in my teacher era sweatshirt: A Language of Freedom and Teacher's Authority Fatma Mizikaci, Guy Senese, 2017-05-30 A Language of Freedom and Teacher's Authority: Case Comparisons from Turkey and the United States explores dimensions of authority that are deeply embedded in the profession of teaching. It examines critical dimensions of the foundations of Turkish and U.S. public education, both of which are under new pressures due to changes in the relationship between public schooling and current reforms in education. The contributors reflect on varied dimensions of authority, of which ideals are shifting under political and economic pressures. In both Turkey and the U.S, public education reflects the early influence of secular equalitarianism, revolutionary democratic developments, and an Enlightenment-based sense of the human right to education. Against this, we see the opposing dialectic where state control and curricular censorship and constriction appear too often.

What happened to the photographs and films of the American Nazi salute performed by federal, state, county, and local officials? Read why the Pledge of Allegiance would not be performed by anyone (other than kooks) if the truth were taught in school. Find out who you are, what you are, and how you got to be that way. Also learn who you should blame: your teacher (and the government's schools). Debunk myths about Adolf Hitler, Joseph Stalin, Mao Zedong, Francis Bellamy (and his cousin Edward Bellamy), Fascism, Unionism, Socialism, genocide, swastikas, the Pledge of Allegiance to the flag, the cliché 'under God', Christianity, ancient Rome, military socialism, crony socialism, and the military-socialism complex. The Pointer Institute proudly presents another news-breaking volume from the Dead Writers Club (DWC) and Micky Barnetti. Lies your teacher taught you are illuminated from the work of the historian Dr. Rex Curry. Micky Barnetti is a philologist and a forensic fraud analyst. Barnetti's work led to the arrest, trial, conviction, and imprisonment of America's Dumbest Criminals (and the foreclosure of their homes, along with victim restitution liens, and criminal forfeiture judgments, in amounts totaling millions of dollars). Barnetti collaborates with the Dead Writer's Club ("DWC" -an author's group) and assists the Pointer Institute for Media Studies to provide remedial education to journalists about history, economics, and government.
