, this book relives 53 home openers and the traditions, oddball characters, unlikely heroes and Hall of Fame legends they featured.

**cubs spring training season tickets: Southwest USA** Lonely Planet,

**cubs spring training season tickets: The Rotarian** , 1933-04 Established in 1911, The Rotarian is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Ghandi to Kurt Vonnegut Jr. –

have written for the magazine.
