

political cartoons on vietnam war

political cartoons on vietnam war played a significant role in shaping public opinion and capturing the complex social and political dynamics during one of the most contentious conflicts in modern American history. These cartoons served as powerful visual commentaries that critiqued government policies, highlighted the human cost of war, and reflected the growing anti-war sentiment across the United States and beyond. Through satire, symbolism, and sharp wit, political cartoons on the Vietnam War provided an accessible medium for expressing dissent and questioning the legitimacy of the conflict. This article explores the historical context of these cartoons, their themes, notable artists, stylistic approaches, and their enduring influence on political discourse. Understanding the role of political cartoons on the Vietnam War offers valuable insight into how art and media intersected to influence public perception during a turbulent era. The following sections delve deeper into these aspects, providing a comprehensive overview of the subject.

- Historical Context of Political Cartoons on Vietnam War
- Common Themes and Symbolism
- Prominent Political Cartoonists and Their Works
- Stylistic Approaches and Techniques
- Impact and Legacy of Vietnam War Cartoons

Historical Context of Political Cartoons on Vietnam War

The Vietnam War, lasting from the late 1950s to 1975, was a highly controversial conflict that elicited widespread debate and protest. Political cartoons on Vietnam War emerged during this period as a form of social and political commentary, reflecting the complexities of the conflict and the divergent opinions surrounding it. These cartoons appeared in newspapers, magazines, and underground publications, reaching a broad audience and influencing public sentiment. As the war escalated, so did the intensity and frequency of the cartoons, which mirrored the shifting attitudes of the American public and the international community.

Role of Media and Political Cartoons

During the Vietnam War era, traditional media outlets played a crucial role in shaping public opinion. Political cartoons complemented news reporting by distilling intricate political issues into compelling and often humorous visuals. They served as a vehicle for dissent, especially as the war grew increasingly unpopular. Editorial cartoonists used their platforms to criticize government decisions, question military strategies, and highlight the moral and ethical dilemmas posed by the conflict. Political cartoons on Vietnam War thus became an essential tool for political expression and activism.

Government and Public Reaction

Political cartoons often faced scrutiny and censorship attempts, as their critical nature sometimes clashed with government narratives. Despite this, many cartoonists persisted, reflecting the growing anti-war movement and public dissatisfaction. The visual nature of cartoons made them an effective form of protest, reaching audiences who might not engage with lengthy articles or speeches. The tension between government authorities and media outlets underscored the power political cartoons held in influencing public discourse about the Vietnam War.

Common Themes and Symbolism

Political cartoons on Vietnam War utilized a variety of themes and symbols to convey their messages effectively. These motifs helped distill complex political realities into understandable and impactful imagery. Recurring themes included critiques of military intervention, the human costs of war, political hypocrisy, and the struggle for peace. Symbolism was often employed to represent broader concepts such as government authority, the Viet Cong, American soldiers, and public opinion.

Anti-War Sentiment

One of the most prevalent themes in political cartoons on Vietnam War was the expression of anti-war sentiment. Many cartoons depicted the futility and devastation of the conflict, emphasizing the loss of life and the psychological toll on soldiers and civilians. Symbols such as broken weapons, grieving mothers, and wounded soldiers were commonly used to evoke empathy and encourage opposition to the war.

Political Hypocrisy and Criticism

Cartoonists often highlighted contradictions within government policies and statements. Political cartoons on Vietnam War exposed perceived dishonesty,

misleading propaganda, and shifting rationales for the war effort. The use of caricatures of political leaders, exaggerated expressions, and ironic juxtapositions served to underscore these critiques and to hold those in power accountable.

Common Symbols in Vietnam War Cartoons

- **The American Eagle:** Often depicted wounded or confused, symbolizing the nation's struggle and moral dilemmas.
- **The Viet Cong:** Represented variably as guerrilla fighters or elusive shadows, symbolizing the unconventional nature of the conflict.
- **The Draft:** Illustrated as a looming threat, often with young men portrayed reluctantly conscripted into service.
- **The Peace Sign:** A recurring symbol of protest and hope for an end to the war.
- **The Helicopter:** Frequently used to depict the war's mechanized and aggressive nature.

Prominent Political Cartoonists and Their Works

Several influential cartoonists gained recognition for their impactful political cartoons on Vietnam War. Their work not only reflected the zeitgeist of the era but also helped shape public discourse. These artists combined artistic skill with sharp political insight to produce memorable and provocative images.

Herblock (Herbert Block)

Herblock was a prominent editorial cartoonist known for his incisive critiques of government policies. His cartoons on the Vietnam War highlighted the moral contradictions and political failures of American involvement. Herblock's work appeared in major publications such as The Washington Post and was celebrated for its clarity and moral seriousness.

Bill Mauldin

Bill Mauldin, a World War II veteran, brought a soldier's perspective to his cartoons. His Vietnam War cartoons often depicted the hardships faced by troops and the disconnect between soldiers and political leadership.

Mauldin's work humanized the conflict and drew attention to the experiences of ordinary servicemen.

Patrick Oliphant

Known for his distinctive style and sharp wit, Patrick Oliphant produced several notable cartoons criticizing the Vietnam War. Oliphant's work often used exaggerated caricatures and symbolic imagery to convey complex political criticisms. His cartoons appeared in leading newspapers and helped articulate the anti-war sentiment during the height of the conflict.

Stylistic Approaches and Techniques

Political cartoons on Vietnam War employed a variety of artistic styles and techniques to maximize their impact. These ranged from realistic depictions to highly stylized caricatures, often incorporating symbolism and irony. The choice of style often depended on the cartoonist's approach and the intended message.

Caricature and Exaggeration

One common technique was the use of caricature, exaggerating physical features of political figures to highlight their traits or perceived flaws. This approach made the cartoons more engaging and memorable, allowing cartoonists to deliver pointed political critiques effectively.

Symbolism and Metaphor

Symbolism was extensively used to represent complex ideas succinctly. Metaphors such as "the quagmire" depicted the war as an inescapable swamp, while images of puppetry conveyed notions of manipulation by political leaders. These visual metaphors helped communicate nuanced ideas to a broad audience.

Satire and Irony

Satirical humor was a hallmark of many political cartoons on Vietnam War. By using irony and sarcasm, cartoonists exposed contradictions and absurdities within political rhetoric and military strategies. Satire made the cartoons not only informative but also compelling and thought-provoking.

Impact and Legacy of Vietnam War Cartoons

The legacy of political cartoons on Vietnam War extends beyond their immediate historical context. These cartoons influenced public opinion, contributed to the anti-war movement, and established the role of editorial cartoons as a critical form of political expression. Their impact continues to be studied and appreciated in the fields of media, history, and political science.

Influence on Public Opinion

Political cartoons helped shape the narrative around the Vietnam War by providing accessible critiques that resonated with a wide audience. They amplified anti-war voices and encouraged critical thinking about U.S. foreign policy. The visual nature of cartoons made complex political issues easier to understand and discuss.

Contribution to Political Discourse

Cartoons played a vital role in fostering democratic debate by challenging official narratives and encouraging transparency. They contributed to a culture of skepticism toward government pronouncements and underscored the importance of free expression during times of conflict.

Enduring Artistic and Cultural Value

Beyond their immediate political function, many Vietnam War cartoons are now regarded as significant works of art and historical documents. They provide valuable insights into the social and political climate of the era and continue to inspire contemporary artists and commentators who address war and politics through visual media.

Key Takeaways from Political Cartoons on Vietnam War

- Political cartoons distilled complex war issues into accessible visuals.
- They played a crucial role in expressing and spreading anti-war sentiment.
- Cartoonists used symbolism, satire, and caricature to critique political leaders and policies.
- The cartoons influenced public opinion and political discourse during the war.

- Their legacy endures as important cultural and historical artifacts.

Frequently Asked Questions

What role did political cartoons play during the Vietnam War?

Political cartoons served as a powerful medium to criticize and comment on the Vietnam War, influencing public opinion by highlighting the war's controversies, government policies, and social issues.

Who were some prominent political cartoonists covering the Vietnam War?

Notable political cartoonists who addressed the Vietnam War include Herblock (Herbert Block), Bill Mauldin, and Pat Oliphant, among others who used satire to critique the war and its impact.

How did political cartoons reflect public sentiment about the Vietnam War?

Political cartoons often mirrored the growing anti-war sentiment and skepticism towards government statements, illustrating the conflict's moral dilemmas, casualties, and political controversies.

What themes are commonly depicted in Vietnam War political cartoons?

Common themes include the futility and brutality of the war, government deception, the human cost, protests and dissent, and the struggle between Cold War ideologies.

How did political cartoons influence public opinion during the Vietnam War era?

By using humor and satire, political cartoons made complex political issues accessible and compelling, helping to galvanize anti-war movements and shape public discourse against the war.

Were political cartoons about the Vietnam War censored or suppressed?

While some political cartoons faced pushback or controversy, many were

published in newspapers and magazines, reflecting the relatively free press climate that allowed criticism of the war.

What visual symbols are commonly used in Vietnam War political cartoons?

Symbols such as Uncle Sam, the Statue of Liberty, helicopters, soldiers, the Viet Cong, and war machinery are frequently used to convey messages about American involvement and the war's consequences.

How did political cartoons address the morality of the Vietnam War?

Cartoons often questioned the ethical justification of the war, depicting the suffering of civilians, the impact on soldiers, and the ambiguity of the war's objectives.

Can political cartoons from the Vietnam War era be used as historical sources?

Yes, they provide valuable insights into contemporary attitudes, criticisms, and societal values, making them important primary sources for understanding the cultural and political climate of the time.

How did the style of political cartoons evolve during the Vietnam War?

The style became more direct and bold, with sharper satire and vivid imagery reflecting the heightened tensions and polarized views of the Vietnam War period.

political cartoons on vietnam war: *The Vietnam War* Louise I. Gerdes, 2005 Following the U.S. invasion of Iraq, some scholars began to draw comparisons to U.S. involvement in Vietnam, re-igniting the debate over the Vietnam War. In the following chapters the cartoonists in this volume present their views on the Vietnam War as it unfolded: Taking Steps Toward War, Going to War: The Johnson Years, The Long Road to Peace: The Nixon Years, and The Legacy of the Vietnam War.

political cartoons on vietnam war: American Animated Cartoons of the Vietnam Era Christopher P. Lehman, 2014-01-10 In the first four years of U.S. involvement in the Vietnam War (1961-64), Hollywood did not dramatize the current military conflict but rather romanticized earlier ones. Cartoons reflected only previous trends in U.S. culture, and animators comically but patriotically remembered the Revolutionary War, the Civil War, and both World Wars. In the early years of military escalation in Vietnam, Hollywood was simply not ready to illustrate America's contemporary radicalism and race relations in live-action or animated films. But this trend changed when US participation dramatically increased between 1965 and 1968. In the year of the Tet Offensive and the killings of the Rev. Martin Luther King, Jr., and Senator Robert Kennedy, the violence of the Vietnam War era caught up with animators. This book discusses the evolution of U.S. animation from militaristic and violent to liberal and pacifist and the role of the Vietnam War in this development. The book chronologically documents theatrical and television cartoon studios' changing responses to U.S. participation in the Vietnam War between 1961 and 1973, using as evidence the array of artistic commentary about the federal government, the armed forces, the draft, peace negotiations, the counterculture movement, racial issues, and pacifism produced during this period. The study further reveals the extent to which cartoon violence served as a barometer of national sentiment on Vietnam. When many Americans supported the war in the 1960s, scenes of bombings and gunfire were prevalent in animated films. As Americans began to favor withdrawal, militaristic images disappeared from the cartoon. Soon animated cartoons would serve as enlightening artifacts of Vietnam War-era ideology. In addition to the assessment of primary film materials, this book draws upon interviews with people involved in the production Vietnam-era films. Film critics responding in their newspaper columns to the era's innovative cartoon sociopolitical commentary also serve as invaluable references. Three informative appendices contribute to the work.

political cartoons on vietnam war: *Gene Basset's Vietnam Sketchbook* Thom Rooke, 2015-09-11 In 1965, Gene Basset, a well-known political cartoonist, was sent to Vietnam by his newspaper publishing syndicate. His assignment: to sketch scenes of the increasingly controversial war in order to help the newspaper-reading public better understand the events occurring in Southeast Asia. In much the same way that M.A.S.H. gave viewers an irreverent, wry view of war and its devastating effects on citizens as well as soldiers, Basset's sketches portray the everyday, often mundane, aspects of wartime with an intimate touch that eases access to the dark subject matter. In this affectionately curated collection, author, doctor, and longtime friend of the artist, Thom Rooke, deftly leads us through more than eighty of Basset's cartoons, organizing his insights according to the well-known stages of grief, from denial to acceptance, and demonstrating how Basset's images convey moments of trauma, coping, and healing. From scenes of American GIs haggling with Vietnamese street vendors to a medic dressing the wounds of a wide-eyed soldier, Basset's endearing sketches and Rooke's friendly prose humanize life during wartime. The

seriocomic vignettes and analyses are delivered with wit, compassion, and subtle charm sure to please academic, artistic, and casual readers alike.

political cartoons on vietnam war: Political Cartoon Content During the Vietnam War Tet Offensive Danica Jill Rigoli, 1992

political cartoons on vietnam war: Political Punchlines: The Best Political Cartoons Tracey D. political cartoons on vietnam war: American Political Cartoons Sandy Northrop, 2017-07-05 From Benjamin Franklin's drawing of the first American political cartoon in 1754 to contemporary cartoonists' blistering attacks on George W. Bush and initial love-affair with Barack Obama, editorial cartoons have been a part of American journalism and politics. American Political Cartoons chronicles the nation's highs and lows in an extensive collection of cartoons that span the entire history of American political cartooning. Good cartoons hit you primitively and emotionally, said cartoonist Doug Marlette. A cartoon is a frontal attack, a slam dunk, a cluster bomb. Most cartoonists pride themselves on attacking honestly, if ruthlessly. American Political Cartoons recounts many direct hits, recalling the discomfort of the cartoons' targets and the delight of their readers. Through skillful combination of pictures and words, cartoonists galvanize public opinion for or against their subjects. In the process they have revealed truths about us and our democratic system that have been both embarrassing and ennobling. Stephen Hess and Sandy Northrop note that not all cartoonists have worn white hats. Many have perpetuated demeaning ethnic stereotypes, slandered honest politicians, and oversimplified complex issues.

political cartoons on vietnam war: The Vietnam War Edward Miller, 2016-01-19 The Vietnam War is an outstanding collection of primary documents related to America's conflict in Vietnam which includes a balance of original American and Vietnamese perspectives, providing a uniquely varied range of insights into both American and Vietnamese experiences. Includes substantial non-American content, including many original English translations of Vietnamese-authored texts which showcase the diversity and complexity of Vietnamese experiences during the war Contains original American documents germane to the continuing debates about the causes, consequences and morality of the US intervention Incorporates personal histories of individual Americans and Vietnamese Introductory headnotes place each document in context Features a range of non-textual documents, including iconic photographs and political cartoons

political cartoons on vietnam war: The Best Political Cartoons of the Year, 2010 Edition, Portable Documents Daryl Cagle, Brian Fairrington, 2009-09-04 The Best of the Year in Editorial Cartoons The best cartoonists in the world contributed to this collection of the best

cartoons of 2009, from Daryl Cagle's Political Cartoonists Index, the most popular cartoon site on the Web (www.cagle.com). More than 600 cartoons cover the major topics of the historic year when America saw its first black president sworn into office. The economy sank despite humungous bailouts and unemployment hit new highs--not to mention the drama of Octomom, Sotomayor, Swine Flue, GM's bankruptcy, Iran's election chaos and the death of Michael Jackson. This cool book chronicles the history of the year 2009 with cartoons you'll never forget.

political cartoons on vietnam war: *United States History - Part B* ,

political cartoons on vietnam war: Presidential Humor: A Collection of the Funniest Anecdotes and Jokes by American Presidents Pasquale De Marco, Laughter and politics may seem like an unlikely pairing, but throughout history, presidents have used humor to connect with the public, defuse tensions, and even achieve political goals. From the witty remarks of Abraham Lincoln to the self-deprecating jokes of Ronald Reagan, presidential humor has taken many forms. This book is a celebration of the lighter side of the presidency, a collection of the funniest anecdotes and jokes told by American presidents. From laugh-out-loud one-liners to hilarious mispronunciations and off-the-cuff remarks, these stories offer a glimpse into the personalities of our nation's leaders and the ways in which they have used humor to navigate the challenges of the presidency. Inside, you'll find: * Hilarious quips and zingers from presidents past and present * Unforgettable gaffes and blunders that will make you laugh out loud * Witty jokes and anecdotes about political opponents, the campaign trail, and the White House itself * Presidential parodies, impersonations, and cartoons that poke fun at the presidency * Humorous stories and anecdotes from presidential press conferences, interviews, and speeches Whether you're a history buff, a political junkie, or simply someone who enjoys a good laugh, this book is sure to entertain and delight. So sit back, relax, and prepare to see the presidency in a whole new light. This book is a must-read for anyone who loves presidential history, humor, or both. It's also the perfect gift for anyone who needs a good laugh. If you like this book, write a review!

political cartoons on vietnam war: *American Republic to 1877, Interpreting Political Cartoons* McGraw-Hill Staff, 2002-06 Contains 36 reproducible activity pages, each including one political cartoon, short summary of the issue being addressed, and questions for analysis and critical thinking.

political cartoons on vietnam war: Animation, Caricature, and Gag and Political Cartoons in the United States and Canada John A. Lent, 1994-07-21 One of four volumes dealing with the world of comic art, this volume is a comprehensive, international bibliography dealing with animation, caricature, gag, illustrative, magazine, and political cartoons in the United States and Canada. Reflecting the substantial growth of comic art literature in recent years, it is representative of various types of publications, writing formats and styles, and languages from all over the world. The four volumes attempt for the first time to pull together the massive amount of comic art literature worldwide. Organized with meticulous detail, the work consists of numerous resources, including an annotated directory of 66 comic art-related periodicals; a section of comic art functions, activities, and relationships with various socio-cultural phenomena, such as education, eroticism, ethnicity, race, social consciousness, and violence; as well as historical and contemporary parts on animation, caricature, gag cartoons, and political cartoons. At least 224 animators, caricaturists, and cartoonists are singled out for special prominence. Business, legal, and technical aspects of each genre make up other categories. The book is enhanced by Maurice Horn's foreword, retracing the pioneer work he and others did in the field of comic art studies. To further help the user, the indices are systematically broken down by authors, cartoonists, characters and titles, periodicals, and subjects.

political cartoons on vietnam war: *Charles Johnson's Spiritual Imagination* Jonathan Little, 1997 In this first book-length study of Charles Johnson's work, Jonathan Little offers an engaging account of the artistic growth of one of the most important contemporary African American writers. From his beginnings as a political cartoonist through his receipt of the National Book Award for Middle Passage, Johnson's imagination has become increasingly spiritual. Little

draws upon a wide array of sources, including short stories, interviews, reviews, articles, and cartoons, as he traces the brilliant achievement of this provocative artist who is very much at the height of his career. Charles Johnson's *Spiritual Imagination* begins with an analysis of Johnson's political cartoons from the late sixties and early seventies, when he was immersed in the Black Power Movement. Little shows that in these early cartoons one can already see Johnson's comic genius and his quest for unconstrained artistic freedom even when dealing with the highly charged issues of racial politics. By examining how Johnson incorporates the influences of phenomenology, Zen Buddhism, Taoism, Hinduism, and Romanticism into a strikingly original perspective on individual and social identity, Little chronicles Johnson's development. The book illuminates the progression of Johnson's aesthetics as he deals with the at times disturbing contrast between the hope offered by art and spirituality and the harsh realities of African American existence. As he situates Johnson within the tradition of African American literature, Little pairs each of his novels with a major precursor, including novels by Richard Wright and Ralph Ellison, and such far-ranging sources as Hermann Hesse's *Siddhartha* and the *Ten Oxherding Pictures*. These comparisons help to show Johnson's innovations within the African American literary tradition and include discussions of naturalism, realism, and modernism. This book will appeal to anyone interested in African American literature, spirituality, aesthetics, and the culture wars.

political cartoons on vietnam war: *The Other Kind of Funnies* Han Yu, 2016-12-14 *The Other Kind of Funnies* refutes the mainstream American cultural assumption that comics have little to do with technical communication—that the former are entertaining (in a low-brow sense) and juvenile, whereas the latter is practical and serious (to the point of stuffiness). The first of its kind, this book demonstrates the exciting possibilities of using comics in technical communication. It defines comics as a medium and art form that includes cartoons, comic strips, comic books, and graphic novels; provides conceptual and historical backgrounds on comics; and discusses the appeals and challenges of using comics-style technical communication. More specifically, it examines comics-style instructions, educational materials, health/risk communication, and political/propaganda communication. The author argues that comics-style technical communication encourages reader participation, produces covert persuasion, facilitates intercultural communication, benefits underprivileged audiences such as children and readers of lower literacy, and challenges the positivist view of technical communication. An abundance of comics-style technical communication examples, carefully selected from across cultures and times, demonstrates the argument. While the book proposes that comics can create user-friendly, visually oriented, engaging, and socially responsible technical communication, it is also quick to acknowledge the limitations and challenges of comics-style technical communication and provides heuristics on how to cope with them. *The Other Kind of Funnies* is unique in its interdisciplinary approach. It focuses on technical communication but speaks to design, cultural and intercultural studies, historical studies, and to some extent, education, politics, and art.

political cartoons on vietnam war: *Comics through Time* M. Keith Booker, 2014-10-28 Focusing especially on American comic books and graphic novels from the 1930s to the present, this massive four-volume work provides a colorful yet authoritative source on the entire history of the comics medium. Comics and graphic novels have recently become big business, serving as the inspiration for blockbuster Hollywood movies such as the Iron Man series of films and the hit television drama *The Walking Dead*. But comics have been popular throughout the 20th century despite the significant effects of the restrictions of the Comics Code in place from the 1950s through 1970s, which prohibited the depiction of zombies and use of the word horror, among many other rules. *Comics through Time: A History of Icons, Idols, and Ideas* provides students and general readers a one-stop resource for researching topics, genres, works, and artists of comic books, comic strips, and graphic novels. The comprehensive and broad coverage of this set is organized chronologically by volume. Volume 1 covers 1960 and earlier; Volume 2 covers 1960–1980; Volume 3 covers 1980–1995; and Volume 4 covers 1995 to the present. The chronological divisions give readers a sense of the evolution of comics within the larger contexts of American culture and

history. The alphabetically arranged entries in each volume address topics such as comics publishing, characters, imprints, genres, themes, titles, artists, writers, and more. While special attention is paid to American comics, the entries also include coverage of British, Japanese, and European comics that have influenced illustrated storytelling of the United States or are of special interest to American readers.

political cartoons on vietnam war: American Political Humor Jody C. Baumgartner, 2019-10-07 This two-volume set surveys the profound impact of political humor and satire on American culture and politics over the years, paying special attention to the explosion of political humor in today's wide-ranging and turbulent media environment. Historically, there has been a tendency to regard political satire and humor as a sideshow to the wider world of American politics—entertaining and sometimes insightful, but ultimately only of modest interest to students and others surveying the trajectory of American politics and culture. This set documents just how mistaken that assumption is. By examining political humor and satire throughout US history, these volumes not only illustrate how expressions of political satire and humor reflect changes in American attitudes about presidents, parties, and issues but also how satirists, comedians, cartoonists, and filmmakers have helped to shape popular attitudes about landmark historical events, major American institutions and movements, and the nation's political leaders and cultural giants. Finally, this work examines how today's brand of political humor may be more influential than ever before in shaping American attitudes about the nation in which we live.

political cartoons on vietnam war: Educating About Social Issues in the 20th and 21st Centuries Vol. 3 Samuel Totten, Jon Pedersen, 2014-01-01 EDUCATING ABOUT SOCIAL ISSUES IN THE 20th and 21st Centuries: A Critical Annotated Bibliography, Volume 3 is the third volume in a series that addresses an eclectic host of issues germane to teaching and learning about social issues at the secondary level of schooling, ranging over roughly a one hundred year period (between 1915 and 2013). Volume 3 specifically addresses how an examination of social issues can be incorporated into the extant curriculum. Experts in various areas each contribute a chapter in the book. Each chapter is comprised of a critical essay and an annotated bibliography of key works germane to the specific focus of the chapter.

political cartoons on vietnam war: Asian Political Cartoons John A. Lent, 2023-01-27 2023 CHOICE Outstanding Academic Title 2024 Eisner Award Nominee for Best Academic/Scholarly Work In Asian Political Cartoons, scholar John A. Lent explores the history and contemporary status of political cartooning in Asia, including East Asia (China, Hong Kong, Japan, North and South Korea, Mongolia, and Taiwan), Southeast Asia (Brunei, Cambodia, Indonesia, Malaysia, Myanmar, Philippines, Singapore, Thailand, and Vietnam), and South Asia (Bangladesh, India, Iran, Nepal, Pakistan, and Sri Lanka). Incorporating hundreds of interviews, as well as textual analysis of cartoons; observation of workplaces, companies, and cartoonists at work; and historical research, Lent offers not only the first such survey in English, but the most complete and detailed in any language. Richly illustrated, this volume brings much-needed attention to the political cartoons of a region that has accelerated faster and more expansively economically, culturally, and in other ways than perhaps any other part of the world. Emphasizing the “freedom to cartoon, the author examines political cartoons that attempt to expose, bring attention to, blame or condemn, satirically mock, and caricaturize problems and their perpetrators. Lent presents readers a pioneering survey of such political cartooning in twenty-two countries and territories, studying aspects of professionalism, cartoonists’ work environments, philosophies and influences, the state of newspaper and magazine industries, the state’s roles in political cartooning, modern technology, and other issues facing political cartoonists. Asian Political Cartoons encompasses topics such as political and social satire in Asia during ancient times, humor/cartoon magazines established by Western colonists, and propaganda cartoons employed in independence campaigns. The volume also explores stumbling blocks contemporary cartoonists must hurdle, including new or beefed-up restrictions and regulations, a dwindling number of publishing venues, protected vested interests of conglomerate-owned media, and political correctness gone awry. In these pages, cartoonists recount

intriguing ways they cope with restrictions—through layered hidden messages, by using other platforms, and finding unique means to use cartooning to make a living.

political cartoons on vietnam war: Nasty Tales David Huxley, 2001 From their origins in the 1960s, through to titles such as Cozmic Comics, Blood Sex, and Terror and Sin City, through to the emergence of Viz in the 1980's, Nasty Tales covers the turbulent history of these comics and the cultural instability from which they emerged. Incorporating many exclusive interviews with key artists and publishers, it offers a unique insight into an hitherto unseen and undocumented world.

political cartoons on vietnam war: Creativity and Culture in Greater China Chi-Cheung Leung, Sonny Shiu-Hing Lo, 2015-06-01 This publication unveils creative ideas on knowledge transfer from historical references to commercialization of cultural products. It adopts multidisciplinary, cross cultural, and experimental approaches to study the cultural industries, including art, music, popular culture, psychology, entrepreneurship, and economic studies. These scholarly thoughts and ideas were presented in the two conferences held at the Hong Kong Institute of Education in the summer of 2013. The chapters critically evaluate the current situation of the cultural industries and review the underlying relationships between the different sectors in the field. By assessing the development of the cultural industries, the authors hope that market and government intervention can enhance further consolidation and minimize hindrance to the growth of creativity.
