

dad laughing at son during interview

dad laughing at son during interview moments have become a notable topic in the realm of viral interviews and social media content. These incidents often capture the unexpected and genuine reactions that occur in high-pressure situations such as job interviews, media interviews, or even school presentations. The phrase "dad laughing at son during interview" highlights the complex dynamics between family members in public or semi-public settings, revealing layers of humor, embarrassment, support, or even tension. This article explores the various contexts in which a dad laughing at his son during an interview can occur, the psychological and social implications of such moments, and tips on how to handle them professionally. Additionally, the discussion will include the potential impact on the son's confidence, the father-son relationship, and public perception. Understanding these aspects is essential for interpreting why these moments resonate and how they can be navigated effectively. Below is a detailed overview of the key points covered in this article.

- Understanding the Context of Dad Laughing at Son During Interview
- Psychological Impact on the Son
- Social and Cultural Interpretations
- Handling Embarrassment and Maintaining Professionalism
- Media and Viral Moments Featuring Dad Laughing at Son
- Advice for Fathers and Sons in Public Interview Settings

Understanding the Context of Dad Laughing at Son During Interview

The phenomenon of a dad laughing at his son during an interview can occur in various settings ranging from formal job interviews to informal media appearances.

Understanding the context in which this laughter happens is crucial to interpreting its meaning and consequences. In some cases, the laughter may be a reaction to a humorous or unexpected statement made by the son, reflecting a moment of lightheartedness. In other situations, the laughter might be perceived as teasing, embarrassment, or even disapproval, which can affect the dynamics of the interaction.

Types of Interviews Where This Occurs

Dad laughing at son during interview moments are most commonly seen in:

- Job interviews, especially when family members are present
- Television or media interviews involving family stories or achievements
- School or college interviews with parental attendance
- Informal interviews or podcasts featuring family interactions

The setting often influences whether the laughter is taken as supportive humor or as a source of discomfort.

Reasons Behind the Laughter

The reasons why a father might laugh at his son during an interview are diverse. It could be due to the son's nervousness, a funny mistake, or a light moment meant to ease tension. Sometimes, the laughter is spontaneous and shows the father's pride or amusement.

Psychological Impact on the Son

The psychological effects on the son when a dad laughs at him during an interview can vary widely depending on the nature and intent of the laughter. While some sons may feel encouraged and supported by their father's humor, others might experience embarrassment, anxiety, or diminished confidence.

Positive Psychological Effects

When the laughter is perceived as supportive or playful, it can:

- Reduce stress and nervousness during the interview
- Enhance the son's comfort level, making the experience more enjoyable
- Strengthen the father-son bond through shared humor

Negative Psychological Effects

Conversely, if the laughter is perceived as mocking or dismissive, it may lead to:

- Feelings of embarrassment and humiliation
- Lowered self-esteem and confidence in public speaking
- Strained family relationships due to perceived lack of support

Social and Cultural Interpretations

The interpretation of a dad laughing at his son during an interview is influenced by social and cultural norms. Different cultures have varying perceptions of humor, respect, and family dynamics, which shape how such moments are viewed by audiences and participants alike.

Cultural Variations in Family Humor

In some cultures, teasing and laughter within families, even in formal settings, are common and seen as expressions of affection. In others, maintaining a serious demeanor is valued, making such laughter potentially inappropriate or disrespectful.

Public Perception and Social Media Influence

With the rise of social media, clips of dads laughing at their sons during interviews can quickly go viral, leading to widespread public commentary. Social media users may interpret the laughter in various ways, sometimes sympathizing with the son, other times praising the father's humor. This public scrutiny can amplify the impact of the incident beyond the original setting.

Handling Embarrassment and Maintaining Professionalism

When a dad laughs at his son during an interview, managing the situation with professionalism is essential to minimize negative effects and maintain the integrity of the interview process. Both fathers and sons can adopt strategies to handle such moments

effectively.

Tips for Sons to Manage Embarrassment

- Maintain composure and focus on the interview questions
- Use humor to diffuse tension if appropriate
- Take deep breaths and pause before responding to regain confidence
- Recognize the intent behind the laughter and try not to take it personally

Advice for Fathers to Support Their Sons

- Avoid laughter that might be perceived as mocking or dismissive
- Provide encouragement and positive reinforcement during interviews
- Communicate privately after the interview if concerns arise
- Maintain a supportive and respectful demeanor in public settings

Media and Viral Moments Featuring Dad Laughing at Son

Instances of dads laughing at their sons during interviews have become popular content on social media platforms and video-sharing websites. These viral moments often highlight the unpredictability and authenticity of family interactions in public forums.

Examples of Viral Videos

Several videos have gained attention for capturing dads laughing during their sons' interviews, showcasing a range of reactions from lighthearted fun to awkward embarrassment. These clips often spark discussions on parenting styles, interview etiquette, and family relationships.

Impact on Public Awareness

These viral moments have contributed to a broader understanding of how family dynamics play out in public settings and the importance of emotional intelligence during interviews. They also emphasize the need for empathy and support in high-pressure situations.

Advice for Fathers and Sons in Public Interview Settings

Preparing for interviews that involve family members requires awareness and tact to ensure a positive experience for all parties involved. Both fathers and sons can take proactive steps to foster a respectful and supportive environment.

Preparation Strategies

- Discuss expectations and boundaries before the interview
- Practice interview scenarios to build confidence
- Agree on appropriate behavior and reactions during the interview
- Focus on mutual support and constructive communication

Maintaining Professionalism Together

Fathers and sons should strive to present themselves as a cohesive team, balancing warmth and professionalism. This approach not only enhances the interview experience but also leaves a positive impression on interviewers and audiences.

Frequently Asked Questions

Why did the dad laugh at his son during the interview?

The dad laughed because his son gave a funny or unexpected answer during the interview, which caught him off guard and made the moment lighthearted.

Is it appropriate for a dad to laugh at his son during a job interview?

Generally, it is considered unprofessional for a parent to laugh at their child during a job interview, as it may embarrass the candidate and affect their performance.

How can a dad support his son during a stressful interview?

A dad can support his son by offering encouragement, helping him prepare beforehand, and maintaining a calm and positive demeanor during the interview without causing distractions.

What should a son do if his dad laughs during his interview?

The son should try to stay focused and composed, not take the laughter personally, and continue answering questions confidently to demonstrate professionalism.

Has the moment of a dad laughing during his son's interview gone viral online?

Yes, videos or stories of dads laughing during their sons' interviews have gone viral on social media, often because they highlight humorous or relatable family dynamics.

Additional Resources

1. Fatherly Chuckles: When Dad Can't Stop Laughing During Your Big Moment

This humorous and heartfelt book explores the often unexpected reactions dads have during their children's important milestones, especially interviews. It delves into the reasons behind a father's laughter—whether from pride, nerves, or sheer joy. Readers will find relatable stories and advice on handling those awkward yet memorable moments with love and humor.

2. The Interview Laugh: A Son's Tale of Dad's Uncontrollable Giggles

A lighthearted memoir detailing a son's experience of his father bursting into laughter mid-interview, turning a serious occasion into a cherished memory. The book captures the dynamics of father-son relationships and the power of laughter to ease tension. It's perfect for anyone who's faced unexpected humor in high-pressure situations.

3. Laughing Through Life: How Dad's Laughter Made My Interview Unforgettable

This inspiring book highlights how humor, especially from a loved one, can transform stressful events into joyful experiences. Through personal anecdotes and reflections, the author shares how his dad's laughter during an interview became a symbol of support and affection. It offers readers insight into embracing imperfections and finding happiness in unexpected moments.

4. *The Dad Who Couldn't Keep a Straight Face: Stories from Interviews and Beyond*

A compilation of humorous and touching stories where fathers' laughter unexpectedly changes the course of important events, including job interviews. The book explores the reasons behind these moments and their lasting impact on family bonds. It's a celebration of the imperfect yet endearing nature of parent-child relationships.

5. *When Dad Laughs: Navigating Embarrassment and Love in Father-Son Interviews*

This book provides guidance on managing the mix of embarrassment and affection when a dad laughs during a son's interview. Combining psychological insights with real-life examples, it helps readers understand the emotional complexity behind such reactions. It also offers practical tips for maintaining composure and strengthening family ties through humor.

6. *Uncontrollable Laughter: A Father's Unexpected Reaction During My Interview*

An engaging narrative focusing on a father's spontaneous laughter during his son's crucial interview and the ripple effects it had on their relationship. The story emphasizes the importance of embracing vulnerability and finding joy in imperfect moments. Readers will appreciate the candid exploration of family dynamics and emotional expression.

7. *Giggles in the Boardroom: Dad's Laugh That Changed My Interview*

This book recounts a unique interview experience where a father's laughter lightened the atmosphere and altered the outcome. It discusses how humor can be a powerful tool in professional and personal settings alike. The narrative encourages readers to value authenticity and the unexpected ways love can manifest.

8. *From Laughter to Lessons: What Dad's Laugh Taught Me About Confidence*

A motivational read that transforms an awkward moment—dad laughing during an interview—into a profound lesson about self-confidence and resilience. The author shares how this moment became a turning point in his personal growth and relationship with his father. The book inspires readers to find strength in humor and family support.

9. *The Sound of Laughter: Father-Son Moments That Define Us*

Exploring the deeper meaning behind a father's laughter in critical moments, this book reflects on how such instances shape identity and relationships. Through touching stories, it reveals the blend of love, pride, and humor that characterize father-son bonds. It's a tribute to the lasting impact of shared laughter during life's pivotal events.

dad laughing at son during interview: *Fatherhood and Love* Alexandra Macht, 2019-09-26

This book explores how contemporary men understand love in the realm of family life and how they integrate it into their identity. Drawing from Ian Burkitt's aesthetic theory of emotions, Macht

presents rich data from qualitative interviews and observations with Scottish and Romanian involved fathers, to reveal how they maintain closeness to their children, their partners and their own family of origin. Reflecting on distances, separations, power, worry and intergenerational experiences of love Fatherhood and Love hypothesizes that fathers' identities and emotionality rely on a variety of social relationships in their intimate environment. A new concept, 'emotional bordering', is introduced, to portray the tensions inherent in fathers' identities and illuminate why gender progress happens slowly. Engaging with literature on love, masculinity, culture and father's involvement from a unique perspective, this book will be of interest to students and scholars across a range of social science disciplines.

dad laughing at son during interview: *Laugh* Barbara N. Alvarez, 2022-11-03 *Laugh* was written because I wanted a comedy of a Christian family that loved life and was rooted and grounded in the faith of Jesus Christ, our Savior. *Laugh* expressed a real example of how Christian families enjoy the blessings of God from day-to-day.

dad laughing at son during interview: *The Prey Gets the Last Laugh* Mahmud Shareef, 2019-07-17 Gordon is a poor black man in America. While he doesn't exactly have a clean slate, he isn't bad enough to be chased down and arrested by the police-but it still happens. Two hours later, he dies in the police car, driven by two white officers, one of who has an immense hatred for black people. Gordon's death is ruled an accident. Police officer Anthony supports white supremacy. He believes black people should be slaves to the white man, so he feels no guilt when Gordon dies, even though he knows it wasn't an accident. Gordon was murdered. His death is questioned all over the United States, but there is no justice since the police department suppresses the truth. Instead of receiving hate, Anthony is greeted with love and called a hero. It appears he has gotten away with his crime. He concealed the truth from society ... but will he be able to conceal the truth from his own conscience? Due to his actions, Anthony's soul is irrevocably bruised.

dad laughing at son during interview: *We Had Some Laughs* Dan Waddell, 2016-05-19 As 'the voice of darts', the inimitable Sid Waddell helped transform it from an unfashionable pub game to a massively successful international sport. His uninhibited enthusiasm, classical allusions and memorable one-liners endeared him to millions. His son Dan Waddell grew up in this smoky, boozy world and witnessed Sid's turbulent journey from failed novelist and struggling TV producer to much-loved television personality. *We Had Some Laughs* is Dan's warm, moving and funny account of Sid's colourful life and career and a son's memories of an unconventional dad. It is also a celebration of a way of life and a story of loss - of people, places and times now gone or changed for ever. But, most of all, it's a story about fathers and sons, and the unshakeable bond between them.

dad laughing at son during interview: *Now That's Funny!* Peter Desberg, Jeffrey Davis, 2017-06-07 There is a feeling of pure delight that comes from laughing out loud while watching a hilarious movie or a TV show. Yet as funny as these lines may be, they are the work of people you will never see. The magic behind any comedy hit begins when an idea is hatched in the mind of a comedy writer and is then put down on paper. And while few of us are privy to this fascinating process, for writers Peter Desberg and Jeffrey Davis, the challenge of observing and understanding how comedy is born has culminated in a unique new book, *Now That's Funny!* Desberg and Davis provide an intimate look into the minds of twenty-four of Hollywood's funniest comedy writers, who have given us such shows as: *Saturday Night Live* *Monk* *Everybody Loves Raymond* *The Simpsons* *Frasier* *Maude* *Home Improvement* *Valerie* *Modern Family* *Cheers* *There's Something about Mary* *The Honeymooners* *Suddenly Susan* *Newhart* *Sabrina* *the Teenage Witch* *Archie* *Bunker's Place* *The Tracey Ullman Show* *Wings* *Who's The Boss?* and more How do you get to see the creative wheels turn? The authors' premise was simple: Using a Q and A format, they provided each writer with a story idea and let them run with it. Each of the writers was told there were no rules, no boundaries, and no limits! Because everyone started with the same concept, the authors could see how some writers jumped in and began creating, while others asked lots of questions; how some writers stuck closely to the premise, while others turned it on its head. What emerges is an entertaining look—illuminating and hilarious in turn—at the creative process behind hit TV shows and movies. If

you're one of the millions who have enjoyed watching the work of comedy writers, here is an opportunity to go behind the scenes and see the madness unfold. Now that's funny!

dad laughing at son during interview: The Thunder in His Head Gene Gant, 2012-05-15
Sequel to *Everything We Shut Our Eyes To* Kyle Manning is a tall, strong, openly gay sixteen-year-old who makes decent grades and plays on his school's basketball team. He's a good kid who cares deeply about his family and friends. But his life has become a mess. His mom, Lela, has finally had enough of her husband Joe's serial cheating. Kyle's parents are headed for divorce, and the collapse of their marriage torments him. Divorcing parents is bad enough, but Kyle also has to deal with new people in his parents' lives. He likes Stephanie, his father's girlfriend, but he finds himself increasingly attracted to his mother's handsome boyfriend, Reece. As Kyle struggles with his fear and frustration, he grows angrier and more erratic. Then he meets Dwight Varley, a buff, attractive athlete from another school who takes an instant liking to him. Having Dwight around doesn't solve all Kyle's problems, but it does make life more bearable. As their relationship develops, Dwight becomes a bright oasis in Kyle's harried life. But Dwight's life is more complicated than Kyle ever imagined, and just when things start to get better, Kyle discovers the truth about Dwight—and about his father. Honorable Mention: *One Perfect Score*

dad laughing at son during interview: If You Don't Laugh You'll Cry Claire Schmidt, 2017-07-25
Introduces readers to prison workers as they share stories, debate the role of corrections in American racial politics and social justice, and talk about the important function of humor in their jobs.

dad laughing at son during interview: The Everyday Makings of Heteronormativity Frank G. Kariotis, Sertaç Sehliloglu, 2019-11-29
Using a cross-cultural perspective, *The Everyday Makings of Heteronormativity: Cross-Cultural Explorations of Sex, Gender, and Sexuality* examines the conceptual formulation of heteronormativity and highlights the mundane operations of its construction in diverse contexts. Heterosexual culture simultaneously institutionalizes its narrations and normalcies, operating in a way that preserves its own coherency. Heteronormativity gains its privileges and coherency through public operations and the mutuality of the public and private spheres. The contributors to this edited collection examine this coherency and privilege and explore in ethnographic detail the operations and making of heteronormative devices: material, affective, narrative, spatial, and bodily. This book is recommended for students and scholars of anthropology, sociology, and gender and sexuality studies.

dad laughing at son during interview: Make 'em Laugh! Zeke Jarvis, 2015-04-07
This lighthearted and eye-opening book explores the role of comedy in cultural and political critiques of American society from the past century. This unprecedented look at the history of satire in America showcases the means by which our society is informed by humor—from the way we examine the news, to how we communicate with each other, to what we seek out for entertainment. From biographical information to critical reception of material and personalities, the book features humorists from both literary and popular culture settings spanning the past 100 years. Through its 180 entries, this comprehensive volume covers a range of artists—individuals such as Joan Rivers, Hunter S. Thompson, and Chris Rock—and topics, including vaudeville, cartoons, and live performances. The content is organized by media and genre to showcase connections between writers and performers. Chapters include an alphabetical listing of humorists grouped by television and film stars, stand-up and performance comics, literary humorists, and humorists in popular print.

dad laughing at son during interview: One Hell of a Ride Pierre Charette, 2019-10-07
“A HISTORICAL LIFE STORY OF “PIERRE “PETE” CHARETTE “A “DRUG ENFORCEMENT ADMINISTRATION” AGENT, HIRED TO WORK UNDERCOVER IN FRANCE A ON THE “FAMOUS CORSICAN MOB! KNOWN AS “THE FRENCH CONNECTION” HIS CASES WERE HISTORICAL AND WORLDWIDE AND FILLED WITH “DANGER AND INTREAGUE”. BOYKIN ROSE Associate Deputy Attorney General in the United States Department of Justice. In today's society, the word hero is thrown around freely with little regard to the actions or circumstances involved. But Pete earned that title, although he'll never use that title or admit it. But isn't that one of the traits of a true hero?

If you want to learn what life as a DEA Agent can be like, the dangers, the excitement, staying focused on your mission, this is the book for you. Pete doesn't tell stories about what others did while he sat back and watched. He lays out firsthand knowledge of how he worked undercover in a seedy and violent world when any day could realistically be his last. This isn't Hollywood, this is real life from a man who lived it!!! Steve Murphy DEA NARCOS

dad laughing at son during interview: The Daddy Shift Jeremy Adam Smith, 2009 A revealing look at stay-at-home fatherhood—for men, their families, and for American society. It's a growing phenomenon among American families: fathers who cut back on paid work to focus on raising children. But what happens when dads stay home? What do stay-at-home fathers struggle with—and what do they rejoice in? How does taking up the mother's traditional role affect a father's relationship with his partner, children, and extended family? And what does stay-at-home fatherhood mean for the larger society? In chapters that alternate between large-scale analysis and intimate portraits of men and their families, journalist Jeremy Adam Smith traces the complications, myths, psychology, sociology, and history of a new set of social relationships with far-reaching implications. As the American economy faces its greatest crisis since the Great Depression, Smith reveals that many mothers today have the ability to support families and fathers are no longer narrowly defined by their ability to make money—they have the capacity to be caregivers as well. The result, Smith argues, is a startling evolutionary advance in the American family, one that will help families better survive the twenty-first century. As Smith explains, stay-at-home dads represent a logical culmination of fifty years of family change, from a time when the idea of men caring for children was literally inconceivable, to a new era when at-home dads are a small but growing part of the landscape. Their numbers and cultural importance will continue to rise—and Smith argues that they must rise, as the unstable, global, creative, technological economy makes flexible gender roles both more possible and more desirable. But the stories of real people form the heart of this book: couples from every part of the country and every walk of life. They range from working class to affluent, and they are black, white, Asian, and Latino. We meet Chien, who came to Kansas City as a refugee from the Vietnam War and today takes care of a growing family; Kent, a midwestern dad who nursed his son through life-threatening disabilities (and Kent's wife, Misun, who has never doubted for a moment that breadwinning is the best thing she can do for her family); Ta-Nehisi, a writer in Harlem who sees involved fatherhood as the ultimate service to black people; Michael, a gay stay-at-home dad in Oakland who enjoys a profoundly loving and egalitarian partnership with his husband and many others. Through their stories, we discover that as America has evolved and diversified, so has fatherhood.

dad laughing at son during interview: No Job for a Man John Ross Bowie, 2022-11-01 A darkly witty, deeply affecting, and finely crafted memoir by the Big Bang Theory and Speechless star and comedian, John Ross Bowie. From his earliest memories of watching Rhoda with his parents in their tiny Hell's Kitchen apartment, John knew that he wanted to be an actor. The strange, alternate world of television—where people always cracked the perfect joke, lived in glamorous Upper East Side buildings, and made up immediately after fighting—seemed far better than his own home life, with a mother and father on the brink of divorce and a neighborhood full of crumbling pre-war architecture and not-so-occasional muggings. And yet that other world also seems unattainable. Besides crippling stage fright (which would take him years to overcome) John's father, ever aloof and cynical, has instilled within him the notion that acting is “no job for a man.” His father would impart that while theater, film, and television should be consumed and even debated, to create was no way to make a living or support a family. Putting aside his acting dreams, John stumbles through his twenties. He tries his hand at teaching and other traditional occupations, but nothing feels nearly as fulfilling as playing with his fleetingly on-the-map punk band, Egghead. When he and his bandmates break up, John lands a joyless job copywriting for a consulting agency and slips into a dark depression. He loses weight, begins drinking heavily, and his relationships flounder. But everything changes when John discovers improv (and anti-depressants). As a part of New York's now-famous Upright Citizens Brigade, John not only explores his passion for acting and

comedy—and begins to envision himself doing so professionally—he also meets his future wife and fellow actor, Jamie Denbo. No Job for a Man follows the couple as they relocate to Los Angeles and try to make it in the arts, meeting success and failure, wins and losses, despair and hope along the way. Though his father chronically refuses to acknowledge pride in his adult son's accomplishments, John comes to realize what being a man truly means.

dad laughing at son during interview: The Craft of Ritual Studies Ronald L. Grimes, 2014
Readership: Students and scholars of ritual studies, religious studies, anthropology

dad laughing at son during interview: My Prison Without Bars Pete Rose, Rick Hill, 2004-01-08 Pete Rose holds more Major League Baseball records than any other player in history. He stands alone as baseball's hit king having shattered the previously unbreakable record held by Ty Cobb. He is a blue-collar hero with the kind of old-fashioned work ethic that turned great talent into legendary accomplishments. Pete Rose is also a lifelong gambler and a sufferer of oppositional defiant disorder. For the past 13 years, he has been banned from baseball and barred from his rightful place in the Hall of Fame-- accused of violating MLB's one taboo. Rule 21 states that no one associated with baseball shall ever gamble on the game. The punishment is no less than a permanent barring from baseball and exclusion from the Hall of Fame. Pete Rose has lived in the shadow of his exile. He has denied betting on the game that he loves. He has been shunned by MLB, investigated by the IRS, and served time for tax charges in the U.S. Penitentiary in Marion, Illinois. But he's coming back. Pete Rose has never been forgotten by the fans who loved him throughout his 24-year career. The men he played with have stood by him. In this, his first book since his very public fall from grace, Pete Rose speaks with great candor about all the outstanding questions that have kept him firmly in the public eye. He discloses what life was like behind bars, discusses the turbulent years of his exile, and gives a vivid picture of his early life and baseball career. He also confronts his demons, tackling the ugly truths about his gambling and his behavior. My Prison Without Bars is Pete Rose's full accounting of his life. No one thinks he's perfect. He has made mistakes--big ones. And he is finally ready to admit them.

dad laughing at son during interview: Journey into Disaster Konstantin von Weberg, 2022-07-11 Sixteen days of hell — as a prisoner — in a godforsaken, hot and run-down Asian Police Station. The German engineer Thomas Heger is arrested during his vacation in the Philippines. What is he accused of and how do five little Filipino boys and their parents fit into the story? Are the accusations against the German justified? Where does the truth end and where does the fantasy begin? Who is the victim and who is the perpetrator? And who are the outrageous people who immediately start making money with Heger? What very special Filipino mentality does the German have to painfully learn and accept? Where do Western and Asian philosophies of life as well as customs and traditions collide? What is his experience with the police and what about accommodation at the police station? How do his family, friends and work colleagues in Germany react to the terrible story? What about his Filipino friends from the coastal village? What happens to the alleged child victims? Is Heger able to pull his head out of the noose? Embark on a Journey into Disaster and discover a very special Asian world.

dad laughing at son during interview: Jessie's Corner Becky Gillette, 2023-06-26 Quite often, when we read the Bible, we see the big themes that we have heard over the years: do right, don't do wrong, love your neighbor, and turn the other cheek. Jessie's Corner takes some of the less well-known scriptures and shows how they too can impact your life. Sometimes the big themes find support in the small acts that we do every day. These essays show applications of those small

pockets of wisdom in our daily lives. Some days, the best we can say is that we've managed to stay away from sharp objects or explosives. It's possible to take those difficult days and lighten them by giving hope and showing that we do not go through them alone. Everyone feels discouraged and hopeless at times. It takes courage and faith to do something while being afraid. You can find courage and faith by connecting with God as a friend. This collection of meditations uses lesser-known scripture passages to explore ways to create a personal relationship with God and demonstrate that small acts can affect you in big ways.
