

# teacher halloween costumes group

**teacher halloween costumes group** ideas offer a fun and creative way for educators to celebrate Halloween while fostering a sense of community and engagement among staff and students. Coordinated group costumes allow teachers to showcase their teamwork and creativity, making the holiday memorable and enjoyable within the school environment. This article explores various themes, tips, and considerations for assembling a teacher Halloween costumes group that is both appropriate and visually impactful. From classic ensembles to pop culture references, educators can find inspiration to craft costumes that enhance the festive atmosphere. Understanding how to balance fun with professionalism is key when planning group costumes for educators. The following sections provide detailed guidance on theme selection, costume ideas, planning logistics, and practical advice for a successful teacher Halloween costumes group experience.

- Benefits of a Teacher Halloween Costumes Group
- Popular Themes for Teacher Halloween Costumes Groups
- Planning and Organizing a Teacher Halloween Costumes Group
- Costume Ideas for Teachers in a Group Setting
- Practical Tips for Wearing Costumes in School

## Benefits of a Teacher Halloween Costumes Group

Participating in a teacher Halloween costumes group offers multiple benefits for educators and the school community. Coordinated costumes promote unity among staff members, encouraging collaboration beyond the classroom. This shared activity can boost morale and create a positive school culture during the Halloween season. Additionally, group costumes can make school events more engaging and entertaining for students, fostering excitement and participation. When teachers dress up together, it also sets a tone of inclusivity and creativity, demonstrating to students that learning environments can be fun and dynamic. Beyond the social advantages, group costumes can serve as conversation starters and icebreakers among faculty, enhancing professional relationships.

## Popular Themes for Teacher Halloween Costumes

## **Groups**

Selecting a theme is a crucial step when forming a teacher Halloween costumes group. Themes help ensure cohesion and make the group visually striking. Choosing an appropriate theme that resonates with the educators and fits the school context can enhance the overall experience.

## **Classic Halloween Characters**

Classic Halloween characters remain a popular choice due to their recognizability and versatility. Teachers can dress as witches, ghosts, vampires, zombies, or skeletons. These costumes can be customized to suit different comfort levels and budget constraints, allowing for creativity in makeup and accessories.

## **Pop Culture Icons**

Pop culture-based themes such as characters from popular movies, TV shows, or books can generate excitement and familiarity among students and staff. Examples include superheroes, Disney characters, or figures from popular series like Harry Potter or Stranger Things. These costumes often spark conversations and enhance the festive spirit.

## **Educational and Subject-Themed Costumes**

Another effective approach is to base costumes on academic subjects or educational themes. For instance, a math-themed group might dress as numbers or geometric shapes, while a science-themed group could portray famous scientists or elements from the periodic table. This method integrates learning with celebration, reinforcing educational content.

## **Seasonal and Nature Themes**

Teachers can also opt for autumn and nature-related themes such as pumpkins, trees, animals, or harvest motifs. These costumes align with the seasonal ambiance of Halloween and can be both charming and tasteful for a school environment.

## **Planning and Organizing a Teacher Halloween Costumes Group**

Successful execution of a teacher Halloween costumes group requires careful planning and coordination. Early organization ensures that all participants

are informed and prepared, which helps avoid last-minute complications.

## **Forming the Group**

The initial step involves gathering interested teachers and deciding on a theme that suits everyone. It is important to consider the number of participants and their preferences to select a theme that is inclusive and manageable.

## **Budget Considerations**

Costume expenses can vary widely, so discussing budget constraints upfront is essential. Teachers can decide to purchase costumes individually, share materials, or create homemade costumes to minimize costs. Group purchases or bulk orders may also provide savings.

## **Timeline and Communication**

Setting a timeline for costume decisions, creation, and finalization helps keep the group on track. Regular communication through meetings or digital platforms ensures that all members stay informed and can contribute ideas or raise concerns.

## **Coordination with School Policies**

Before finalizing costumes, it is crucial to review school dress code policies related to Halloween attire. Ensuring that costumes are appropriate and non-disruptive maintains professionalism and avoids potential issues.

## **Costume Ideas for Teachers in a Group Setting**

Choosing specific costume ideas that work well in a group context enhances the visual impact and thematic coherence of the teacher Halloween costumes group.

## **Storybook Characters**

Teachers can dress as characters from classic or contemporary children's books. Examples include characters from Dr. Seuss, fairy tales, or popular series like Pete the Cat. This theme supports literacy initiatives and delights students familiar with the stories.

## **Decades or Historical Figures**

A group costume theme based on different decades (e.g., the 1960s, 1980s) or notable historical figures offers variety and educational value. Each teacher can select a distinct persona while contributing to a unified concept.

## **Famous Artists or Art Styles**

Teachers can embody famous artists such as Frida Kahlo, Picasso, or Andy Warhol, or represent various art movements like pop art or surrealism. This theme aligns well with art educators but can be adapted for other subjects as well.

## **Career and Community Helpers**

Costumes portraying community roles such as firefighters, police officers, doctors, and librarians can educate students about different professions while providing a relatable and positive theme.

- Witch and Wizard Ensembles
- Superhero Teams
- Classic Movie Characters
- Seasonal Harvest Costumes
- Animal Groups

## **Practical Tips for Wearing Costumes in School**

Wearing costumes during school hours requires attention to comfort, safety, and appropriateness to ensure a smooth and enjoyable experience for teachers and students alike.

### **Comfort and Mobility**

Teachers should select costumes that allow for ease of movement and comfort throughout the day. Avoiding restrictive garments or cumbersome accessories helps maintain productivity and prevents distractions.

## **Safety Considerations**

Costumes should not hinder vision, hearing, or mobility. Avoid masks or props that could pose safety risks or interfere with daily teaching activities. Additionally, it's important to ensure costumes do not have small parts that could be hazardous to younger children.

## **Respecting Cultural Sensitivities**

Costume choices must be respectful and culturally sensitive, avoiding stereotypes or offensive representations. Maintaining professionalism while embracing the festive spirit supports a positive school environment.

## **Weather and Practicality**

Considering the local climate and school facilities is important when selecting costumes. Layering options and weather-appropriate materials help teachers stay comfortable during outdoor activities or transitions between classrooms.

## **Coordination and Final Checks**

On the day of the event, coordinating arrival times and performing final costume checks ensures the group looks cohesive and ready for school celebrations. Bringing repair kits or extra accessories can be helpful for last-minute adjustments.

## **Frequently Asked Questions**

### **What are some creative group Halloween costume ideas for teachers?**

Some creative group Halloween costume ideas for teachers include dressing up as classic storybook characters, different superheroes, famous artists, or even a themed set like the solar system with each teacher representing a planet.

### **How can teachers coordinate their group Halloween costumes effectively?**

Teachers can coordinate their group Halloween costumes by choosing a common theme, holding a planning meeting, sharing costume ideas and resources in a group chat, and assigning roles or characters to ensure everyone's costume complements the overall theme.

## **What are easy and affordable group Halloween costume ideas for teachers?**

Easy and affordable group Halloween costume ideas for teachers include dressing as crayons, board game pieces, emojis, or characters from a popular TV show or movie using simple clothing and DIY accessories.

## **How can teacher groups ensure their Halloween costumes are classroom-appropriate?**

Teacher groups can ensure their Halloween costumes are classroom-appropriate by avoiding costumes that are too scary, revealing, or offensive, and by choosing themes that are fun, educational, and suitable for young students.

## **What are some benefits of teachers dressing up in group costumes for Halloween?**

Benefits of teachers dressing up in group costumes for Halloween include fostering team spirit, creating a fun and engaging environment for students, encouraging creativity, and enhancing the overall school culture and community involvement.

## **Additional Resources**

### *1. Spooky Squad: Creative Halloween Costume Ideas for Teacher Groups*

This book offers a variety of imaginative and coordinated costume ideas perfect for teacher groups looking to make Halloween fun and memorable. It includes themes ranging from classic monsters to popular culture references, with tips on how to assemble costumes on a budget. Teachers will find inspiration for fostering team spirit and engaging students through festive dress-up.

### *2. Classroom Characters: Group Costume Inspirations for Educators*

Designed specifically for educators, this guide presents themed costume ideas that can be easily adapted for groups of teachers. It covers genres like storybook characters, historical figures, and whimsical creatures, encouraging collaboration and creativity among staff. The book also provides advice on incorporating costumes into classroom activities.

### *3. Haunted Hallways: Coordinated Costume Plans for School Staff*

This book focuses on transforming entire school staff into a unified Halloween theme, enhancing school spirit and community involvement. With step-by-step planning guides and DIY costume tutorials, it's ideal for teachers aiming to impress during Halloween events. It also discusses safety and comfort considerations for all-day wear.

### *4. Themed Ensembles: Group Halloween Costumes for Educators*

Explore a range of themed group costume ideas tailored for teachers, from

fairy tale squads to spooky science teams. The book emphasizes teamwork and creativity, providing checklists and role assignments to streamline the costume planning process. It also highlights how to use costumes to support curriculum topics and student engagement.

*5. Monster Mash Faculty: Fun and Easy Group Costumes for Teachers*

Filled with fun, easy-to-create costume ideas, this book helps teachers collaborate on Halloween outfits without spending excessive time or money. It includes printable templates, accessory suggestions, and tips for mixing and matching pieces. The focus is on enjoyment, inclusivity, and making Halloween a joyful experience for both staff and students.

*6. Storybook Staff: Bringing Literature to Life with Group Costumes*

Ideal for literary-themed Halloween celebrations, this book guides teacher groups in dressing as beloved characters from children's books. It offers creative costume ideas, background stories, and ways to integrate the costumes into reading activities. The book encourages educators to combine storytelling and dress-up for an immersive learning experience.

*7. Wickedly Wonderful: Halloween Costume Collaboration for Teachers*

This resource emphasizes collaboration and creativity among teachers planning group costumes, with a variety of unique and wickedly fun ideas. It includes advice on coordinating colors, themes, and props to achieve a cohesive look. Additionally, it covers how to promote school-wide participation and excitement through faculty costume presentations.

*8. Enchanting Ensembles: Magical Group Costumes for Educators*

Dive into a world of magic and fantasy with group costume ideas designed for teacher teams who want to enchant their students. From wizarding worlds to mythical creatures, this book provides detailed costume plans and makeup tips. It also discusses how to use costumes to spark imagination and encourage student creativity.

*9. Halloween Harmony: Coordinated Costumes for Teacher Teams*

This book offers practical strategies for teacher groups to plan and execute coordinated Halloween costumes that promote unity and fun. It includes theme suggestions, timeline checklists, and budget-friendly tips to ensure smooth collaboration. Teachers will find inspiration to create memorable Halloween experiences that strengthen staff camaraderie.

**teacher halloween costumes group:** *Composing a Teacher Study Group* Richard J. Meyer, With Linda Brown, Elizabeth DeNino, Kimberly Larson, Mona McKenzie, 2013-10-18 There has been a flurry of writing about teachers as inquirers and researchers as well as books about children as inquirers. This volume brings these two areas together -- teachers and students are inquiring at Ridgeway Elementary School. It demonstrates the importance of thought collectives as forums for student and teacher learning. The children in the primary classrooms in this book are working to understand the world around them and their place in it as literate individuals. Their teachers are studying themselves and the students. No other book describes the way this work affects children, teachers, and the ethos of the school in which the work occurs. In that sense, this book is groundbreaking in that it is an honest portrayal of the joys and sorrows, the successes and the stumbling blocks, the clear vision, and the obfuscating that teachers live as they enact a life of asking questions, being curious, wandering, and wondering. Acknowledging and honoring the many faces of inquiry in schools, this book demonstrates the children's inquiry, their teachers' inquiry, and the place of that inquiry in schools. It lays out the ways in which inquiry is fundamental to teaching and learning in a democracy in which all of the members of the community have a voice in deciding curricular directions and ways of presenting learning. Teachers are presented as thinkers and learners, not merely as technicians enacting others' views of what is to be learned and when. Readers will find teachers dealing with the real issues of life in schools; they will see how teachers can use their existing situations as points of departure for their growth and their students' learning.

**teacher halloween costumes group: Social Justice Education, Globalization, and Teacher Education** Lydiah Nganga, John Kambutu, 2015-11-01 The primary purpose of this book is to serve as a resource in teacher preparation programs. It is also intended to serve as an instructional resource in P?12 education. The book will be especially useful in methods of teaching and foundational courses both at the elementary and secondary education levels. The book contains pertinent instructional topics, units and lessons in global education and social justice themes. The secondary purpose of this book is to serve as a resource for graduate students and researchers whose interest is global and social justice education. This unique book provides for an interdisciplinary approach to teacher education. Additionally, this book is intended to create a deeper sense of relevancy to issues of curriculum in teacher education. Together, global educators and social justice educators can forge pedagogical content knowledge that bridges the gap between affirming one's own identity and maintaining unity with the whole, thus exemplifying a robust notion of social justice. Consequently, content in this book will help pre?service teachers to gain confidence and deeper knowledge around issues of global interest, responsibilities and uncertainties associated with their role as teachers who will teach children within the intersection of local and international neighborhoods.

**teacher halloween costumes group:** *Instructional Practices* D. L. Forrest-Pressley, G. E. MacKinnon, T. Gary Waller, 2013-09-11 *Metacognition, Cognition, and Human Performance, Volume 2: Instructional Practices* is a collection of papers that deals with applied settings that develop and test instructional programs in the field of education. The book discusses some insights in understanding the processes involved in writing and reading. The text defines metacognition — as a mental function and the directing of this function — and reading, as well as the structure of narratives. One paper proposes a model for cognitive monitoring and early reading by developing for children three knowledge domains: function of print, form of print, and conventions of print or metacognitive constructs. Other papers analyze metacognition, instruction, the role of questioning activities, as well as the connection between metacognition and learning disabilities. One author evaluates a different perspective whether attention-related difficulties are a normal development in a young child or a disability in the older child. This author also explains meta-attention pertaining to task solving, selective attention to other stimuli, and visual search of the surrounding or for a target object. One research shows that methodologies designed to induce underachieving children to regulate their own academic behavior can improve their performance. The text can prove useful to child psychologists, behavioral scientists, and students and professors in child education.

**teacher halloween costumes group: Best Practices for Teacher Leadership** Randi Stone, Pru Cuper, 2006-01-13 This collection chronicles the many ways in which teachers create professional learning communities through collaborations with colleagues, mentees, faculty groups, learners, families, and neighborhoods.

**teacher halloween costumes group: The Ultimate Jewish Teacher's Handbook** Nachama Skolnik Moskowitz, 2003 This complete and comprehensive resource for teachers new and experienced alike offers a big picture look at the goals of Jewish education.

**teacher halloween costumes group: Kurious Katz and the Halloween Costumes** Niki Mitchell, 2020-10-04 Tomorrow is Halloween. Taffy and Snickerdoodle don't have much trouble picking out their costumes, but Marshmallow just can't decide. Will Marshmallow ever find the right outfit?

**teacher halloween costumes group: Sociology Through Emotions** Scott R. Harris, 2025-02-19 Offering an accessible and intriguing look at emotions in society, *Sociology Through Emotions* collects together contemporary qualitative research that illuminates many of sociology's central concepts and topics, from culture, socialization, and inequality to family, crime, healthcare, religion, and social movements. This book appeals to instructors who want to highlight the social factors that shape emotions as well as the impact of emotions on social life. It is an attractive supplement for courses on introduction to sociology, self and society, social psychology, and others focused on interaction, culture, and meaning making.

McKnight, 2011-03-01 Problem-solving techniques for all aspects of the English teacher's job This unique time-saving book is packed with tested techniques and materials to assist new and experienced English teachers with virtually every phase of their job from lesson planning to effective discipline techniques. The book includes 175 easy-to-understand strategies, lessons, checklists, and forms for effective classroom management and over 50 reproducible samples teachers can adopt immediately for planning, evaluation, or assignments. It is filled with creative and functional ideas for reading response activities, writing assignments, group and individual projects, and speeches. Offers instructions for creating and implementing an effective classroom-wide behavior management program Shows how to practice the art of teaching English effectively and reduce time on labor intensive tasks Reveals how to work effectively with parents, colleagues, substitute teachers, administrators, and community resources The second edition includes coverage of technology in the classroom, advice for working with reluctant readers, a wealth of sample teaching units and more.

**teacher halloween costumes group: Cool English Level 2 Teacher's Guide with Audio CD and Tests CD** Herbert Puchta, Guenter Gerngross, Raquel Royo, 2005-09-05 Cool English is a 6-level contemporary version of Join In. It is organized in lesson plans for each class session. These lesson plans give suggestions on different ways of exploiting the activities, plus extra ideas and materials. It includes clear and concise instructions with step-by-step explanations which simplify lesson-planning for the teacher. The guide is interleaved with the Pupil's Book and contains all the tape scripts. The Audio CD for the teacher contains all the songs and the recordings from the Pupil's Book, as well as the listening tests. The Tests CD contains pdfs of assessment tests for this level.

**teacher halloween costumes group: Transforming World Language Teaching and Teacher Education for Equity and Justice** Beth Wassell, Cassandra Glynn, 2022-04-29 This edited book expands the current scholarship on teaching world languages for social justice and equity in K-12 and postsecondary contexts in the US. Over the past decade, demand has been growing for a more critical approach to teaching languages and cultures: in response, this volume brings together a group of scholars whose work bridges the fields of world language education and critical approaches to education. Within the current US context, the chapters address the following key questions: (1) How are pre-service or in-service world language teachers/professors embedding issues, understandings, or content related to social justice, human rights, access, critical pedagogy and equity into their teaching and curriculum? (2) How are teacher educators preparing language teachers to teach for social justice, human rights, access and equity?

**teacher halloween costumes group:** *The Adventures of Team Murphy* Carol Doose, 2022-06-07 Ardan and Isabel Murphy are exceptional twins who, without warning, find themselves in unusual situations as they traverse the portals of time and space. Although each of the twelve escapades are complete in themselves, threads of these previous experiences are sometimes used to assist in current dilemmas. History takes a back seat as the dynamic duo are thrust into Lincoln's assigination and the Crimean War. Criminals are brought to justice. Learning of the reality of space aliens and bigfoot will open your mind as to their actual existence, as well as, discovering the intended use of the black holes in space. Eagerness to find their place in life is complicated due to this unusual malady. They have learned they must keep these escapades secret even from their own family and friends or risk being thought of as crazy.

**teacher halloween costumes group:** **Academy of Learning: Your Complete Preschool Lesson Plan Resource - Volume 2** ,

The Yada Yada Prayer Group Gets Decked Out In the thick of the holiday season, God gives the Yada Yadas an unforgettable celebration.

**teacher halloween costumes group:** *A Practical Guide to Exemplary Professional Development Schools* Michael Cosenza, JoAnne Ferrara, Diane W. Gómez, 2024-03-01 Professional Development Schools are complex and comprehensive school university partnerships focusing on professional development of new teachers and veteran teachers while providing high quality education to P-12 students. The chapters of this book contain the stories of 8 highly successful and nationally recognized professional development schools. Each story provides the reader with practical ideas, procedures and policies that can be implemented by the reader to begin new partnerships or help improve and sustain existing partnerships. Each chapter discusses the rich clinical preparation combined with progressive experiences in PDSs that have made the partnership successful. The diverse authors from several different states describe their efforts to forge PDS partnerships to develop and deliver high quality teacher preparations, practical experiences for teacher candidates, and simultaneously provide professional development for experienced practitioners. The book will be a valuable resource to school and university faculty and administrators as they transition to a partnering model of clinical preparation for teacher candidates: it will help stakeholders decide if their schools and institutions are ready to commit to a partnership, and highlight the benefits they stand to gain. The book also realistically addresses challenges in a way the reader can prepare for to reduce obstacles in establishing and sustaining PDSs.

**teacher halloween costumes group:** **Challenges of Holistic Teaching** Linda Crafton, 1994 Teachers at presentations, seminars and workshops were asked to write down questions and concerns about moving from a more traditional paradigm to one represented by whole language theory and practice.

**teacher halloween costumes group:** *Indigenous Children's Survivance in Public Schools* Leilani Sabzalian, 2019-02-18 Indigenous Children's Survivance in Public Schools examines the cultural, social, and political terrain of Indigenous education by providing accounts of Indigenous students and educators creatively navigating the colonial dynamics within public schools. Through a

series of survivance stories, the book surveys a range of educational issues, including implementation of Native-themed curriculum, teachers' attempts to support Native students in their classrooms, and efforts to claim physical and cultural space in a school district, among others. As a collective, these stories highlight the ways that colonization continues to shape Native students' experiences in schools. By documenting the nuanced intelligence, courage, artfulness, and survivance of Native students, families, and educators, the book counters deficit framings of Indigenous students. The goal is also to develop educators' anticolonial literacy so that teachers can counter colonialism and better support Indigenous students in public schools.

**teacher halloween costumes group: *Teaching Academic Vocabulary K-8*** Camille Blachowicz, Donna Ogle, Peter Fisher, Susan Watts Taffe, 2013-04-14 This book showcases effective ways to build the vocabulary knowledge K-8 learners need to engage meaningfully in reading, writing, and discussion on academic subjects. The distinguished authors draw on decades of classroom experience to explain what academic vocabulary is, how it fits into the Common Core State Standards, and how targeting vocabulary can enhance conceptual understanding in English language arts, social studies, and math and science. Rich classroom vignettes, teaching tips, and examples of student work are included. The book also features helpful figures, word lists, discussion questions, and recommended print and online resources.

**teacher halloween costumes group: *The Teacher's Book of Days*** Susan Clark Studer, 2010-12-01 The Teacher's Book of Days is a motivational and inspirational book for all individuals who work with young people, whether in public or private schools, youth organizations, sports, tutoring, or for parents. The book is authored by Susan Clark Studer, Ph.D., a professor of education, who has taught all ages; worked with children in clubs, scouts, and sports; currently teaches teachers enrolled in education programs ; and who is the parent of two grown children. This book is for all adults who are entrusted with young lives. Written in a readable format, The Teacher's Book of Days is a combination of informative and thought-provoking daily readings designed to encourage the reader and help educators through their busy and often-times stressful days. Placing the Book of Days in perspective, it is a combination of short, uplifting, motivational and informative thoughts, gleaned from the writings of educators past and present and personal experience. The daily passages are not written for any particular year, and dates are generic, therefore it will be salable year after year. Teachers are a very valuable resource, members of society who often do not receive the encouragement they need. This is even truer today in a school atmosphere of test scores, shrinking budgets, and children growing up in less than ideal educative circumstances. This book is designed to not only encourage, but to empower educators to become strong teachers of society's children. Teachers can buy this book for themselves or give it as gifts to colleagues and friends. Parents may buy this book as teacher gifts or as tokens of appreciation for their child's teacher. School districts may give it to teachers during teacher appreciation week or have it available in on site libraries for staff members to read or to quote from for daily announcements. Universities may give it to graduating future teachers. The potential is great for this book's success.

**teacher halloween costumes group: *Cool English Level 4 Teacher's Guide with Audio CD and Tests CD*** Herbert Puchta, Guenter Gerngross, Raquel Royo, 2005-10-10 Cool English is a 6-level contemporary version of Join In. It is organized in lesson plans for each class session. These lesson plans give suggestions on different ways of exploiting the activities, plus extra ideas and materials. It includes clear and concise instructions with step-by-step explanations which simplify lesson-planning for the teacher. The guide is interleaved with the Pupil's Book and contains all the tape scripts. The 2 Audio CDs for the teacher contain all the songs and the recordings from the Pupil's Book, as well as the listening tests. The Tests CD contains pdfs of assessment tests for this level.

**teacher halloween costumes group: *Teacher Inquiries in Literacy Teaching-Learning*** Christine C. Pappas, Liliana Barro Zecker, Liliana Zecker, 2001-01-01 This book consists of the reports of 13 urban elementary teacher researchers' year-long inquiries around literacy

topics--conducted as part of a collaborative school-university action research project. The focus is on how they attempted to transform their teaching practices to meet the needs of students from diverse ethnic and linguistic backgrounds, and how their inquiry efforts resulted in developing more collaborative styles of teaching. These teachers explore how collaborative classroom interactions occur when teachers move away from teaching-as-transmission approaches to ones in which they share power and authority with their students--viewing them not as 'at risk' but instead as 'at promise.' Because the everyday interactions between teachers and students are realized by social talk in the classroom, classroom discourse was analyzed to study and document the teacher researchers' efforts to make changes in the locus of power in literacy teaching and learning. Their chapters are filled with classroom discourse examples to illustrate their points. The volume includes teacher inquiries conducted in elementary classrooms from kindergarten through eighth grade. Three took place in bilingual classrooms, one in a special education class. These inquiries cover a range of literacy topics, including reading-aloud, language richness, writing, literature discussion groups, drama, and 'pretend' reading. The background and theoretical underpinnings of the project are discussed in an introduction written by the editors; in the conclusion they pull together the major themes in the teacher researchers' chapters and discuss the political implications of their efforts to change literacy teaching and learning in their urban classrooms.
