i love my teacher wallpaper: *The Drama Teacher* Koren Zailckas, 2018-08-07 By the New York Times bestselling author of *Mother, Mother* and *Smashed* comes a propulsive new thriller: the story of a desperate and devious woman who will do anything to give her family a better life Gracie Mueller is a proud mother of two and devoted wife, living with her husband Randy in upstate New York. Her life is complicated by the usual tedium and stressors—young children, marriage, money—and she's settled down comfortably enough. And when things inevitably begin to spin out of her control, more questions about the truth of her past are raised, including all the ones she never meant to, or even knew to, ask. Written with the style, energy, and penetrating insight that made her memoir *Smashed* a phenomenon, Koren Zailckas's next novel confirms her growing reputation as a psychological novelist that can stand up to the best of them.

Frazier, for whom her father worked as a personal messenger; running footraces at picnics (and knowing that people were betting on her to win); selling used furniture in Mandan; working her way through college in Grand Forks; and facing prejudice without the support of a large black community. She also discusses the impact of her North Dakota background on her later adventures in St. Paul and Chicago.
