

immigration medical exam houston

immigration medical exam houston is a crucial step for individuals applying for visas, green cards, or citizenship in the United States. This comprehensive medical evaluation ensures that applicants meet the health requirements set by U.S. immigration authorities to protect public health and safety. In Houston, numerous authorized civil surgeons conduct these exams, providing thorough assessments that include physical examinations, vaccinations, and laboratory tests. Understanding the process, requirements, and preparation for the immigration medical exam Houston can help applicants navigate this essential part of their immigration journey smoothly. This article explores the details of the immigration medical exam in Houston, including appointment scheduling, exam components, common challenges, and tips for a successful evaluation.

- Understanding the Immigration Medical Exam
- Authorized Civil Surgeons in Houston
- Preparing for the Immigration Medical Exam
- Components of the Immigration Medical Exam
- Common Issues and How to Address Them
- Scheduling and Costs of the Exam

Understanding the Immigration Medical Exam

The immigration medical exam Houston is a mandatory health screening conducted by authorized civil surgeons designated by the U.S. Citizenship and Immigration Services (USCIS). The purpose of this medical evaluation is to identify any health conditions that could render an applicant inadmissible or pose a risk to public health. The exam is required for applicants seeking permanent residency (green card), certain visa categories, or naturalization. The results are documented on a standardized form that must be submitted with the immigration application.

Legal and Health Requirements

Applicants must meet the health standards outlined by the Centers for Disease Control and Prevention (CDC) and USCIS. These include screening for communicable diseases such as tuberculosis, syphilis, and certain vaccine-preventable illnesses. The exam also assesses physical and mental health conditions that may affect admissibility. Compliance with vaccination requirements is mandatory unless exemptions apply.

Who Needs the Exam?

The immigration medical exam Houston is required for:

- Individuals applying for adjustment of status (green card)
- Applicants for immigrant visas through U.S. consulates
- Certain non-immigrant visa applicants
- Individuals applying for U.S. citizenship in some cases

Authorized Civil Surgeons in Houston

Only physicians designated as civil surgeons by USCIS are authorized to perform the immigration medical exam Houston. These doctors have specialized knowledge of immigration medical requirements and are trained to complete the necessary documentation accurately. Houston has numerous civil surgeons located throughout the city to accommodate the diverse immigrant population.

Finding a Civil Surgeon

Applicants can find a list of authorized civil surgeons on the USCIS website or through local immigrant support organizations. Choosing a civil surgeon with experience in immigration exams is important to ensure compliance and avoid delays. Many civil surgeons in Houston provide services in multiple languages to accommodate non-English speaking applicants.

What to Expect from Civil Surgeons

Civil surgeons conduct a comprehensive evaluation including a physical exam, medical history review, and required laboratory tests. They are responsible for completing Form I-693, Report of Medical Examination and Vaccination Record, which is submitted to USCIS. Civil surgeons also offer guidance on required vaccinations and any follow-up care needed.

Preparing for the Immigration Medical Exam

Proper preparation for the immigration medical exam Houston can facilitate a smooth and efficient process. Applicants should gather necessary documents, understand vaccination requirements, and prepare for possible lab tests and screenings.

Documents to Bring

Applicants should bring the following to their medical exam appointment:

- Valid government-issued photo identification (passport, driver's license)
- Form I-693 or USCIS instructions as provided
- Vaccination records and immunization history
- Previous medical records if relevant
- List of current medications

Vaccination Preparation

Ensuring accurate vaccination history is critical as the exam includes verification of immunizations required by the CDC. If vaccinations are incomplete, the civil surgeon will administer the necessary shots during the exam. Applicants with medical exemptions should bring supporting documentation.

Components of the Immigration Medical Exam

The immigration medical exam Houston consists of several components designed to assess overall health and identify any inadmissible conditions.

Physical Examination

The civil surgeon performs a thorough physical examination, checking vital signs, vision, hearing, and general physical health. The doctor also looks for signs of communicable diseases or mental health issues.

Laboratory Tests

Laboratory testing typically includes:

- Chest X-ray to screen for tuberculosis
- Blood tests for syphilis and other infections
- Additional tests based on age or medical history

Vaccination Review and Administration

The vaccination status is reviewed and updated in accordance with CDC guidelines. Required vaccines may include measles, mumps, rubella, polio, tetanus, influenza, and others depending on age and medical conditions.

Common Issues and How to Address Them

Some applicants encounter challenges during the immigration medical exam Houston due to medical conditions, incomplete records, or vaccination issues.

Medical Inadmissibility

Conditions such as active tuberculosis, certain communicable diseases, or mental health disorders with harmful behaviors can result in inadmissibility. Applicants with treatable conditions may be required to complete treatment before proceeding.

Vaccination Exemptions

Medical exemptions are allowed for certain vaccines based on allergies or other contraindications. Religious exemptions may be considered but require thorough documentation. Civil surgeons provide guidance on acceptable exemptions.

Incomplete Documentation

Lack of prior medical records or vaccination history can delay the exam. Applicants should attempt to retrieve all relevant information before the appointment to facilitate the process.

Scheduling and Costs of the Exam

Scheduling the immigration medical exam Houston requires contacting authorized civil surgeons directly to book an appointment. Due to high demand, it is advisable to schedule well in advance.

Appointment Scheduling

Many civil surgeons offer flexible hours, including weekends, to accommodate applicants' schedules. Walk-in appointments may be available but are not guaranteed. Confirming the required documents and fees beforehand is recommended.

Cost of the Exam

The cost of the immigration medical exam Houston varies depending on the provider and services included. Fees typically cover the physical exam, laboratory tests, vaccinations, and paperwork. USCIS does not set standardized fees, so costs can range widely. Applicants should inquire about all charges upfront.

- Physical examination fee
- Laboratory testing costs
- Vaccination administration charges
- Form I-693 completion fee

Frequently Asked Questions

What is an immigration medical exam in Houston?

An immigration medical exam in Houston is a required health examination performed by a USCIS-designated civil surgeon to determine if an applicant meets health standards for immigration to the United States.

Where can I find a USCIS-approved doctor for my immigration medical exam in Houston?

You can find a list of USCIS-approved civil surgeons in Houston on the official USCIS website or by contacting local immigration offices or community health centers.

What documents do I need to bring to my immigration medical exam in Houston?

You should bring a valid photo ID, your appointment notice (Form I-693), vaccination records, medical history, and any previous medical test results to your immigration medical exam in Houston.

How much does an immigration medical exam cost in Houston?

The cost of an immigration medical exam in Houston typically ranges from \$200 to \$500, depending on the provider and any additional tests or vaccinations required.

Do I need to schedule an appointment for an immigration medical exam in Houston?

Yes, you should schedule an appointment in advance with a USCIS-designated civil surgeon in Houston to ensure timely processing of your immigration medical exam.

What vaccines are required for the immigration medical exam in Houston?

Vaccines required usually include MMR, Varicella, Tdap, Influenza, Hepatitis B, and others as recommended by the CDC and USCIS guidelines during your immigration medical exam in Houston.

How long does the immigration medical exam take in Houston?

The immigration medical exam in Houston typically takes about 30 minutes to an hour, depending on the complexity of your medical history and any necessary vaccinations or tests.

Can I use my regular doctor for the immigration medical exam in Houston?

No, the immigration medical exam must be conducted by a USCIS-designated civil surgeon in Houston who is authorized to perform these specific exams.

What happens if I fail the immigration medical exam in Houston?

If you have a medical condition that makes you inadmissible, you may need to undergo treatment or provide additional documentation. In some cases, waivers may be available depending on the condition.

Additional Resources

1. Immigration Medical Exams in Houston: A Comprehensive Guide

This book provides an in-depth overview of the immigration medical exam process specifically tailored for applicants in Houston. It covers the required vaccinations, medical history review, and common health screenings. Readers will find practical tips on preparing for their appointments and understanding medical terminology related to immigration.

2. Navigating Houston's Immigration Medical Exams: What You Need to Know

A straightforward guide for immigrants and healthcare providers, this book explains the step-by-step procedures of the immigration medical examination in Houston. It includes information on designated civil surgeons, appointment scheduling, and necessary

immigration medical exam houston: *Migration, Health and Survival* Frank Trovato, 2017-11-24 Publications in this field have, in general, been based predominantly on the experiences of individual national settings. *Migration, Health and Survival* offers a comparative approach, bringing together leading international scholars to provide original works from the United States, Canada, Australia, France, Germany, England and Wales, Norway, Belgium and Italy.

immigration medical exam houston: Immigration Practice - 15th Edition Robert C. Divine, 2014-06-01 *Immigration Practice* guides readers through all aspects of immigration law in one volume, complete with over 3,000 footnote citations to the wide range of statutes, regulations, court and administrative cases, policy memos, operations instructions, agency interpretive letters, and internet sites that a lawyer needs for complete understanding of a particular problem. No other source merges the practical with commentary and analysis so helpfully. The book explains in understandable language and meaningful and dependable detail the substantive issues and the practical procedures a lawyer needs to handle a specific immigration matter, complete with checklists of forms, supporting evidence, and other strategies needed for application/petition packages. The book has unparalleled coherence, integration and consistency. * Liberally cross references to other sections in the book where related topics are discussed (because so many topics are interrelated). * Line-by-line instructions on how to complete the most commonly used forms to avoid embarrassing mistakes. * Lists the contents of packages to file with government agencies: forms and fees, detailed support letters, and other supporting evidence. * Explanations of potentially applicable visa options organized according to the attributes of the foreign national (and the employer), rather than classifications in alphabetical order, so that practitioners can make sense of options in light of the client in the office. * Comparisons and charts of attributes and procedures of such topics as nonimmigrant visa classifications, procedures to permanent residence, and standards of extreme hardship. * Citations throughout the book, and collection in the extensive CD-ROM Appendix, to primary source materials and the most useful Internet site URLs with explanation of the increasingly helpful free databases and tools available through each one. • Internet Links: Constantly increased and updated links to government web sites containing current contact information, forms, primary law sources of all types, case status information, and processing and substantive guides--all referenced by pinpoint citations in the text. See Chapter 5 explaining sources of law, Appendix C and D-1 showing web links, and the CD-ROM in the back cover providing one-click access! Readers are strongly encouraged to review and use the CD-ROM and to consider saving Appendix C, D-1, and E-1 into their hard drives or saving the links to their internet browser favorites or bookmarks for ready reference all the time. • Upgraded removal-related treatment: significant improvements to Chapters 10, 11, and 16 by attorney who has worked for immigration courts several years. • Supreme Court decisions: effects of limited marijuana distribution offense as aggravated felony (§ 10-6(b)(1)(vi)); tax offenses as aggravated felonies (§ 10-6(b)(1)(vi)); rejection of comparable grounds rule for 212(c) eligibility (§ 10-6(b)(1)(vii)); modified categorical approach applies only to divisible statutes (§ 10-6(b)(2)(i)); non-retroactivity of Padilla decision (§ 10-6(b)(2)(vi)); rejection of the statutory counterpart rule for § 212(c) waivers (§ 11-5(f)); invalidation of the Defense of Marriage Act § 14-7(a)(2)(i); non-imputation to child of firm resettlement of parents (§ 16-4(c)). • Lower federal court decisions: concerning such issues as: recognizing a beneficiary to have standing to challenge a USCIS petition denial (§ 2-2(a)(1)(I)); reviewability of

good moral character determinations and other (§ 2-2(a)(1)(I)); court order of USCIS to speed up FOIA certain responses (§ 4-2); CBP FOIA process (§ 4-2); DOL case disclosure data (§ 4-5); need to exhaust remedies under DHS TRIP to challenge inclusion on watch list (§ 10-3); CIMT crime determinations (§ 10-6(b)(1)(iii)); effect of a single firearm sale (§ 10-6(b)(1)(vi)); 212(h) waiver eligibility in regard to post-entry adjustment but not as to stand alone request (§ 10-6(b)(3)); interference with police helicopter using laser light as CIMT (§ 10-6(c)); whether post-entry adjustment is an admission for § 212(h) waivers (§ 10-6(b)(3)); whether there is an involuntariness or duress exception to the terrorism support bar (§ 10-6(c)); enforcement of I-864 financial support obligations (§ 10-6(d)(2)); mandatory bond hearing after six months of detention (§ 11-3(f)); ICE detainers found to lack authority (§ 11-3(g)); representation in immigration court at government expense for aliens with serious mental disabilities (§ 11-4(g)); stop-time and petty offense exceptions relating to cancellation of removal (§ 11-5(f)); revelation of the BIA's erroneous reliance for decades on nonexistent provisions of Mexican Constitution affecting legitimation issues (§ 12-3(d)(3)); rejection of BIA's rule against nunc pro tunc adoption orders (§ 14-7(b)(3)); invalidation of FSBPT efforts to restrict applicants from certain countries to sit for physical therapy exams (§ 15-2(c)(2)); use of impeachment evidence only to terminate asylum (16-2(b)); asylum claims of German homeschoolers, and mixed motive cases (§ 16-4(a)(3)); social group asylum claims (§ 16-4(a)(3)); expansive implications of inconsistencies in testimony (§ 16-4(a)(4)); particularly serious crimes barring asylum claims (§ 16-4(c)); special asylum procedures for unaccompanied children (§ 16-4(c)); adjustment eligibility of alien who entered without inspection and then obtained TPS (§ 16-7(a)(6)); eligibility of after-acquired spouse under Cuban Adjustment Act (§ 16-7(e)); preempted state law provisions aimed at aliens, employers, and landlords (§ 19-4(l)(3)). • BIA decisions on such issues as: what constitutes a drug trafficking crime (§ 10-6(b)(1)(iv)); implications of child pornography conviction (§ 10-6(b)(1)(vi)); possession of ammunition by a convicted felon (§ 10-6(b)(1)(vi)); availability of stand-alone § 212(h) waiver without adjustment application (§ 10-6(b)(3)); service of NTA on a minor (§ 11-3(b)); service of NTA and other safeguards for aliens with serious mental conditions (§ 11-4(g)); approval of administrative closure of removal cases (§ 11-5(d)); termination of asylum, then removal and relief in proceedings (§16-2(b)); relocation issues in asylum claims (§ 16-4(a)(3)). • Regulations, government policy memorandums, other decisions, and government web site enhancements concerning such matters as: differing government renderings of single name for certain persons (§ 1-6(a)(3)); USCIS refusal to accept stamped signatures for attorneys on G-28 (§1-6(a)(3)); USCIS use of bar codes for forms, and danger of making marginal notes on forms (§1-6(a)(3)); USCIS use of customer-completed e-Request Service inquiries (§ 2-2(a)(1)(F)); movement of all visa processing to the electronic CEAC system (§ 2-3(a)); replacement of the CBP Inspectors Field Manual with the Officer's Reference Tool and the beginning effort to replace the USCIS Adjudicators Field Manual with the online Policy Manual (§ 5-4); replacement of the paper I-94 card for air and sea entries with an automated online I-94 record (§ 7-4(b) and other sections); new section on Other Redress for Adverse Results (on visas and admissions, § 7-4(c)(14)); the radical implications of Matter of Arrabally and Yerrabelly concerning the effects of departure under advance parole (§§ 8-7(d)(2)(i) and 10-6(f)); modernization of the immigrant visa process (§ 8-8); new Provisional Unlawful Presence Waivers within the U.S. using Form I-601A (§ 10-6(f)); exception to false claim to U.S. citizenship inadmissibility if claim made before individual was age 18 (§ 10-6(g)); EOIR Online representative registration system (§ 11-3(e)); ICE Parental Interests Directive and ICE eBOND online bonding process (§ 11-3(f)); ICE non-renewal of 287(f) agreements (§ 11-3(g)); Deferred Action for Childhood Arrivals (§ 11-3(h)(3)); ICE recognition and implementation of statute allowing post-removal challenges (§11-8(b)); new USCIS Policy Manual provisions on naturalization eligibility and process, including residence, selective service, § 319(b) special rules, and other issues, and new N-400 form and instructions (Chapter 12); Government-side implementation of the Supreme Court's recognition of same-sex marriage (various chapters); exceptional circumstances allowing foreign-country filing of I-130 petitions where no USCIS office is located (§ 14-5(a)); implications of a withdrawn I-140 (§ 15-1(h)); various policy developments concerning EB-5 investors

(§ 15-2(f)); numerous BALCA cases and DOL positions affecting the PERM labor certification process and the publication of data about applications (§ 15-3); updated Affirmative Asylum Procedures Manual (§ 16-3(a)); USCIS memo on exceptional circumstances for failure to appear at asylum interview (§ 16-3(a)(1)(iii)); litigation settlement agreements to share asylum officer interview notes in FOIA (§ 16-3(a)(2)), concerning asylum applicant work authorization process and Clock (§ 16-3(c)), and failure to appear at I-730 interview (§ 16-3(f)); bundling of related L-1 petitions (§ 17-3(b)(4)(i)); presumed L-1 visa validity for maximum reciprocity duration but sometimes more limited stays from CBP (§ 17-3(b)(7)); filing I-129 petition for Canadian TN, and duration of Mexican TN separate from visa validity (§ 17-4(c)(2)(ii)); H-1B and H-2A flip-flopping administrative and congressional positions (§ 17-4(d) and 17-5(e)(1)); B-1 in lieu of H in effect but under review (§ 18-3(1)(2)(B)); accreditation requirements for F-1 language training programs (§ 18-4(d)(1)); cessation of CBP stamping of I-20 forms (§ 18-4(d)(3)); use of electronic ELIS system for certain changes of status (§ 18-4(d)(4)); new cap gap and STEM OPT extension policies (§ 18-4(d)(9)(iii)); possible need for separate waivers for different J experiences subject to § 212(e) (§ 18-5(b)(2)(ix)); revisions to M-274 Handbook for Employers for I-9, USCIS I-9 Central web site, and IRS tightening of ITIN application process (§ 19-4(b)); ICE policies about auditing electronically generated I-9 forms (§ 19-4(h)); OCAHO reductions of ICE I-9 fines on employers (§ 19-4(j)); ICE definition of technical and procedural errors subject to correction under good faith rules (§ 19-4(j)); USCIS revision of E-Verify MOU and new notice to workers about TNC resolution, expansion of E-Verify photo tool, and lock out of suspect SSNs from E-Verify (§ 19-4(l)(1)).

immigration medical exam houston: The Marriage Act Liza Monroy, 2014-02-11 After her traditional engagement to her high school sweetheart falls apart, Liza Monroy faced the prospect of another devastating loss: the deportation of her best friend Emir. Desperate to stay in America, Emir tried every legal recourse to obtain a green card knowing that his return to the Middle East—where gay men are often beaten and sometimes killed—was too dangerous. So Liza proposes to Emir in efforts to keep him safe and by her side. After a fast wedding in Las Vegas, the couple faces new adventures and obstacles in both L.A. and New York City as they dodge the INS. Their relationship is compounded further by the fact that Liza's mother works for the State Department preventing immigration fraud. Through it all, Liza and Emir must contend with professional ambition, adversity, and heartbreak and eventually learn the true lessons of companionship and devotion. This marriage that was not a marriage, in the end, really was. The Marriage Act is a timely and topical look at the changing face of marriage in America and speaks to the emergent generation forming bonds outside of tradition—and sometimes even outside the law.

immigration medical exam houston: Critical Appraisal for FCEM Duncan Bootland, Evan Coughlan, Robert Galloway, Stephanie Goubet, 2015-02-04 The ability to read a paper, judge its quality, the importance of its results, and make a decision about whether to change practice based on the information given, is a core skill for all doctors. To be able to do this quickly and efficiently is, without a doubt, a skill needed by all time-pressured emergency doctors and one which is tested in the Fellowship of the College of Emergency Medicine (FCEM) examination. Critical Appraisal for FCEM is the essential revision source for all those who want to pass the critical appraisal section of this exam. It is also required reading for those who want to incorporate evidence-based medicine into their everyday clinical practice. Features: Helps you become truly competent in critical appraisal Provides information in Spod's Corner, which helps you reach the next level and excel Prepares you for the Critical Topic Review Contains two fictional practice papers to test and practise your knowledge With its relaxed conversational style—yet crammed with essential information, key tips, and advice—this book is indispensable for all those wanting to achieve success in their FCEM and MCEM examinations.

immigration medical exam houston: Leaving Little Havana Cecilia M Fernandez, 2015-01-06 Revolution uprooted six-year-old Cecilia from her comfortable middle-class Cuban home and dropped her into the low-income neighborhood of Miami's Little Havana. Her philandering father focused on rebuilding his career, chasing the American promise of wealth and freedom from the past. Her mother spiraled into madness trying to hold the family together and get him back. Neglected and trapped, Cecilia rebelled against her conservative culture and embraced the 1960s counter-culture - seeking love, attention and a place of her own in America. But immigrant children either thrive or self-destruct in a new land. How will Cecilia beat the odds? While most memoirs by Cuban-Americans revolve around childhood scenes in Cuba and explore the experiences of a young man, Leaving Little Havana is the first refugee memoir to focus on a Cuban girl growing up in America, rising above the obstacles and clearing a path to her American Dream. "Leaving Little Havana is the compelling story of a Cuban girl seeking a new life in the U.S. with her family as the Cuban revolution unfolds in the early sixties. 'Cecilia's' personal account, and sexual awakening, is transparent, sad, and triumphant, sprinkled with anecdotes of an emerging Cuban-American landscape. In short, this book is a colorful reminiscence of historical scenes on both sides of the Straits of Florida, providing closure to a Cuban American journalist coming to terms with her turbulent past." - Guarione M. Diaz, President Emeritus, Cuban American National Council "Cecilia Fernandez's memoir of growing up Cuban in Miami is not only fascinating reading, it tells more about the story of Cubans in this U.S. than a truckload of sociology textbooks - and is a thousand times more entertaining!" - Dan Wakefield, author of New York in the Fifties "Leaving Little Havana is a candid, touching, and engaging memoir of a young Cuban exile's coming of age. Cecilia

Fernandez writes with passion and intensity, both of her missteps and her triumphs, casting fresh light on the American experience in the process.” - Les Standiford, author of *Havana Run* and *Bringing Adam Home* “Cecilia Fernandez gives us a coming of age story told with wide open eyes and vivid details of growing up in Little Havana. Broken-hearted more times than she can count, she gradually finds a path to new beginnings and the infinite promises of the American Dream. A poignant and important chronicle of the Miami Cuban immigrant journey.” - Ruth Behar, author of *Traveling Heavy: A Memoir in Between Journeys* “Every so often along comes a book that seizes you by the collar and arrests you on the spot. From page one, *Leaving Little Havana* is a brilliant, voice-driven book that will make your heart skip a few beats. My experience reading this book was similar to the first time I read *The House on Mango Street* by Sandra Cisneros when you instantly know you are reading a classic, a story so achingly beautiful and unforgettable you relish every last word as if it were the buzzing of a hummingbird at your lips feeding you honey. This book is about family, about what happens to family in exile, about how people come into a great world of struggle and manage to get by and survive. The author has a great gift for capturing that world-known enclave of Miami we love and call Little Havana. This might be the book that puts it on the literary map for good and forever.” - Virgil Suárez, author of *Latin Jazz*, *The Cutter*, and *90 Miles: Selected and New Poems*

immigration medical exam houston: *Graduate Medical Education in Psychiatry* Matthew Macaluso, L. Joy Houston, J. Mark Kinzie, Deborah S. Cowley, 2022-06-09 This book functions as a guide for leaders in academic and non-academic settings who are interested in developing, managing, or improving new or existing psychiatry residency programs. It notes the complexity of administering a residency program with ready solutions and tactics. Unique and comprehensive, this book contains chapters that focus on key areas of residency program management and innovation including but not limited to: meeting accreditation requirements, clinical and didactic curriculum, managing resident and faculty performance issues, research and scholarly activity in residency programs, rural training programs, and faculty development. *Graduate Medical Education in Psychiatry* is an invaluable resource for medical education leaders, as well as trainees and those interested in psychiatric residency or academic psychiatry in general.

immigration medical exam houston: Walled Andréanne Bissonnette, Élisabeth Vallet, 2025-03-18 In 1993, then-U.S. President Bill Clinton oversaw the construction of the first stretch of the U.S.-Mexico border walls. Since that pivotal moment, every subsequent U.S. president has allowed for the construction of additional miles of walls or fences. Despite his initial pledge to halt the expansion of border walls, in July 2022, President Joe Biden authorized the construction of new sections in four locations within Arizona. This decision underscores the enduring complexity and contentious nature of the U.S.-Mexico border infrastructure. From the bustling San Diego-Tijuana region to the borderlands of Brownsville-Matamoros, the U.S.-Mexico border is marked by extensive stretches of walls. Over the past thirty years, these walls have evolved from purely physical barriers into multifaceted systems encompassing administrative, legal, legislative, and biometric components. This volume invites readers to reflect on the transformations of the border since the construction of the initial fourteen miles of wall, and the subsequent addition of 1,940 miles. It provides a comprehensive exploration of the border’s evolution, and its profound and lasting impacts. Bringing together recognized scholars in border studies, *Walled* delves into the varied manifestations and lived experiences associated with U.S.-Mexico border walls. The introduction by Andréanne Bissonnette and Élisabeth Vallet offers a thorough review of the border walls’ thirty-year history, placing it within a global context. Contributions offer diverse perspectives of the border experience, from state policies and migrant experiences to the daily lives of border residents. Topics such as militarization, migration, artistic resistance, and humanitarian aid are carefully examined. This volume is an essential resource for policymakers, activists, scholars, and anyone seeking to understand the intricate realities of border communities and the far-reaching consequences of border policies. Contributors Susana Báez-Ayala Andréanne Bissonnette Mathilde Bourgeon Silvia M. Chávez-Baray Irasema Coronado Thalia D’Aragon-Giguère Erin Hoekstra Anthony Jimenez T.
