from dusk till dawn parents guide: Dream So Big Christopher B. Pearman, Ian Blake Newhem, 2014-11-15 With my father, what you see is what you get. He doesn't pretend to be some kind of guru, and he doesn't believe he did everything right (which he didn't, despite how hard he tried). But he's definitely confident about what he knows, and eloquent in the way he puts it across. I urge you to put his lessons to the test with your kid, and see how far they'll take you both. I think, once you start reading, you're going to find my dad's confidence and enthusiasm contagious. When I look back now, I remember my father was always focused. Always firm. Always loving. Always thinking about the future. It was kind of like he was always searching for the right way, the most successful way to do things. Make no mistake about it, he was always making sure I watched my p's and q's. I mean always: morning, noon, and night. Without that love and discipline, I would never have gotten to where I am today. You certainly would not have ever heard of Raven-Symon?.

Raven-Symon? January 2010 While so many talented and ambitious kids have become tabloid fodder, Raven-Symon?, beloved star of That's So Raven, has remained grounded and happy as she's created a massive franchise for Disney, won multiple Kids' Choice Awards, and made history as the first African-American woman with her own sitcom. The difference? Her parents' positive-approach plan--which you can now use with your own children. As her father and manager, Christopher B.

Pearman worked tirelessly to nurture Raven's dream, while teaching her to believe in herself and, most importantly, never losing sight of their family's core values. Inside, Pearman breaks down his plan into eight Dream Catchers--spiritual and practical principles that filter out negativity, and allow only affirming thoughts into your child's consciousness. Make no mistake: This is not a guide to stage parenting, but a doctrine for raising your kids to reach their full potential in any endeavor, simple or grand. As a parent, you know there's nothing more important than making sure your children become all they want to be. Dream So Big shows how commitment, responsibility, and dedication to your children's innermost wishes can catapult them to great success--and happiness.

from dusk till dawn parents guide: The GoFaSt Guide To Screenwriting Greg Takoudes, 2023-10-30 Creator of the GoFaSt Model, author Greg Takoudes introduces a comprehensive study of the structural models of screenwriting and provides readers with an adaptive framework for writing successful scripts. With a new approach which reframes discussions and offers alternatives to students and writers who find conventional models creatively constricting, Takoudes draws from both teaching and professional experience to provide a new model of screenwriting that is designed to be adaptive to various types of scripts. The book is structured in three parts. First, it introduces the GoFast Model - allowing for less orthodox writers to keep their unique voices by breaking scripts down into smaller parts and encouraging more flexibility to write in an organized way, without feeling stifled. Second, the book explores several writing scenarios - featuring the practical uses of the model and a step-by-step script structure spanning chapters on a horror, superhero, and heist movie. Third, it concludes with detailed case studies exploring how the GoFaSt Model can be applied to break down scripts including Get Out, The Marvelous Mrs Maisel, and Portrait of a Lady on Fire. It is an ideal text for screenwriting students and aspiring screenwriters interested in learning how working writers put structural models into practice, as well professional screenwriters, producers, and development executives looking for new ways to think about writing, feedback, and development.
