

i fought the law chords

i fought the law chords are a fundamental aspect for musicians and guitarists seeking to master this iconic rock and roll song. Originally written by Sonny Curtis of The Crickets, "I Fought the Law" gained widespread popularity through covers by artists such as The Bobby Fuller Four and The Clash. This article explores the essential chords, variations, and playing techniques necessary to perform this classic tune with confidence and accuracy. Understanding the chord progression and rhythm patterns is crucial for capturing the song's distinctive energy and style. Additionally, the article delves into the historical context and different interpretations that have influenced how the song is played today. Whether for beginners or advanced players, mastering the i fought the law chords opens the door to performing a timeless piece of rock history. The following sections provide a detailed breakdown of chord structures, strumming patterns, and tips for seamless transitions, ensuring an immersive learning experience.

- Understanding the Basic Chords of I Fought the Law
- Chord Progression and Structure
- Strumming Patterns and Rhythm
- Advanced Techniques and Variations
- Historical Context and Popular Covers

Understanding the Basic Chords of I Fought the Law

The foundation of playing i fought the law chords lies in mastering a few basic chords that are repeated throughout the song. The song primarily revolves around three major chords, which are common in many rock and roll and punk songs. These chords are typically played in the open position, making the song accessible to guitarists of various skill levels. Knowing these chords not only facilitates playing the song but also helps in understanding its musical structure and how the melody interacts with harmony.

Main Chords Required

The core chords used in i fought the law chords include:

- **G major** – A bright and resonant chord that sets the tonal foundation.
- **C major** – Adds a melodic contrast and helps create the song's catchy progression.

- **D major** – Provides a sense of resolution and movement within the chord sequence.

These chords are played in a steady rhythm that drives the song's energetic feel. Proficiency in transitioning smoothly between G, C, and D chords is essential for an authentic rendition of the song.

Additional Chords and Variations

While the basic chords suffice for a standard version, some players incorporate variations such as G7 or Dsus4 to add texture and interest. These chord embellishments can enhance the song's dynamic quality and offer a more nuanced performance.

Chord Progression and Structure

The i fought the law chords follow a straightforward and repetitive progression that contributes to the song's memorable hook. Understanding the sequence and timing of chord changes is vital for maintaining the flow and energy throughout the performance.

Typical Progression Pattern

The most common chord progression for the song is:

1. G major
2. C major
3. D major
4. C major

This four-chord loop repeats during the verses and chorus, creating a driving rhythm that supports the vocal melody. Each chord is typically strummed for one measure, with transitions occurring on the downbeat to maintain momentum.

Timing and Measures

The song is generally played in 4/4 time, with a moderate tempo that allows for clear articulation of chords and lyrics. The steady beat emphasizes the rebellious theme of the song, reinforcing its classic rock vibe.

Strumming Patterns and Rhythm

Strumming is a critical component of playing *i fought the law* chords effectively. The rhythm pattern adds character and energy, making the song instantly recognizable. A consistent strumming technique also supports smooth chord transitions and prevents the performance from sounding rushed or uneven.

Basic Strumming Pattern

A commonly used strumming pattern for the song is:

- Down, Down-Up, Up-Down-Up

This pattern balances rhythm and syncopation, providing a driving pulse that complements the song's rebellious lyrics and melody. Practicing this pattern slowly at first helps internalize the rhythm before playing at full tempo.

Tips for Effective Strumming

To achieve the best sound:

- Use a pick with moderate stiffness to produce a clear and bright tone.
- Maintain a relaxed wrist motion to ensure fluid strumming.
- Emphasize the downbeats slightly to reinforce the song's rhythmic structure.
- Practice muting techniques to control chord ringing and add dynamic contrast.

Advanced Techniques and Variations

For guitarists looking to expand beyond the basic *i fought the law* chords, there are several advanced techniques and variations that can enhance the performance. These include incorporating palm muting, hammer-ons, pull-offs, and slight chord embellishments to add texture and complexity.

Palm Muting

Palm muting involves lightly resting the side of the picking hand on the strings near the bridge to dampen the sound. This technique creates a percussive effect that adds rhythmic interest and is often used during verses to build tension.

Chord Embellishments

Adding hammer-ons or pull-offs within chord shapes can create melodic interest. For example, hammering on from an open string to a fretted note within the G chord adds subtle flair without altering the chord's fundamental sound.

Dynamic Changes

Varying strumming intensity and incorporating pauses can help replicate the emotional shifts found in different versions of the song. These nuances make the performance more engaging and authentic.

Historical Context and Popular Covers

The song "I Fought the Law" has a rich history that influences how the chords are interpreted and played. Originally penned by Sonny Curtis and performed by The Crickets, it gained mainstream attention through The Bobby Fuller Four's 1966 version. Later, The Clash's punk rendition in 1979 introduced a faster tempo and more aggressive playing style, inspiring countless musicians to adopt their own approaches.

The Bobby Fuller Four Version

This version popularized the song with a polished rock and roll sound. The i fought the law chords are played cleanly with a moderate tempo, emphasizing melody and harmony. It remains a staple for guitarists learning classic rock chords and progressions.

The Clash Version

The Clash's cover introduced a raw, punk rock energy to i fought the law chords. The tempo is faster, with more aggressive strumming and palm muting techniques. This version appeals to players interested in punk and alternative rock styles.

Impact on Guitar Playing

The simplicity and effectiveness of the i fought the law chords have made the song a popular choice for beginners and seasoned players alike. It serves as a practical exercise in chord transitions, rhythm control, and stylistic expression, making it an enduring piece in the guitar repertoire.

Frequently Asked Questions

What are the basic chords for 'I Fought the Law'?

The basic chords for 'I Fought the Law' are typically A, D, and E.

Which key is 'I Fought the Law' commonly played in?

'I Fought the Law' is commonly played in the key of A major.

Are there any chord variations or embellishments in 'I Fought the Law'?

Yes, guitarists often add hammer-ons, pull-offs, or use power chords to add energy to the A, D, and E chords.

How do you play the intro chords of 'I Fought the Law'?

The intro usually involves a simple riff based around the A chord, often played with a rhythmic downstroke pattern.

Can beginners easily learn the chords for 'I Fought the Law'?

Yes, the song uses basic open chords (A, D, E) making it suitable for beginners to learn.

Is there a capo needed to play 'I Fought the Law' in the original key?

No, a capo is generally not needed since the song is played in A major using open chords.

How do the chords progress throughout the verses of 'I Fought the Law'?

The verses typically follow a simple progression of A to D to E chords repeatedly.

Are power chords used in 'I Fought the Law'?

Yes, many rock versions of 'I Fought the Law' use power chords based on A, D, and E to create a heavier sound.

Where can I find accurate chord charts for 'I Fought the Law'?

Accurate chord charts can be found on guitar tab websites like Ultimate Guitar, Songsterr, or in official songbooks.

i fought the law chords: Murder and Mayhem at Old Bunbury Clive Endive Ogive IV, 2010-08 Murder and Mayhem at Old Bunbury, Clive Endive Ogive IV's eagerly awaited follow-up to his extremely successful and hugely influential Private Clubs in America and around the World, is another VERY clever and perceptive look into the special world of private clubs. In Murder and Mayhem at Old Bunbury, President Clive and waitress-extraordinaire Esther team up to solve a gruesome murder at one of the world's truly great private clubs: the Old Bunbury Golf Links & Reading Club. Along the way Clive and Esther reacquaint you with many wacky old friends and introduce you to some even zanier new ones. Private clubs are inextricably woven into the very fabric of America's history, traditions and culture-and for that matter, those histories, traditions and cultures of ALL free societies around the world-and members, employees and guests alike (well, maybe not guests) will enjoy the author's penetrating insights, off-beat humor, blatant irreverence and sarcastic wit. EVERYONE with a sense of humor (club member or not) will laugh his socks off at this latest Clive tale. Clive Endive Ogive IV belongs to at least eighteen very exclusive private clubs-certainly all the ones that matter. The fact that he has a Roman numeral four after his name and is exclusive heir to a trust fund whose annual interest is sufficient to pay all his annual club dues in perpetuity-and also somehow manages to write all this money off on his taxes as legitimate business deductions-is more than enough to qualify him to author multiple groundbreaking and

awe-inspiring books about the wonderful world of private clubs. For more information-and to order additional copies for your friends, enemies, fellow club members and fellow club employees-please visit Clive's website at www.CliveEndiveOgiveIV.com. You may also to send your thoughts directly to Clive at CliveEndiveOgiveIV@hotmail.com.

i fought the law chords: All Over the Map Michael Corcoran, 2017-05-15 A lavishly illustrated collection of forty-two profiles of Texas music pioneers, most underrated or overlooked, All Over the Map: True Heroes of Texas Music covers the musical landscape of a most musical state. The first edition was published in 2005 to wide acclaim. This second edition includes updated information, a bonus section of six behind-the-scenes heroes, and fifteen new portraits of Lefty Frizzell, Janis Joplin, and others, spanning such diverse styles as blues, country, hip-hop, conjunto, gospel, rock, and jazz. D.J. Stout and Pentagram designed the reborn edition, with photographer Scott Newton providing portraits. Michael Corcoran has been writing about Texas music for more than thirty years, for the Dallas Morning News and Austin American Statesman, as well as in such publications as Texas Monthly and Spin. These pieces are based on his personal interviews with their subjects as well as in-depth research. Expertly written with flair, the book is a musical waltz across Texas.

i fought the law chords: Christmas Carols Hal Leonard Publishing Corporation, 2002-07-01 (Guitar Chord Songbook). A convenient collection of 80 favorite carols for guitarists who just need the lyrics and chords. Songs include: Angels We Have Heard on High * Away in a Manger * Deck the Hall * The Friendly Beasts * Good King Wenceslas * The Holly and the Ivy * I Heard the Bells on Christmas Day * Irish Carol * Jingle Bells * Joy to the World * O Holy Night * Rocking * Silent Night * Up on the Housetop * We Wish You a Merry Christmas * Welsh Carol * What Child Is This? * and more.

i fought the law chords: The Vinyl Frontier Jonathan Scott, 2019-03-21 'Bursts with gloriously geeky detail.' The Telegraph Have you ever made someone you love a mix-tape? Forty years ago, a group of scientists, artists and writers gathered in a house in Ithaca, New York to work on the most important compilation ever conceived. It wasn't from one person to another, it was from Earth to the Cosmos. In 1977 NASA sent Voyager 1 and 2 on a Grand Tour of the outer planets. During the design phase of the Voyager mission, it was realised that this pair of plucky probes would eventually leave our solar system to drift forever in the unimaginable void of interstellar space. With this gloomy-sounding outcome in mind, NASA decided to do something optimistic. They commissioned astronomer Carl Sagan to create a message to be fixed to the side of Voyager 1 and 2 - a plaque, a calling card, a handshake to any passing alien that might one day chance upon them. The result was the Voyager Golden Record, a genre-hopping multi-media metal LP. A 90-minute playlist of music from across the globe, a sound essay of life on Earth, spoken greetings in multiple languages and more than 100 photographs and diagrams, all painstakingly chosen by Sagan and his team to create an aliens' guide to Earthlings. The record included music by J.S. Bach and Chuck Berry, a message of peace from US president Jimmy Carter, facts, figures and dimensions, all encased in a golden box. The Vinyl Frontier tells the story of NASA's interstellar mix-tape, from first phone call to final launch, when Voyager 1 and 2 left our planet bearing their hopeful message from the Summer of '77 to a distant future.

i fought the law chords: I'll Be There... Cynthia Eckhart, 2010-09-30 When her best friend Debbie loses her granddaughter to a sudden illness, author Cindy attempts to travel from Texas to North Carolina for the funeral, experiencing humorous roadblocks along the way. Stranded in

Atlanta, she reminisces about their many experiences that have made them the women they are today. In this true story of growing up in Texas, Cindy reflects on how the strong women in their lives influenced both of them with their wisdom and character. She is reminded how often they have relied on their faith and friendship to get them through both the good and bad times. But Joey's death may be too much for her friend to overcome. Now, three years later Cindy has her own medical crisis and calls upon Deb to help her through it all. Can Deb put aside her own grief and be there for her best friend? Or will the possibility of another death push her over the edge?

i fought the law chords: *Pop Music, Pop Culture* Chris Rojek, 2011-06-13 What is happening to pop music and pop culture? Synthesizers, samplers and MIDI systems have allowed anyone with basic computing skills to make music. Exchange is now automatic and weightless with the result that the High Street record store is dying. MySpace, Twitter and YouTube are now more important publicity venues for new bands than the concert tour routine. Unauthorized consumption in the form of illegal downloading has created a financial crisis in the industry. The old postwar industrial planning model of pop, which centralized control in the hands of major record corporations, and divided the market into neat segments, is dissolving in front of our eyes. This book offers readers a comprehensive guide to understanding pop music today. It provides a clear survey of the field and a description of core concepts. The main theoretical approaches to the analysis of pop are described and critically assessed. The book includes a major investigation of the revolutionary changes in the production, exchange and consumption of pop music that are currently underway. *Pop Music, Pop Culture* is an accomplished, magnetically interesting guide to understanding pop music today.

i fought the law chords: *Punk Diary* George Gimarc, 2005-07 The Ultimate Trainpotter's Guide to Underground Rock, 1970-1982

i fought the law chords: *Hey Ho Let's Go: The Story of the Ramones* Everett True, 2010-05-16 The Ramones cut an unforgettable swathe through decades of popular music. With politically charged anger, raw sounds and ferocious 20 minute sets they undercut the glamour of the mainstream music industry and gave the punk movement an authentic voice - A voice which can still be heard echoing through the decades. Seen through the eyes of the people who were there - musicians, managers, producers, publicists - this insightful biography depicts the Ramones rebellion against the establishment, how they forged their unique voice against the pressures of censure and managed to stay honest until the bitter end. Updated to reflect the sad death of guitarist Johnny Ramone, this is the essential story of the punk scene's most durable and influential band.

i fought the law chords: *My Life in Dire Straits* John Illsley, 2021-11-09 The bass player and founding member Dire Straits shares a behind-the-scenes history of the British rock band. One of the most successful music acts of all time, Dire Straits filled stadiums around the world. Their albums sold hundreds of millions of copies and their music—classics like "Sultans of Swing," "Romeo and Juliet," "Money for Nothing," and "Brothers in Arms" —is still played on every continent today. There was, quite simply, no bigger band on the planet throughout the eighties. In this powerful and entertaining memoir, founding member John Illsley gives the inside track on the most successful rock band of their time. From playing gigs in the spit-and-sawdust pubs of south London, to hanging out with Bob Dylan in LA, Illsley tells the story of the band with searching honesty, soulful reflection, and wry humor. Starting with his own unlikely beginnings in Middle England, he recounts the band's rise from humble origins to the best-known venues in the world, the working man's clubs to Madison Square Garden, sharing gigs with wild punk bands to rocking the Live Aid stage at Wembley. And woven throughout is an intimate portrait and tribute to his great friend Mark Knopfler, the band's lead singer, songwriter, and remarkable guitarist. Tracing an idea that created a phenomenal musical legacy, an extraordinary journey of joy and pain, companionship and surprises, this is John Illsley's life in Dire Straits. Praise for *My Life in Dire Straits* "A forensic and uplifting journey through the sheer hard work, pitfalls, and thrills of navigating a great rock and roll band to the pinnacle of success. I so enjoyed the ride! Onwards, John!" —Roger Taylor, drummer, songwriter, and founding member of Queen "Reading John Illsley's book, I relived so many moments. He captures the early days of the "English bands" and their story—the ups and downs, relationships,

craziness, and fun. Of course, the music was key. This really happened!" —Mike Rutherford of Genesis "Fascinating. . . . Illsley is brutally frank about the toll that the band's fame had on his relationships, most notably his marriage ("a victim," he writes, "of my life on the road"). Fans will be mesmerized." —Publishers Weekly (starred review)
