

teacher and student porn film

teacher and student porn film is a controversial and often discussed genre within adult entertainment that explores the fictional dynamic between educators and learners. This genre has a significant following and is characterized by its unique themes, narrative structures, and character roles. The portrayal of teacher and student relationships in pornographic films often blends elements of taboo, power dynamics, and fantasy, attracting viewers interested in these specific storylines. Understanding the cultural, psychological, and industry aspects of teacher and student porn film provides insight into why this niche remains popular. This article will examine the origins, themes, legal considerations, and production elements associated with teacher and student porn films. Following this introduction, a detailed table of contents outlines the topics covered to guide readers through the discussion.

- Origins and Popularity of Teacher and Student Porn Film
- Common Themes and Narrative Elements
- Legal and Ethical Considerations
- Production Techniques and Industry Impact
- Audience Demographics and Market Trends

Origins and Popularity of Teacher and Student Porn Film

The teacher and student porn film genre emerged as a distinct category within adult entertainment during the late 20th century. It gained popularity due to its exploration of forbidden relationships and the inherent drama associated with authority figures and youth. The appeal lies in the combination of fantasy and taboo, which captivates a broad audience. Over time, this genre has become a staple in adult content libraries, with numerous productions dedicated to these storylines. The accessibility of such films on streaming platforms and adult websites has further contributed to their widespread consumption.

Historical Background

Historically, the concept of teacher-student relationships has appeared in literature and media as a source of dramatic tension. In adult films, this idea was adapted to cater to fantasies involving power imbalance and secrecy. The portrayal typically involves a young student and an older teacher, emphasizing the contrast in experience and social roles. The genre's roots can be traced back to exploitation films and magazines before evolving into professionally produced content.

Factors Driving Popularity

Several factors contribute to the sustained popularity of teacher and student porn films:

- **Taboo appeal:** The forbidden nature of the relationship creates intrigue and excitement.
- **Power dynamics:** The imbalance between teacher authority and student submission adds complexity.
- **Relatability:** Many viewers connect with the universal setting of schools and education.
- **Variety of scenarios:** The genre allows for multiple settings and plot variations.

Common Themes and Narrative Elements

Teacher and student porn films often incorporate recurring themes and storylines that define the genre. These elements serve to build tension, develop characters, and satisfy audience expectations. Understanding these themes provides insight into the genre's structure and appeal.

Power and Authority

One of the most prevalent themes is the exploration of power and authority within the teacher-student relationship. The teacher's role as an authority figure contrasts with the student's position as a learner, creating a dynamic ripe for erotic exploration. This theme is often depicted through scenarios involving discipline, mentorship, or secret encounters.

Forbidden Romance and Secrecy

Another central narrative element is the forbidden nature of the relationship. Secrecy and risk are common motifs, with characters often engaging in clandestine meetings or hiding their interactions from others. This element heightens the dramatic tension and enhances the fantasy aspect of the films.

Coming-of-Age and Discovery

Many teacher and student porn films incorporate themes of sexual discovery and coming-of-age. The student character is frequently portrayed as inexperienced or curious, with the teacher acting as a guide or initiator. This narrative aligns with broader tropes of growth and exploration within adult entertainment.

Typical Plot Structures

Common plot structures in this genre include:

1. The strict teacher who loosens up after meeting a student.
2. The shy student who gains confidence through interactions with a teacher.
3. Secret affairs that risk exposure and consequences.
4. Power reversal scenarios where the student takes control.

Legal and Ethical Considerations

Teacher and student porn films navigate complex legal and ethical landscapes due to the sensitive nature of the subject matter. Although these films depict fictional scenarios, they must adhere to regulations that protect minors and prevent exploitation.

Age Verification and Consent

All performers in teacher and student porn films must be adults, typically verified through strict age verification processes. Consent is a critical factor in production, ensuring that all parties willingly participate. The genre's fantasy element does not translate to real-life legality, and productions must be careful to avoid any depiction of actual minors.

Legal Restrictions and Industry Guidelines

Many jurisdictions impose restrictions on content that depicts or implies relationships between teachers and students. These laws aim to prevent exploitation and protect vulnerable individuals. Industry guidelines often require that scripts and marketing materials clarify the fictional nature of the content and avoid promoting illegal behavior.

Ethical Implications

While teacher and student porn films are designed as fantasy, ethical concerns arise regarding the portrayal of power imbalances and potential normalization of inappropriate relationships. Producers and distributors are increasingly mindful of these issues, balancing creative freedom with social responsibility.

Production Techniques and Industry Impact

Producing teacher and student porn films involves specific creative and logistical considerations to authentically portray the unique themes and settings of the genre. The industry has adapted to meet audience demand while

maintaining professional standards.

Setting and Costume Design

Authenticity in setting is important for immersing viewers in the teacher and student dynamic. Common locations include classrooms, offices, and school grounds. Costume design typically features school uniforms, professional attire for teachers, and casual clothing for students to reinforce character roles.

Scriptwriting and Direction

Scripts often emphasize character development and plot progression more than other adult genres. Directors focus on creating believable interactions that highlight the tension and emotional stakes. Dialogue and scenarios are crafted to balance erotic content with storytelling.

Impact on the Adult Film Industry

The teacher and student porn film genre contributes significantly to the adult entertainment market. It drives innovation in narrative-driven content and attracts diverse audiences. The genre's success has led to increased production budgets and the involvement of high-profile performers specializing in these roles.

Audience Demographics and Market Trends

Understanding who consumes teacher and student porn films and how market trends evolve provides insight into the genre's place within the adult entertainment ecosystem.

Viewer Profiles

The audience for teacher and student porn films is diverse, including various age groups and demographics. Many viewers are attracted to the genre due to its blend of fantasy, drama, and eroticism. Both male and female viewers engage with this content, often appreciating the narrative complexity.

Market Growth and Distribution Channels

The genre has seen consistent growth, fueled by digital distribution platforms, subscription services, and on-demand content. Social media and adult forums also play a role in popularizing specific films and performers within this niche.

Emerging Trends

Recent trends in teacher and student porn films include:

- Increased focus on diverse casting and inclusive storylines.
- Integration of virtual reality and interactive experiences.
- Greater emphasis on ethical production practices and performer well-being.
- Expansion into educational-themed subgenres blending fantasy with realism.

Frequently Asked Questions

What is the general public opinion about teacher and student porn films?

Teacher and student porn films are controversial and often criticized due to their depiction of relationships that can imply power imbalances and ethical concerns, despite being fictional and performed by consenting adults.

Are teacher and student porn films legal?

Yes, teacher and student porn films are legal as long as all performers are consenting adults and the content complies with local laws regarding pornography. The scenarios portrayed are fictional and do not involve actual minors.

Why are teacher and student porn films popular in adult entertainment?

These films often explore taboo themes and power dynamics, which can be appealing to some viewers seeking fantasy scenarios. The forbidden nature of the teacher-student relationship adds an element of intrigue.

Do teacher and student porn films promote inappropriate behavior?

While some argue these films can normalize inappropriate relationships, others see them purely as fictional entertainment. It is important to distinguish between fantasy in adult films and real-life ethical boundaries.

How do adult film producers ensure ethical standards in teacher and student scenarios?

Producers ensure all actors are consenting adults, provide clear communication about roles, and avoid any illegal or non-consensual content. Scripts and settings are carefully managed to maintain ethical production standards.

Where can one find teacher and student porn films legally and safely?

Legal and safe teacher and student porn films can be found on reputable adult entertainment websites that verify performer ages and comply with legal regulations, such as licensed streaming platforms and studios specializing in adult content.

teacher and student porn film: *Teacher-Student Relationships* Ernest J. Zarra III, 2013-04-08
Why are so many public school teachers, administrators, and coaches choosing to become romantically and sexually involved with teenage students and players? Since 2000, numbers of intimate relationships between teachers and students have skyrocketed. Teacher arrests are at all-time highs. Is there a correlation between these relationships and communication and social technologies? The book explores: What is driving those in public and private education to have romantic and sexual relationships with their students, and to jeopardize their careers, families, reputations, and freedom? What roles do communication and social technologies play in feeding teacher-student relationships? Who is protecting teenagers from predator-teachers and predator-coaches, in our schools? Is there a new phenomenon in schools: The Predator Teenage Student? What practical strategies can be put in place to protect teenagers from sexual predators on our campuses? The appropriate educational use of communication technologies on high school campuses. This book is provocative and relevant for educators at all levels, public and private. It is also a must-read for professors, teachers-in training, athletic and academic coaches, school administrators, and parents.

teacher and student porn film: *Torture Porn in the Wake of 9/11* Aaron Kerner, 2015-04-24
Saw, Hostel, The Devil's Rejects: this wave of horror movies has been classed under the disparaging label "torture porn." Since David Edelstein coined the term for a New York magazine article a few years after 9/11, many critics have speculated that these movies simply reflect iconic images, anxieties, and sadistic fantasies that have emerged from the War on Terror. In this timely new study, Aaron Kerner challenges that interpretation, arguing that "torture porn" must be understood in a much broader context, as part of a phenomenon that spans multiple media genres and is rooted in a long tradition of American violence. *Torture Porn in the Wake of 9/11* tackles a series of tough philosophical, historical, and aesthetic questions: What does it mean to call a film "sadistic," and how has this term been used to shut down critical debate? In what sense does torture porn respond to current events, and in what ways does it draw from much older tropes? How has torture porn been influenced by earlier horror film cycles, from slasher movies to J-horror? And in what ways has

the torture porn aesthetic gone mainstream, popping up in everything from the television thriller *Dexter* to the reality show *Hell's Kitchen*? Reflecting a deep knowledge and appreciation for the genre, *Torture Porn in the Wake of 9/11* is sure to resonate with horror fans. Yet Kerner's arguments should also strike a chord in anyone with an interest in the history of American violence and its current and future ramifications for the War on Terror.

teacher and student porn film: *America's Sex Culture* Ernest J. Zarra III, 2020-08-04 *America's Sex Culture: Its Impact on Teacher-Student Relationships* analyzes recent trends. It includes teacher arrests and student false allegations, and why this culture has ensnared teachers and students, and why it is one of the causes leading to arrests. This second edition adds new material, including: An analysis of sex-trafficking and how this has impacted high schools and colleges. Sex addiction and pornography and the effect each has on today's students and teachers. Social media and how it has eased its way into the lives of many. Furthermore, sex and pornography are being debated at the state level. States are trying to determine whether teachers in their off-hours can do whatever they want and still keep their teaching jobs. Anecdotal evidence concerning teacher arrests and why our nation is more sexualized than ever. The impact of America's sex culture and its impact upon the developing brains of students and how they relate to teachers.

teacher and student porn film: *A Companion to the Horror Film* Harry M. Benshoff, 2017-01-17 This cutting-edge collection features original essays by eminent scholars on one of cinema's most dynamic and enduringly popular genres, covering everything from the history of horror movies to the latest critical approaches. Contributors include many of the finest academics working in the field, as well as exciting younger scholars. Varied and comprehensive coverage, from the history of horror to broader issues of censorship, gender, and sexuality. Covers both English-language and non-English horror film traditions. Key topics include horror film aesthetics, theoretical approaches, distribution, art house cinema, ethnographic surrealism, and horror's relation to documentary film practice. A thorough treatment of this dynamic film genre suited to scholars and enthusiasts alike.

teacher and student porn film: *From Page to Screen / Vom Buch zum Film* Manuel Almagro-Jiménez, Eva Parra-Membrives, 2020-10-05 For a long time now, women have struggled for the vindication of their rights and for their visibility. This struggle may seem a story of success, maybe not complete or equal for all women, but at least one which slowly but surely carries with it the promise of equality for all women. However, a closer look reveals that in various fields of culture the representation of women frequently undergoes a manipulation which makes the image of women lose the intention initially attempted. This is often the case with adaptations of literary texts to the screen, when the initial literary message is changed because of, for example, marketing demands or some ideological stance. Rarely do we find the opposite case where the indifferent or emasculated original female characters are turned into guardians and/or apologists of feminine power. The present volume focuses precisely on the way in which the image of women is modified in films and TV series, when compared with the original literary texts.

teacher and student porn film: *For Pete's Sake* ,

teacher and student porn film: *Unspeakable Shakespeare*, Revised Edition NA NA, 2016-04-30 *Unspeakable Shakespeare* is a savvy look at the wide range of adaptations, spin-offs, and citations of Shakespeare's plays in 1990s popular culture. What does it say about our culture when Shakespearean references turn up in television episodes of *The Brady Bunch* and *Gilligan's Island*, films such as *In and Out* and *My Own Private Idaho*, and hardcore porn adaptations of *Hamlet* and *Romeo and Juliet*? Burt reads the reception of these often quite bad replays in relation to contemporary youth culture and the queering of Shakespeare.

teacher and student porn film: *The School Story* David Aitchison, 2022-02-04 *The School Story: Young Adult Narratives in the Age of Neoliberalism* examines the work of contemporary writers, filmmakers, and critics who, reflecting on the realm of school experience, help to shape dominant ideas of school. The creations discussed are mostly stories for children and young adults. David Aitchison looks at serious novels for teens including Laurie R. King's *Speak* and Faiza

Guène's *Kiffe Kiffe Tomorrow*, the light-hearted, middle-grade fiction of Andrew Clements and Tommy Greenwald, and Malala Yousafzai's autobiography for young readers, *I Am Malala*. He also responds to stories that take young people as their primary subjects in such novels as Sapphire's *Push* and films including *Battle Royale* and *Cooties*. Though ranging widely in their accounts of young life, such stories betray a mounting sense of crisis in education around the world, especially in terms of equity (the extent to which students from diverse backgrounds have fair chances of receiving quality education) and empowerment (the extent to which diverse students are encouraged to gain strength, confidence, and selfhood as learners). Drawing particular attention to the influence of neoliberal initiatives on school experience, this book considers what it means when learning and success are measured more and more by entrepreneurship, competitive individualism, and marketplace gains. Attentive to the ways in which power structures, institutional routines, school spaces, and social relations operate in the contemporary school story, *The School Story* offers provocative insights into a genre that speaks profoundly to the increasingly precarious position of education in the twenty-first century.

teacher and student porn film: Digital Cocaine (eBook) Brad Huddleston, 2016-01-15
What's the difference between half a line of cocaine and an hour playing a video game? Nothing, as far as your brain is concerned. What can you do to be effective at multi-tasking? Nothing, as far as your brain is concerned. What do digital devices in the classroom contribute to focus and concentration? Nothing, as far as your brain is concerned. In *DIGITAL COCAINE*, Brad Huddleston will replace your confusion, hesitancy and fear as it relates to the digital world with the facts that can make you and your family safer and more secure from page one. Whether it's gaming, pornography, cyberbullying, or the decline in grades, you'll get a look inside your wonderful God-designed brain to understand how it interacts with the exploding world of digital communication and how you can keep your family safe. Your smartphone, tablet and computer can be powerful tools to help you ... or not. The choice is yours. *DIGITAL COCAINE* gives you the power to make that choice.

teacher and student porn film: Porn Studies Linda Williams, 2004 In her pioneering book *Hard Core*, Linda Williams put moving-image pornography on the map of contemporary scholarship with her analysis of the most popular and enduring of all film and video genres. Now, fifteen years later, she showcases the next generation of critical thinking about pornography and signals new directions for study and teaching. *Porn Studies* resists the tendency to situate pornography as the outer limit of what can be studied and discussed. With revenues totaling between ten and fourteen billion dollars annually--more than the combined revenues of professional football, basketball, and baseball--visual, hard-core pornography is a central feature of American popular culture. It is time, Williams contends, for scholars to recognize this and give pornography a serious and extended analysis. The essays in this volume move beyond feminist debates and distinctions between a good erotica and a bad hard core. Contributors examine varieties of pornography from the tradition of the soft-core pin-up through the contemporary hard-core tradition of straight, gay, and lesbian videos and dvds to the burgeoning phenomenon of pornography on the Internet. They explore, as examples of the genre, individual works as divergent as *The Starr Report*, the pirated Tommy Lee/Pamela Anderson honeymoon video, and explicit Japanese ladies' comics consumed by women. They also probe difficult issues such as the sexualization of race and class and the relationship of pornography to the avant-garde. To take pornography seriously as an object of analysis also means teaching it. *Porn Studies* thus includes a useful annotated bibliography of readings and archival sources important to the study of pornography as a cultural form. Contributors. Heather Butler, Rich Cante, Jake Gerli, Minette Hillyer, Nguyen Tan Hoang, Despina Kakoudaki, Franklin Melendez, Ara Osterweil, Zabet Patterson, Constance Penley, Angelo Restivo, Eric Schaefer, Michael Sicinski, Deborah Shamon, Maria St. John, Tom Waugh, Linda Williams

teacher and student porn film: Race in American Film Daniel Bernardi, Michael Green, 2017-07-07 This expansive three-volume set investigates racial representation in film, providing an authoritative cross-section of the most racially significant films, actors, directors, and movements in

American cinematic history. Hollywood has always reflected current American cultural norms and ideas. As such, film provides a window into attitudes about race and ethnicity over the last century. This comprehensive set provides information on hundreds of films chosen based on scholarly consensus of their importance regarding the subject, examining aspects of race and ethnicity in American film through the historical context, themes, and people involved. This three-volume set highlights the most important films and artists of the era, identifying films, actors, or characterizations that were considered racist, were tremendously popular or hugely influential, attempted to be progressive, or some combination thereof. Readers will not only learn basic information about each subject but also be able to contextualize it culturally, historically, and in terms of its reception to understand what average moviegoers thought about the subject at the time of its popularity—and grasp how the subject is perceived now through the lens of history.

teacher and student porn film: *Now You See Her* Anne Crémieux, 2023-03-13 Over the past thirty years, queer women have been coming out of the media closet to enter the mainstream consciousness. This book explores the rise of lesbian visibility since the 1990s with in-depth historical analyses of representation in sports, music, photography, comics, television and cinema. Each chapter is complemented by an interview: soccer player and coach Saskia Webber, singer-songwriter Gretchen Phillips, photographer Lola Flash, cartoonist Alison Bechdel and filmmakers Jamie Babbit and Anna Margarita Albelo discuss the societal transformations that shaped their careers. From the riot grrrl movement of the early 1990s punk scene to screen representations of queer culture (*The L Word*, *Orange Is the New Black*), this book discusses how lesbian presence successfully infiltrated several patriarchal strongholds, and was transformed in return.

teacher and student porn film: *Mother Jones Magazine*, 1993-09 *Mother Jones* is an award-winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues.

teacher and student porn film: *Male Rape Victimisation on Screen* Victoria M. Nagy, 2023-11-30 Focusing on the under-researched area of male sexual assault, this book reveals how seemingly harmless humour can infiltrate how we think about violent and victimising behaviours.

teacher and student porn film: *Every Parent Should Read This Book* Ben Brooks, 2020-09-03 'AN INDISPENSABLE USER'S GUIDE TO ADOLESCENTS.. THE MOST REASSURING THING ABOUT THIS BOOK IS THAT IT'S SO GOOD' Daily Mail 'THE BOOK TO READ' The Times 'EVERY PARENT SHOULD READ THIS BOOK' Clover Stroud 'A MUST-READ FOR THOSE WITH TEENAGE KIDS' Candice Brathwaite ----- A GUIDE TO TEENAGERS FROM THIS CENTURY - FOR PARENTS FROM THE LAST CENTURY Written from a teenager's perspective, this is a unique field guide for parents about the secret lives of 21st century adolescents - from mental health to self-harm, from drugs to sexting - and how you can help them and yourself through these turbulent years without losing their trust. *Things They Don't Want You To Know* is a look at modern life through the eyes of a teenager, by someone who recently graduated from that club. Along the way, Brooks takes readers on a tour of the websites that most parenting manuals would rather pretend don't exist. Yet this is the stuff your kids are all over, on a daily basis. There is porn, there are hallucinogens, there is cyberbullying and suicidal ideation. Brooks' point is that to remain completely unaware of their existence can mean that as a parent, you end up getting blindsided. And being blindsided means you won't know what to say and how to say it when things go wrong. You'll be surprised, shocked but you'll also be reassured. This book will help you to understand and support your kids. They won't thank you, but they might hate you less.

teacher and student porn film: *European Silent Films on Video* William B. Parrill, 2015-06-08 This book is a critical encyclopedia of silent European films currently available on DVD, laser disc, and VHS. It provides concise and accurate summaries of the films, evaluates the quality of the prints, discusses the changing reputations of both films and filmmakers, and considers how the techniques developed during the silent period continue to influence filmmaking today. The book cites contemporary and recent criticism of the films and includes an extensive bibliography as well as a list of films by director. Numerous photos are also included.

teacher and student porn film: The Middle Finger Saikat Majumdar, 2022-02-01 Never afraid of taking risks, Saikat Majumdar has taken his place as one of the most striking novelists writing today. – SHASHI DESHPANDE In prose of spare elegance and understated precision, Saikat Majumdar explores an ethical conflict around mentorship, as well as a welter of questions around creative compromise, cultural privilege and entitlement, including the insidious pressures on poets to be 'snarky and snappy'. Here is a storyteller whose language is writerly yet beautifully unmannered, supple enough to combine irony with gentleness, finely-modulated observation with axiomatic ease. – ARUNDHATHI SUBRAMANIAM A novel of love and friendship, pleasure, pain and jealousy. – R. RAJ RAO What are the ethical boundaries of friendship and intimacy between a student and a teacher? Megha, a young writing lecturer in New Jersey struggles to finish her thesis and find full-time employment even as she begins to find underground fame as a poet. Restless and disenchanted, she lets her professor and friends persuade her to take up a position at a new university in Delhi. Moving continents, resettling in the city she knew as a teenager, she discovers that the university is an island of wealth and privilege, and that her mandate is to teach and train some of the key members of India's ruling class. But her life as a teacher is disrupted as she makes a new friend who unsettles her and asks for unexpected support. In sharp and lyrical prose, *The Middle Finger* tells the story of a poet grappling with questions about mentorship and belonging, disrupting boundaries set by society and the hierarchies hidden in the world of education.

teacher and student porn film: Stephen King and Philosophy Jacob M. Held, 2016-08-15 Haunting us with such unforgettable stories as *The Shining*, *The Shawshank Redemption*, *Salem's Lot*, *Carrie*, *The Green Mile*, and *Pet Sematary*, Stephen King has been an anchor of American horror, science fiction, psychological thrillers, and suspense for more than forty years. His characters have brought chills to our spines and challenged our notions of reality while leaving us in awe of the perseverance of the human spirit. The first book in the new Great Authors and Philosophy series, *Stephen King and Philosophy* reveals some of the deeper issues raised by King's work. From retribution, freedom, and moral relativity, to death and insanity, the chapters of this book expose how King's stories access the questions and fears that haunt each of us in the middle of the night. Contributions by Katherine Allen, Randall E. Auxier, Charles Bane, Matthew Butkus, Kellye Byal, Cam Cobb, Timothy Dale, Paul R. Daniels, Joseph J. Foy, Bertha Alvarez Manninen, Tuomas W. Manninen, Garret Merriam, Michael K. Potter, and C. Taylor Sutton

teacher and student porn film: The End of Japanese Cinema Alexander Zahlten, 2017-09-29 In *The End of Japanese Cinema* Alexander Zahlten moves film theory beyond the confines of film itself, attending to the emergence of new kinds of aesthetics, politics, temporalities, and understandings of film and media. He traces the evolution of a new media ecology through deep historical analyses of the Japanese film industry from the 1960s to the 2000s. Zahlten focuses on three popular industrial genres: Pink Film (independently distributed softcore pornographic films), Kadokawa (big-budget productions as part of a transmedia strategy), and V-Cinema (direct-to-video films). He examines the conditions of these films' production to demonstrate how the media industry itself becomes part of the politics of the media text and to highlight the complex negotiation between media and politics, culture, and identity in Japan. Zahlten points to a different history of film, one in which a once-powerful film industry transformed into becoming only one component within a complex media-mix ecology. In so doing, Zahlten opens new paths for uncovering similar broad processes in other large media societies. A Study of the Weatherhead East Asian Institute, Columbia University

teacher and student porn film: Bisexual Characters in Film Wayne M Bryant, 2013-10-23 How far have we progressed from the days when showing a film such as Jack Smith's *Flaming Creatures* landed the cinema's programmer, projectionist, and ticket taker in jail? What are some of the hidden clues modern audiences are overlooking in older films that suggest a character's bisexuality? Which famous actors, actresses, directors, and screenwriters were attracted to people of both sexes? In *Bisexual Characters in Film*, the first book to focus on the role of bisexual characters in film, you'll find answers to these questions and many more as you explore, analyze,

and celebrate 80 years of bisexual movie characters (and the people who have created them) from around the world. A lively, entertaining, and informative commentary, this book examines the treatment of bisexual film characters and shows you how that treatment has been affected by societal forces such as censorship, politics, religious prejudices, homophobia, and sexual stereotypes. *Bisexual Characters in Film* looks at the contribution of bisexual people (and others who have had lovers of varying sexes) to the body of work available on film today. These include the directors, writers, actors, composers, and designers whose sexual orientation has informed their work. An analysis of the Motion Picture Production Code and its devastating effect on bisexual and homosexual screen images forms an important part of the book. You learn how, specifically, it eradicated gay, lesbian, and bisexual characters from Hollywood films as well as the role of bisexual, lesbian, and gay filmmakers in finally defeating it. Other questions you'll find answers to include: Who, or what, is a bisexual? How were bisexual characters represented in silent film, before the forces of censorship banned them from the screen? What bisexual myths and stereotypes are portrayed on film? What is the role of "camp" in bisexual film? *Bisexual Characters in Film* is a unique resource for researchers; librarians; film festival planners; the queer media; professors and students of lesbian, gay, and bisexual studies; bisexual activists; and general bisexual, gay, lesbian, and transgendered readers. It provides a much-needed view of bisexual representations in a major segment of our popular culture.
