- Design and Features of Cubs Spring Training Shirts
- Where to Buy Authentic Cubs Spring Training Shirts
- Choosing the Right Cubs Spring Training Shirt
- Care and Maintenance of Cubs Spring Training Shirts

## History and Significance of Cubs Spring Training Shirts

The tradition of wearing specialized spring training apparel dates back several decades in Major League Baseball, with the Chicago Cubs being no exception. Cubs spring training shirts have evolved in design and popularity as the team's preseason schedule became more prominent. These shirts serve as a symbol of renewal and preparation, marking the transition from offseason to competitive play. For fans, they offer a tangible way to connect with the team during a period often filled with optimism and excitement.

## Origins of Spring Training Apparel

Spring training shirts originated as simple practice uniforms for players but gradually became popular merchandise items for fans. As baseball's spring training gained media attention, teams like the Cubs began producing exclusive apparel to commemorate the event. These shirts helped promote fan engagement and boosted merchandise sales.

## Role in Fan Culture

For Cubs supporters, these shirts are more than just clothing; they represent loyalty and enthusiasm throughout all phases of the baseball season. Wearing a Cubs spring training shirt is a way to showcase support during spring games, community events, and casual settings. The shirts often feature unique designs that are only available during spring training, making them sought-after collectible items.

## Design and Features of Cubs Spring Training Shirts

Cubs spring training shirts are designed with both aesthetics and functionality in mind. They typically incorporate the team's traditional colors—royal blue, red, and white—along with the iconic Cubs logo. These shirts vary from simple t-shirts to performance wear that enhances comfort during warm preseason weather.

## Materials and Fabric Technology

Most Cubs spring training shirts are made from lightweight, breathable fabrics such as cotton blends or moisture-wicking polyester. These materials ensure fans and players stay cool and comfortable during outdoor activities. Some shirts also include UV protection and quick-dry features to accommodate the springtime climate in Florida or Arizona, where spring training takes place.

## Design Elements and Variations

Designs range from classic logos and script fonts to modern graphic prints that celebrate the Cubs' heritage and current roster. Limited-edition shirts may feature player names, special spring training logos, or commemorative event graphics. Popular styles include:

- Graphic tee shirts with vintage Cubs logos
- Performance polos and dri-fit shirts
- Long-sleeve and short-sleeve options
- Hooded sweatshirts and lightweight jackets for cooler mornings

## Where to Buy Authentic Cubs Spring Training Shirts

Purchasing authentic Cubs spring training shirts requires attention to

official retailers and licensed merchandise providers. Authenticity ensures quality, proper design, and supports the team financially. Fans can find these shirts through multiple channels, both online and offline.

## **Official Team Stores**

The Chicago Cubs' official team store offers a wide selection of spring training shirts. These products are guaranteed authentic and often include exclusive designs unavailable elsewhere. Official stores also provide options for customization and special promotions during spring training season.

## **Sports Apparel Retailers**

Major sports retailers, both brick-and-mortar and online, carry licensed Cubs spring training apparel. Stores such as those specializing in MLB merchandise typically stock a variety of sizes and styles, catering to fans of all ages. It is important to verify the legitimacy of the retailer to avoid counterfeit products.

## **Special Events and Spring Training Venues**

Spring training games and events are prime opportunities to purchase limited-edition shirts directly from the source. Merchandise booths at Cubs spring training venues in Arizona or Florida offer exclusive items designed specifically for that year's training season.

## **Choosing the Right Cubs Spring Training Shirt**

Selecting the perfect Cubs spring training shirt involves considering factors such as fit, fabric, style, and intended use. Whether the shirt is for game day, casual wear, or collecting, certain criteria can help ensure satisfaction with the purchase.

### **Fit and Sizing**

Spring training shirts come in various fits, including regular, slim, and relaxed. Measuring chest and torso dimensions before purchasing helps achieve a comfortable fit. Many official retailers provide detailed sizing charts to assist shoppers in making informed decisions.

### **Fabric Preferences**

Depending on climate and activity level, fans may prefer breathable cotton for casual wear or moisture-wicking synthetic fabrics for outdoor use. Understanding the fabric composition can enhance comfort during warm spring days or cooler evenings.

## **Style and Design Considerations**

Choosing between classic and modern designs depends on personal taste and the desire to make a stylistic statement. Limited-edition prints or shirts featuring favorite players can add sentimental value. Additionally, color preferences and compatibility with other fan gear may influence the choice.

## **Care and Maintenance of Cubs Spring Training Shirts**

Proper care ensures that Cubs spring training shirts maintain their appearance and durability over multiple seasons. Following manufacturer guidelines and general fabric care practices is essential for preserving the shirt's quality.

### **Washing Instructions**

Most spring training shirts should be washed in cold water with like colors to prevent fading and shrinkage. Avoiding bleach and harsh detergents helps maintain the vibrancy of logos and prints. Turning shirts inside out before washing can also protect graphics.

### **Drying and Storage**

Air drying is recommended to preserve fabric integrity and prevent damage to printed elements. If machine drying is necessary, using a low heat setting minimizes risks. Storing shirts in a cool, dry place away from direct sunlight prevents discoloration and fabric degradation.

### **Handling Special Features**

For shirts with embroidery, patches, or special coatings, gentle handling is crucial. Spot cleaning and avoiding ironing directly on designs help extend the life of these features. Following specific care labels ensures the longevity of all components of the shirt.

## **Frequently Asked Questions**

### **Where can I buy an official Cubs spring training shirt?**

You can purchase official Cubs spring training shirts at the Chicago Cubs team store, MLB Shop online, and various licensed sports retailers.

## **What materials are commonly used in Cubs spring training shirts?**

Cubs spring training shirts are typically made from lightweight, breathable materials like polyester or a polyester-cotton blend to keep players and fans cool.

## **Are Cubs spring training shirts different from regular season jerseys?**

Yes, Cubs spring training shirts often feature unique designs, colors, and logos specific to the spring training season, different from the regular season jerseys.

## **How do I find the right size for a Cubs spring training shirt?**

Check the size chart provided by the retailer, and consider customer reviews for fit advice. Measuring your chest and comparing it to the chart helps ensure the best fit.

## **Can I customize a Cubs spring training shirt with a player's name and number?**

Many retailers offer customization options for Cubs spring training shirts, allowing you to add a player's name and number or even personalize it with your own name.

## **Additional Resources**

### *1. The Ultimate Guide to Cubs Spring Training Shirts*

This book explores the history and evolution of Cubs spring training shirts, detailing their design changes and the significance behind each season's style. Fans will appreciate the insider stories about the creation process and the ways these shirts have become collector's items. It also includes tips on how to authenticate vintage shirts and maintain their quality.

### *2. Chicago Cubs Spring Training: A Fashion History*

Delve into the world of baseball fashion with a focus on the Chicago Cubs' spring training apparel. This book highlights the cultural impact of the Cubs' spring training shirts and how they've influenced sportswear trends. Illustrated with rare photos and interviews with designers, it offers a unique perspective on this niche aspect of baseball memorabilia.

### *3. Collecting Cubs Memorabilia: Spring Training Shirts Edition*

A must-have for collectors, this guide covers everything about Cubs spring training shirts from rare finds to limited editions. It provides detailed

descriptions, market values, and advice on where to source authentic items. The book also shares stories from passionate collectors and their prized spring training shirts.

#### 4. *The Cubs' Spring Training: Behind the Scenes*

**cubs spring training shirt: The Cubs Way** Tom Verducci, 2018-04-03 The New York Times Bestseller With inside access and reporting, Sports Illustrated senior baseball writer and FOX Sports analyst Tom Verducci reveals how Theo Epstein and Joe Maddon built, led, and inspired the Chicago Cubs team that broke the longest championship drought in sports, chronicling their epic journey to become World Series champions. It took 108 years, but it really happened. The Chicago Cubs are once again World Series champions. How did a team composed of unknown, young players and supposedly washed-up veterans come together to break the Curse of the Billy Goat? Tom Verducci, twice named National Sportswriter of the Year and co-writer of *The Yankee Years* with Joe Torre, will have full access to team president Theo Epstein, manager Joe Maddon, and the players to tell the story of the Cubs' transformation from perennial underachievers to the best team in baseball. Beginning with Epstein's first year with the team in 2011, Verducci will show how Epstein went beyond Moneyball thinking to turn around the franchise. Leading the organization with a manual called *The Cubs Way*, he focused on the mental side of the game as much as the physical, emphasizing chemistry as well as statistics. To accomplish his goal, Epstein needed manager Joe Maddon, an eccentric innovator, as his counterweight on the Cubs' bench. A man who encourages themed road trips and late-arrival game days to loosen up his team, Maddon mixed New Age thinking with Old School leadership to help his players find their edge. *The Cubs Way* takes readers behind the scenes, chronicling how key players like Rizzo, Russell, Lester, and Arrieta were deftly brought into the organization by Epstein and coached by Maddon to outperform expectations. Together, Epstein and Maddon proved that clubhouse culture is as important as on-base-percentage, and that intangible components like personality, vibe, and positive energy are necessary for a team to perform to their fullest potential. Verducci chronicles the playoff run that culminated in an instant classic Game Seven. He takes a broader look at the history of baseball in Chicago and the almost supernatural element to the team's repeated losses that kept fans suffering, but also served to strengthen their loyalty. *The Cubs Way* is a celebration of an iconic team and its journey to a World Championship that fans and readers will cherish for years to come.

**cubs spring training shirt: Our Team—Our Dream**, 2007-08-01 A trip into the world of a Cubs fan, this brilliant collection of photos and insightful essays highlights 15 years with the Chicago Cubs, from the winter Cubs Convention to their springs in Mesa and, finally, to the Friendly Confines during the season. This passionate photo documentary is a must-have for any and all Cubs fans who love to reminisce about past seasons while looking forward to the future with unguarded optimism. *Our Team—Our Dream* puts the Cubbies and the throngs of fans who flock to Wrigleyville on display in one memorable collection.

**cubs spring training shirt: Cactus League** Susie Steckner, The Mesa Historical Museum, 2012 Arizona's baseball roots run long and deep, but the star of the show is the Cactus League. The state's spring training history is filled with social, political, and cultural intrigue, not to mention a roster of baseball greats. Early on, fans watched Joe DiMaggio, Ted Williams, Willie Mays, and the American League's first black player, Larry Doby. Beyond the field, baseball became part of the state's social fabric, as players and fans alike flocked to watering holes, hotels, parades, and a desert resort famous for its mineral baths. History also saw a political battle to save the Cactus League and fend off Florida's attempts to dominate spring training. Today, the Cactus League is a 15-team powerhouse that holds court in Arizona each spring.

**cubs spring training shirt: Let's Play Two** Ron Rapoport, 2019-03-26 The definitive and revealing biography of Chicago Cubs legend Ernie Banks, one of America's most iconic, beloved, and misunderstood baseball players, by acclaimed journalist Ron Rapoport. Ernie Banks, the first-ballot Hall of Famer and All-Century Team shortstop, played in fourteen All-Star Games, won two MVPs, and twice led the Major Leagues in home runs and runs batted in. He outslugged Willie Mays, Hank Aaron, and Mickey Mantle when they were in their prime, but while they made repeated World Series appearances in the 1950s and 60s, Banks spent his entire career with the woebegone Chicago Cubs, who didn't win a pennant in his adult lifetime. Today, Banks is remembered best for his signature phrase, Let's play two, which has entered the American lexicon and exemplifies the enthusiasm that endeared him to fans everywhere. But Banks's public display of good cheer was a mask that hid a deeply conflicted, melancholy, and often quite lonely man. Despite the poverty and racism he endured as a young man, he was among the star players of baseball's early days of integration who were reluctant to speak out about Civil Rights. Being known as one of the greatest players never to reach the World Series also took its toll. At one point, Banks even saw a psychiatrist to see if that would help. It didn't. Yet Banks smiled through it all, enduring the scorn of Cubs manager Leo Durocher as an aging superstar and never uttering a single complaint. Let's Play Two is based on numerous conversations with Banks and on interviews with more than a hundred of his family members, teammates, friends, and associates as well as oral histories, court records, and thousands of other documents and sources. Together, they explain how Banks was so different from the caricature he created for the public. The book tells of Banks's early life in segregated Dallas, his years in the Negro Leagues, and his difficult life after retirement; and features compelling portraits of Buck O'Neil, Philip K. Wrigley, the Bleacher Bums, the doomed pennant race of 1969, and much more from a long-lost baseball era.

**cubs spring training shirt: Spring Training Handbook** Josh Pahigian, 2013-06-12 Spring training is a time of renewal for baseball, when teams and fans descend on Florida and Arizona to begin the ever hopeful new season. The pace is a little slower, the fans are closer to the action, and the players are more accessible: the sport returns to its idyllic roots. When the first edition of this book was released, 18 of the MLB teams trained in Florida and 12 in Arizona. As 2013 arrives each league consists of 15 teams; together they utilize 14 parks in Florida and 10 in Arizona. This heavily illustrated work dedicates a chapter to each park, including modern Cactus League marvels like Camelback Ranch and Salt River Fields, and Grapefruit League bastions like Joker Marchant Stadium and McKechnie Field. Florida's Fenway Park replica, which opened in 2012, is included. In addition to profiling the five parks that have opened since the first edition, the author has updated the other chapters. Each provides a description of the park, and a recounting of its history, followed by a summary of the home team or teams' spring history. Next is a review of the park's seating, concessions and fan traditions. Each chapter concludes with information about nearby baseball landmarks and attractions.

**cubs spring training shirt: Mr. Wrigley's Ball Club** Roberts Ehergott, 2013-04-01 Chicago in the Roaring Twenties was a city of immigrants, mobsters, and flappers with one shared passion: the Chicago Cubs. It all began with the decision of the chewing-gum tycoon William Wrigley to build the world's greatest ball club in the nation's Second City. In this Jazz Age center, the maverick Wrigley exploited the revolutionary technology of broadcasting and attracted eager throngs of women to his renovated ballpark. Mr. Wrigley's Ball Club transports us to this heady era of baseball history and introduces the team at its crazy heart—an amalgam of rakes, pranksters, schemers, and choirboys who take center stage in memorable successes and disasters. Readers take front-row seats to meet one Hall of Famer after another—Grover Cleveland Alexander, Rogers Hornsby, Joe McCarthy, Lewis “Hack” Wilson, Gabby Hartnett. The cast of characters also includes their colorful if less-sung teammates and the Cubs' nemesis, Babe Ruth, who terminates the ambitions of Mr. Wrigley's ball club with one emphatic swing.

**cubs spring training shirt: Cubs by the Numbers** Al Yellon, Kasey Ignarski, Matthew Silverman, 2016-09-06 What do Dizzy Dean, Catfish Metkovich, John Boccabella, Bill Buckner, Mark

Prior, and Jason Heyward all have in common? They all wore number 22 for the Chicago Cubs, even though eight decades have passed between the last time Dizzy Dean buttoned up a Cubs uniform with that number and the first time outfielder Jason Heyward performed the same routine. Since the Chicago Cubs first adopted uniform numbers in 1932, the team has handed out only 77 numbers to more than 1,500 players. That's a lot of overlap. It also makes for a lot of good stories. Newly updated, *Cubs by the Numbers* tells those stories for every Cub since '32, from current staff ace Jake Arrieta to former third baseman turned division-winning manager Don Zimmer. This book lists the players alphabetically and by number; these biographies help trace the history of baseball's most beloved team in a new way. For Cubs fans, anyone who ever wore the uniform is like family. *Cubs by the Numbers* reintroduces readers to some of their long-lost ancestors, even those they think they already know. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

**cubs spring training shirt: The Book of Joe** Joe Maddon, Tom Verducci, 2022-10-11 Lessons in baseball enlightenment from three-time MLB Manager of the Year Joe Maddon. No one sees baseball like Joe Maddon. He sees it through his trademark glasses and irrepressible wit. Raised in the "shot and beer" town of Hazleton, PA, and forged by 15 years in the minors, Maddon over 19 seasons in Tampa Bay, Chicago, and Anaheim has become one of the most successful, most colorful, and most quoted managers in Major League Baseball. He is a workplace culture expert, having engineered two of the most stunning turnarounds in the past quarter century: taking the Rays from the worst record in baseball one year to the World Series the next and leading the Cubs to their first World Series title in 108 years. Like his teams, Maddon defies convention. He is part strategist, part philosopher, part sports psychologist, and part motivational coach. In *THE BOOK OF JOE*, Maddon gives readers unique insights into the game, including the tension between art and data, the changing role of managers as front offices gain power, why the honeymoon with the Cubs did not last, and what it's like to manage the modern player, including stars such as Shohei Ohtani, Mike Trout, Albert Pujols, Yu Darvish, and Kris Bryant. But you expect even more from a manager who meditates daily, admires Twain, and has only one rule when it comes to a team dress code: "If you think you look hot, wear it!" And Maddon delivers. Built on old school values and new-school methods, his wisdom applies beyond the dugout. His mantras about leadership, mentorship, team building, and communication are meditations on life, not just baseball. Among those mantras are: "Do simple better." "Try not to suck." "Don't ever permit the pressure to exceed the pleasure." "See it with first-time eyes." "Tell me what you think, not what you've heard." *THE BOOK OF JOE* is Maddon at his uniquely holistic best. It is a memoir of a fascinating baseball journey, an insider's look at a changing game, and a guidebook on leadership and life.

**cubs spring training shirt: Under the March Sun** Charles Fountain, 2009-03-04 There is nothing in all of American sport quite like baseball's spring training. This annual six-week ritual, whose origins date back nearly a century and a half, fires the hearts and imaginations of fans who flock by the hundreds of thousands to places like Dodgertown to glimpse superstars and living legends in a relaxed moment and watch the drama of journeyman veterans and starry-eyed kids in search of that last spot on the bench. In *Under the March Sun*, Charles Fountain recounts for the first time the full and fascinating history of spring training and its growth from a shoestring-budget roadtrip to burn off winter calories into a billion-dollar-a-year business. In the early days southern hotels only reluctantly admitted ballplayers--and only if they agreed not to mingle with other guests.

Today cities fight for teams by spending millions in public money to build ever-more-elaborate spring-training stadiums. In the early years of the 20th century, the mayor of St. Petersburg, Florida, Al Lang, first realized that coverage in northern newspapers every spring was publicity his growing city could never afford to buy. As the book demonstrates, cities have been following Lang's lead ever since, building identities and economies through the media exposure and visitors that spring training brings. An entertaining cultural history that taps into the romance of baseball even as it reveals its more hard-nosed commercial machinations, *Under the March Sun* shows why spring training draws so many fans southward every March. While the prices may be growing and the intimacy and accessibility shrinking, they come because the sunshine and sense of hope are timeless.

**cubs spring training shirt: *Waiting for the Cubs*** Floyd Sullivan, 2014-01-10 This is a memoir of a diehard--a diehard fan who drove himself and his family half crazy to get to Cubs games that were 700 miles away from their home. Along the way Sullivan recounts the history of Cubs baseball, including events from the 1908 season, as well as reminiscences from other fans and stories of his own experience following a team that has gone more than a century without attaining that final win that would make them world champions.

**cubs spring training shirt: *Beerball*** Ed Gaus, 2001-07-18 A look at the rich, colorful history of St. Louis professional baseball teams

**cubs spring training shirt: *Baseball and the Media*** George Castle, 2016-07-01 What sports fans read, watch, and listen to at home often isn't the real story coming out of the locker room or the front office. George Castle should know: he's covered baseball in Chicago for decades and witnessed the widening gulf between the media and the teams they're supposed to cover—and the resulting widespread misinformation about the inner workings of the game. In this book, Castle chronicles from the inside the decline of baseball reporting and shows in clear and practical terms how ill-served today's sports followers are by those they trust for the straight story. Charting the path of a veteran sports reporter's career, *Baseball and the Media* traces the changes in baseball coverage from the days of the old-time players and scribes to the no-holds-barred (and no facts checked) sports-talk radio of our time. Along the way, Castle introduces readers to the politics of baseball media (does sports journalism actually have its red and blue states?), documents the transformation of athletes from role models to sports-media celebrities, including emblematic characters such as LaTroy Hawkins and Carl Everett, and illuminates the profound changes in the way sports in general—and baseball in particular—are conveyed to its avid consumers, who are the losers in the end.

**cubs spring training shirt: *Spring Training*** Dan Shaughnessy, Stan Grossfeld, 2003 Before the purpose-pitch that zips inches from the batter's head, before greenfly autograph-seekers stalk hotel lobbies, before thousands of fans stand up and boo in 50,000-seat stadiums, before the proverbial dog days of summer and the pressure-packed moments of October . . . there is sweet spring. The long hello. Baseball's early season. The words spring training have long held special power over baseball fans. They signal the arrival of fresh air and sunshine after a long winter devoid of bare feet and box scores. The chance to see the game up close and personal, in beautiful slow motion. No other sport undergoes this slow, glorious unfolding. And no other book captures baseball's rite of passage in all its magic. Come on a wild ride through spring training's many attractions and peculiarities, from Florida to Arizona, the National to the American League, the dugouts to Section D. Glimpse retirees in Hawaiian shirts singing *Take Me Out to the Ball Game*, million-dollar players taking it easy on the field and in the bars, young rookies flashing their skills, grizzled vets going through the motions, wide-eyed children dressed from head to toe in their favorite team's garb. It's all here, from Alligator Alley to Cactus Way, sit-ups to sunblock, home runs to hangovers -- a lively tribute to America's favorite pastime in its purest, most wonderful form.

**cubs spring training shirt: *The Tall Mexican: The Life of Hank Aguirre, All-Star Pitcher, Businessman, Humanitarian*** Robert E. Copley, 2000-02-29 A biography of the All-Star major-league pitcher whose commitment to his Hispanic heritage led him to found Mexican

Industries to help provide economic opportunities to the inner-city Detroit community.

**cubs spring training shirt: The Baseball Hall of Shame** Bruce Nash, Allan Zullo, 2012-03-06 From 1985 to 1992, The Baseball Hall of Shame series chronicled more than 100 years of baseball goofs and gaffes, selling more than 700,000 copies. Now, the authors of the most offbeat baseball books ever written are back, featuring their looniest lineup of classic stories and inducting their first new class of Hall of Shamers in twenty years. Bruce Nash and Allan Zullo cover everything from the battiest batters and craziest fielding fiascoes to the dumbest ballpark promotions and screwiest fan behavior. Hall of Shamers include outfielder Lou The Mad Russian Novikoff, who insisted his wife taunt him from the stands because it made him a better hitter... Pitcher Burleigh Grimes, who was so mean that he threw a beanball at the on-deck hitter... Outfielder Ping Bodie, who out-ate Percy the ostrich for the spaghetti-eating championship of the world... and Babe Ruth, who wore ladies' silk stockings for good luck. Among the new inductees are Ken Griffey Jr., who put a cow in manager Lou Piniella's office to pay off a steak dinner bet... Manny Ramirez, who abandoned left field to go to the bathroom during a game... and David Big Papi Ortiz, whose underwear was smeared with peanut butter as payback for the pranks he pulled on teammates. Filled with more than 200 stories and packed with photos, The Baseball Hall of Shame: The Best of Blooperstown is the most hilarious homage to the national pastime ever assembled, and a fitting testament to the Hall's motto: Fame and shame are part of the game.

**cubs spring training shirt: Baseball Hall of Shame™** Bruce Nash, Allan Zullo, 2012-03-06 From 1985 to 1992, The Baseball Hall of Shame series chronicled more than 100 years of baseball goofs and gaffes, selling more than 700,000 copies. Now, the authors of the most offbeat baseball books ever written are back, featuring their looniest lineup of classic stories and inducting their first new class of Hall of Shamers in twenty years. **cubs spring training shirt: I'd Rather be a Yankee** John Tullius, 1986 A history of the New York Yankees in the words of players, managers, owners, and opposing team members.

**cubs spring training shirt: The Rough Guide to Los Angeles** Jeff Dickey, 2003 Fully updated, this irreverent guide to the City of Angels focuses on both the major tourist destinations as well as lesser-known gems and curiosities. A colour photograph section brings the city's highlights to life, from the Hollywood Hills to Santa Monica Boulevard. Each chapter gives detailed coverage of each area's attractions, from accommodation and restaurants to galleries, shops, sports activities and child-oriented diversions. There are also feature articles on such subjects as Hollywood, LA on film, architecture and LA people.

**cubs spring training shirt: Wrigleyworld** Kevin Kaduk, 2006-03-28 In 2016 the Chicago Cubs finally won the World Series after a 108 year losing streak. But before that, never say die" was a way of life for Cubs fans, including sportswriter Kevin Kaduk... In the summer 2005 season, in a fit of nostalgic, heartfelt (and possibly insane) loyalty to his "Lovable Losers," Kevin quit his job as a sportswriter in Kansas City and moved back to the Windy City on a quest to find the heart and soul of what has come to be known as "Wrigleyville." As Kevin searched for answers, he found one hell of a good time. In this rollicking exploration of baseball and blind faith, he weaves a riveting tale of the

team that stole his heart—and the life of the neighborhood surrounding baseball's most historic ballpark. He takes us from the famed ivy-fronted bleachers in Wrigley Field to the full-blast party atmosphere that vibrates through the surrounding blocks every game day. He visits the rooftops across the street from the field where the beer is ice cold and the bratwurst never stops coming and explores the depths of Wrigleyville's bar scene, where raucous celebration and heartrending commiseration are all too common. So crack open a cold one, and get ready to experience the true adventures of Kevin Kaduk—a man who took himself out to the ballgame, bought himself some peanuts and Cracker-Jack...and never came back.
