He's been away for four years, now he's going to be CEO again in my father's company, where I also work now. Nothing special so far. If you ignore the fact that I will be his personal assistant - and I already fell head over heels in love with him five years ago when I first saw him. At fifteen - with a man who could be my father! But the worst thing is that my feelings for him haven't changed in the slightest. I realise this now, at the latest, when I see him again for the first time after all this time. God, I still love Nathan Wood!
