These women conceive of an alternate solution to a marriage that is not wholly working, where their own needs are ignored, unmet, and not prioritized. Thus, the women in this study are engaging in secret defiance of the expectations of marriage and primary partnerships. This book gives voice to women's experiences and perceptions regarding their participation in infidelity, and glimpses into the interworkings of our most intimate relationships, and the ways women negotiate marriages that fall short of their expectations.

wives who cheat tumblr: *Wives Cheating, Husbands Watching* Gustav Jorgenson, 2014-02-15 These are stories about loving couples who are seeking out that transgressive spark to reignite the desire between them. The women do this by granting strange men access to their sexuality, which is normally reserved for their husband or boyfriend. They are breaking the rules and bringing novelty and mystery back into their stable, predictable relationships. They are shaking things up and renewing themselves as objects of desire. The first section is about dominant women who are confidently journeying into unexplored erotic territory with new men. The second section is about women who are pursued and submit to the aggression of other men, recognizing that their misconduct will help their own husband or boyfriend see them with new eyes. The third section is comprised of some older, shorter pieces that are punchier and jump right into the action. Some of the fantasies explored in this collection include: - A woman strips for her boyfriend's buddies, demanding that they honestly rate her body. - A wife goes back into the bar to perform oral favors for a jerk who just fought with her husband. - A husband comes home late from work to find his wife drinking with his friends, dressed only in her skimpy lingerie. - An aggressive man talks a couple he just met in a coffee shop into letting the wife come back to his studio to sit for a nude portrait. - A rough jock crashes a geeky board game party and takes liberties with the giggling, bespectacled wife of a nervous nerd.

stories of married women who enjoy sex outside of marriage... some secretly, some flaunting it, and some using it to inflame their husbands. They have sex with multiple partners—one at a time or in groups, tucked away in private, or at parties and in groups. A wild collection of sizzling tales of married women breaking the bonds of monogamy in every possible way. ~~~~~ PG Excerpt ~~~~~ The club was as upmarket and vibrant as Eve had suggested. Chic waitresses in skimpy outfits served overpriced drinks to a group of nice looking people in their thirties, mostly. The place was smaller than I'd expected. "When I think about a trendy place, I guess I expected something bigger." She laughed. "This is just part of it. I read about this place online. This is the entry hall," she said. "What do you mean?" She nodded toward a door. I looked and saw a small, innocuous door. A sign over it said: "Doorway to the wild side." "Weird," I said. "Why are we out here?" "This is the public bar. Anyone can drop in and have a drink. It's a pickup place. For some people, most people, this is it. But on the other side of that door... Well, the Wild Side is a private club and by invitation only." "And how do you get an invitation to enter?" She licked her lips. "You have to entice a member. Make them think you are ready and willing for a walk on the wild side." As she said that, a young, clean-cut guy in an expensive suit came over to our table and looked us over. "Hello," he said, cheerfully. "Mind if I join you?" I nodded and he took a stool between us at the high table. Having him there was fine with me. There were a lot of muscles under that suit. He had to be over six-two and probably weighed in at over two hundred pounds. "New here?" he asked. "Just arrived," Eve said. "But you knew that." "How do you know of the place?" Eve was grinning and leaning back a little to give him a view of her cleavage. "Hot rumors suggest it's a fun place. Which is why we came." "I'm James," he said. "And you are a member," I said. He looked at me and I liked the way he looked at me. "I am." "James..." Eve said. "James Erickson. You used to be a running back, a top pro." "Until a hard tackle damaged my knee. Now I sell real estate." Eve ran her hand over his arm and clearly liked what she felt. "But you stay in shape." "I try to." James put a hand on each of our backs. It was a large, strong hand and as he let it run down lower, it felt hot. It didn't help that I was incredibly horny. "Tell us about the club." Eve put her hand on his thigh. "It's a lovely place where people don't bother you when you want to do wild things." "Sounds lovely," Eve said. He laughed. "Like the name says. You go in there, you can expect to have someone want you to try some things you've probably never tried before." I took a breath. The most outrageous sexual experience I'd ever had was a one-night stand. Now, with James' warm eyes running over me, I felt like I might be willing to try a number of things. "I see." "I'm in," Eve said. She had her hand on his crotch. "How about it, Tani?" James shook his head. "Unfortunately, I can only invite one of you in. It's one of Gerard's few rules." "Gerard?" "The owner." Eve looked frustrated. If anything she was hungrier for sexual adventure than I was. "You go along if you want, Eve. This evening was your idea." "If you wait around, I'm sure you'll get an invitation soon," James said. I wasn't so sure. Most of the people around were in groups. "Well I'll have another drink and if nothing happens, then I'll head home," I told him. "Eve, call me later."
