The eligibility prerequisites vary depending on the type of insurance license sought, but general rules apply to all candidates.

Age and Residency

Applicants must be at least 18 years old to qualify for the Wisconsin insurance license exam. There is no strict residency requirement; however, all candidates must provide proof of legal presence in the United States. Non-residents may apply for licenses but must comply with any reciprocal licensing agreements between Wisconsin and their home state.

These courses cover insurance fundamentals, state laws, and ethical considerations to prepare candidates thoroughly for the exam.
