In the new Preface, she shares their most common reactions. Another new feature of Dr. Yager's classic book includes cartoons at the beginning of each chapter by artist Cathy Wilcox and originally done for the Australia/New Zealand edition. *When Friendship Hurts* has helped countless men and women to better understand why they get involved in a toxic friendship, and then explore possible ways to mend it, let it fade, or end it.

friends quiz who are you: Dear Highlights Christine French Cully, 2021-08-10 A unique, inside look at American childhood through the conversations between Highlights magazine and its young readers and a call to grown-ups to make time to actively listen to the children in their lives. Every year, tens of thousands of children write to Highlights magazine, sharing their hopes and dreams, worries and concerns, as if they were writing to a trusted friend. From the beginning, the editors at Highlights have answered every child individually. Longtime editor in chief Christine French Cully has curated a collection of this remarkable correspondence (letters, emails, drawings, and poems) in *Dear Highlights*--revealing an intimate and inspiring 75-year conversation between America's children and its leading children's magazine. From the timeless, everyday concerns of

friendship, family, and school, to the deeper issues of identity, sexuality, divorce, and grief, here is a unique time capsule of American childhood in the voices--and the very handwriting--of children themselves.
