Overview of Medicine Lake Boat Launch

The Medicine Lake boat launch serves as a key point of entry for watercraft into Medicine Lake, a well-known freshwater lake located in a region celebrated for its outdoor recreational opportunities. The launch site is designed to accommodate a range of boats, from small fishing vessels to larger motorboats. It is strategically positioned to provide easy access to prime fishing spots and scenic boating routes throughout the lake. The area surrounding the boat launch is managed to ensure a balance between recreational use and environmental preservation, maintaining the lake's natural charm.

Location and Accessibility

Situated near major roadways, the Medicine Lake boat launch is easily accessible for visitors arriving from various directions. The site features paved access roads and clearly marked signage, facilitating straightforward navigation to the launch area. Accessibility extends to individuals with disabilities, with ramps and parking spaces designed to meet ADA standards. The launch is open seasonally, with hours varying depending on local weather conditions and lake usage regulations.

Types of Watercraft Supported

The facility supports a diverse range of watercraft, including:

- Fishing boats
- Kayaks and canoes
- Jet skis
- Small motorboats
- Paddleboards

This diversity makes the Medicine Lake boat launch a versatile location, catering to different boating preferences and skill levels.

Facilities and Amenities

The Medicine Lake boat launch is equipped with various facilities designed to enhance the user experience and ensure convenience. These amenities support both day-use visitors and those planning longer excursions on the lake.

Boat Ramps and Docks

The primary feature of the launch is its well-constructed concrete ramps, which provide smooth and safe boat launching and retrieval. Adjacent docks allow for temporary mooring, loading, and unloading of equipment. The ramps are regularly maintained to prevent damage and ensure safety for all boaters.

Parking and Vehicle Access

Ample parking areas are available close to the launch site, including designated spaces for trailers and oversized vehicles. The parking lot is designed to handle peak usage periods efficiently, reducing congestion and wait times. Clear traffic flow markings aid in safe maneuvering of vehicles and trailers within the lot.

Additional Amenities

Additional facilities at or near the Medicine Lake boat launch include:

- Restroom facilities with regular maintenance
- Picnic areas with tables and benches

- Trash receptacles and recycling bins to maintain cleanliness

medicine lake boat launch: A Fisherman's Guide to Selected High Lakes of Northeast Washington and Northern Idaho John Moore, 2007-07 Most fishing guides offer very limited information on a large number of lakes, most of which their authors have never even been near. This book provides detailed information on the lake and surrounding area, as well as directions and fishing tips. All lakes included in this book have been personally visited, photographed, and in most cases fished by the author. While the emphasis is on the fisherman's perspective, the detailed trail and camping information is equally applicable to those who only wish to hike and camp. The lakes selected for inclusion in this book are from Stevens and Pend Oreille counties of northeast Washington, and from Boundary, Bonner, Kootenai and Shoshone counties of northern Idaho. They range from lowland warm water lakes to alpine lakes. Many can be driven to, while others require a hike. The author is a ten-time Washington State record holder, with certified weight records for five

different species of fish. Catch data for several hundred lakes, dating back to 1981, has been provided to Washington State fish biologists. Born and raised in northwest Washington and part of a very outdoor oriented family, the author has spent his entire life exploring new places and looking for new waters to fish. So far the search for fishing opportunities has ranged across the states of Washington, Idaho and Montana. Titles published include High Lakes of Northwest Washington, and Lakes of Northeast Washington and Northern Idaho.
